SUBJECT: CLOSURE OF STATE GOVERNMENT/WINTER STORM – COMPENSATION POLICY:
For 8:30 AM through 4:30 PM, Wednesday, March 21, 2018

BACKGROUND: Governor Gina M. Raimondo directed closure of state government due to a severe snow storm.

SPECIFICALLY:
For purposes of compensation policy, non-essential State offices and agencies shall be closed on Wednesday, March 21, 2018 and non-essential personnel (as defined by the applicable department or agency head) shall not report to work for the period of 8:30 AM through 4:30 PM on Wednesday, March 21, 2018. For purposes of this policy, all personnel (essential and non-essential) shall report to work as scheduled beginning at 4:30 PM Wednesday, March 21, 2018, or your regularly scheduled shift thereafter.

DEFINITIONS:
For purposes of this policy memo, the following definitions shall apply:
ESSENTIAL EMPLOYEES shall be those state employees who, for the period of 8:30 AM through 4:30 PM on Wednesday, March 21, 2018, are determined by their respective department or agency head (or his/her designee) to be necessary and are required to work in order to carry out during said hours the critical business of that department.
NON-ESSENTIAL EMPLOYEES shall be those state employees normally considered necessary to the business of the State but whose department or agency head (or his/her designee) determines that, for the period of 8:30 AM through 4:30 PM on Wednesday, March 21, 2018, such employees are not essential during said hours to carry out the critical business of that department. Therefore, they were excused from duty.

COMPENSATION POLICY:
This compensation policy includes the total rate for the hours physically worked and is not a premium to be calculated on top of the regular wage. Further, Union business leave is not an acceptable leave discharge. Finally, this compensation policy is consistent with collective bargaining agreements with one exception/modification regarding credit for "administrative leave" for non-essential employees as discussed below. This policy is applicable to all employees as follows:

- All non-essential non-union employees and all non-essential bargaining unit employees excused from duty for their regular scheduled work shift (during the closure) shall be compensated at the straight time rate of compensation (administrative leave) for those hours regularly scheduled but not worked. This option shall not set a precedent of any kind and shall not be used or referred to for any purpose in any case for any similar incidents/closures in the future.

- All essential non-union "standard work week" employees, all essential non-union "non-standard work week" employees, and all essential non-union "non-standard/non-exempt work week" employees directed/required to work (as defined by the applicable department or agency head) by their respective department or agency head (or his/her designee) shall be compensated for all hours worked at the rate of time and one half for each hour worked during the period of 8:30 AM through 4:30 PM on Wednesday, March 21, 2018.

- All essential bargaining unit "standard work week" employees, all essential bargaining unit "non-standard work week" employees, and all essential bargaining unit "non-standard/non-exempt work week" employees directed/required to work (as defined by the applicable department or agency head) by their respective department or agency head (or his/her designee) shall be compensated for all hours worked at the rate of time and one half for each hour worked during the period of 8:30 AM through 4:30 PM on Wednesday, March 21, 2018.

- All hours worked prior to 8:30 AM and after 4:30 PM on Wednesday, March 21, 2018 shall be compensated at the normal standard straight time rate of compensation for those hours worked during the employee’s regular scheduled work shift.

NOTE: Employee pre-requested/pre-planned/management pre-approved leave hours scheduled within the regular standard work shift during the hours of 8:30 AM through 4:30 PM on Wednesday, March 21, 2018 stand as scheduled. Examples of such include vacation leave, personal leave, sick leave, pay reduction leave, compensatory leave, military leave with pay and all leaves without pay. Administrative Leave is not credited. The reasoning behind this decision focuses on the fact that an employee who is scheduled to discharge pre-planned/management pre-approved leave by his or her own choosing is unavailable for work and therefore is not available to be scheduled for work during said hours. Under this circumstance, the employee is neither categorized as "essential" (time and one half) nor "non-essential" (straight time administrative leave) because of the employee’s pre-planned unavailability to report to work or be available to be scheduled for work on that particular shift during said hours. More importantly, the purpose of "non-essential" employees being allowed to remain at home as opposed to being required to work is to keep them safe and out of harm's way when their services are not absolutely necessary. If no storm was to occur, the employee(s) would have been out of work and unavailable regardless.
NOTE: All provisions of a collective bargaining agreement that modify or supplement this policy shall take precedence over any portion of this policy that may be in conflict with such an agreement. In case of such modification or supplementation by a collective bargaining agreement, those portions of this policy not affected thereby remain in full force and effect.

NOTE: Inquiries relating to policy requirements should be addressed initially to their respective human resources office and subsequently to Kyle A. Adamonis, Executive Director of Human Resources/Personnel Administrator (telephone: 222-2160 email: Kyle.Adamonis@hr.ri.gov.)

NOTE: PAYROLL REPORTING guidelines shall follow in a separate communication.
