

# You can meet with a Financial Consultant at University of Rhode Island.

No matter where you are in life—just getting started or planning for retirement—a session with a Financial Consultant can help you create a plan for your goals. And, it’s at no additional cost as a part of your retirement plan. You’ll get answers to these questions and more:

- Am I invested in the right mix of investments to help meet my goals?
- Am I saving enough to create the retirement income I need?
- How do I take income from my retirement account once I stop working?

TIAA will be available these dates and times for one-on-one sessions.
