INTRODUCING…BYE BYE SAKAI SERIES

Sakai Site Cleanup Do you want to transfer files from Sakai to your local hard drive? Or maybe you just want to just clean up some files prior to the Brightspace migration. Bring your device or use one of our MacBooks and let’s have a look at your Sakai sites together. Weekly Drop-in times Fridays starting 11/08 from 1:00 PM-3:00 PM Tyler 109 *No Registration Required (check calendar for updates)

G Suite: Project Site Alternatives Do you maintain a project site in Sakai? What tools are you using in Sakai that could better be served with G Suite apps? Let us help you convert your project and utilize Google Groups, Sites and Drive to better communicate and collaborate with your audience. Tyler 109: 10/23, 10/30, 11/6, 11/13, 10:00am-11:30am REGISTER

Mail Merge Basics NEW! The "Mail Merge" feature in Microsoft Word can be a powerful tool. Mail Merge allows users to insert personalized contact information from a spreadsheet. Quinn 215 Lab: 10/22 9:00am-10:30am REGISTER
