All undergraduate students who are registered for 12 or more credit hours, all graduate students taking 9 or more credit hours, and all international students are automatically enrolled in this insurance plan at registration, unless proof of comparable coverage is furnished. Matriculating part-time students are eligible to enroll in this insurance plan.

If and whenever the Company discovers that the Policy eligibility requirements have not been met, its only obligation is refund of premium.

The eligibility date for Dependents of the Named Insured shall be determined in accordance with the following:

1. If a Named Insured has Dependents on the date he or she is eligible for insurance.
2. If a Named Insured acquires a Dependent after the Effective Date, such Dependent becomes eligible:
 - a. On the date the Named Insured acquires a legal spouse or a Domestic Partner who meets the specific requirements set forth in the Definitions section of the Certificate.
 - b. On the date the Named Insured enters into a Civil Union with the Dependent.
