**Instructor:** Sarah Larson, MS, RD, LDN  
**Email:** sarahlarson@uri.edu  
**Student Hours:** by appointment via Zoom

You can expect an email response from me within 36 hours Monday-Friday. Any emails sent over the weekend will be addressed by the end of the day on the following Monday.

Any course-related questions should be posted in the General Course Questions discussion so that answers from classmates and/or the instructor will be visible for everyone to benefit.

**Course Description:** Fundamental concepts of the science of nutrition with application to the individual, community and world (3 credits). Meets Gen Ed A1, B3. Prerequisites: none

**Required Course Materials**
- Access to Brightspace and McGraw Hill Connect
- Reliable high speed internet access with Google Chrome or Mozilla Firefox browser
- Adobe Flash Player, Adobe Acrobat Reader, and the Microsoft Office package (free for URI students)
- Reliable computer or tablet with audio capabilities

**Important Date**
Last day to add or drop: January 3

**Overall Course Objectives**
After completion of this course, you will be able to:

1. Recall a basic understanding of how nutrients are digested, absorbed, metabolized, and utilized, and apply this to the analysis of dietary intake, energy balance, chronic disease prevention, and food safety.
2. Classify and describe the six classes of nutrients, including their forms, functions, sources, deficiencies, and excesses.
3. Differentiate between fact and fallacy as it relates to nutrition information by using the scientific method.
4. Apply nutrition knowledge, including national guidelines and recommendations, to plan a healthy diet.
5. Locate, and examine, and assess nutrient data and reference values to solve nutrition-related mathematical problems.
6. Record, interpret, and evaluate overall personal dietary records to identify strengths, weaknesses, and suggestions for improvements to health.
### Technology Requirements

| Windows 7 (XP or Vista) | Mac OS X or higher  
|-------------------------|--------------------------  
| 64 MB Ram               | 32 MB Ram  
| 28.8 kbps modem (56k or higher recommended) | 28.8 kbps modem (56k or higher recommended)  
| SoundCard & Speakers    | SoundCard & Speakers  
| External headphones with built-in microphone | External headphones with built-in microphone  
| Mozilla Firefox 9.0 or higher; Chrome 81 or higher | Mozilla Firefox 9.0 or higher; Safari 5.0 or higher; Chrome 81 or higher  

### Evaluation

Our Brightspace page has more detail regarding how you’ll be evaluated.

### Make Up Material

Make up of missed material will be permitted only in the case of an excused absence, as defined by the University Manual. I reserve the right to change the format of the make-up material. Failure to coordinate the make-up material appropriately results in the forfeiture of the assignment score.

Inability to access the internet is not a valid excuse for missed coursework.
Course Policies and Protocols
Our course policies can all be found on Brightspace in greater detail.

In an online learning environment, attendance is measured by your presence and contributions to the site. It’s important that you regularly log into our Brightspace course to ensure you are on top of required components.

Email me with questions! I am here to help. Your emails should always include NFS 207 in the subject and your full name in the body. Check our Brightspace page and syllabus before asking a question as many answers can be found there.

To familiarize yourself with Brightspace, I ask that you please explore the student resources available to you from YouTube, Brightspace and URI to ensure success.

Treating others, including the instructor, undergrad TA, and your fellow classmates, with respect is expected from all students. This includes, but is not limited to, responding to discussion forums respectfully and answering questions thoughtfully and without judgement.

This is an asynchronous, fully online course that is split into 5 units. Each unit, you’ll have tasks to complete on specified days. Although you can work at your own pace, you will need to adhere to the set deadlines.

No assignments will be accepted via email. All assignments received after the stated due date and time will receive a 25% grade deduction per calendar day late up to a maximum of 2 days. After this time, assignments will receive a grade of zero. SmartBook assignments and discussions are not accepted after their stated due date and time.

In the event of a University cancelation for emergencies, there will be no change in due dates, unless communicated by your instructor.

Grades of incomplete will be given only in extenuating circumstances and must be approved by the Department Chair and Dean; see the University Manual for more.

Any student who has difficulty affording or accessing enough food to eat, or who lacks a safe and stable place to live, and believes that this may impact their performance in the course, is urged to contact the Dean of Students or the Rhody Outpost for support. If you are comfortable, please also contact me so that I can provide any resources I possess.

The Substance Abuse and Mental Health Services Administration provides many resources for students and their loved ones to support mental health, including the URI Counseling Center, Psychological Counseling Center, Couple and Family Therapy Clinic, Gender and Sexuality Center, Multicultural Student Services Center, and Chaplin’s Association.
**Academic Honesty:** It is your job as a student to take responsibility for the work you submit in this class and others. It is expected that all submitted work is your own. Your name on any assignment will be regarded as assurance that work is the result of your own independent thought and study. Any outside sources that are used in the work must be properly cited. First time violators will receive a 0 on the assignment and the incident will be reported to the student’s academic Dean. See the [University Manual](#) for full expectations and guidelines about Academic Honesty.

**Office of Disability, Access, and Inclusion:** Please email me as soon as possible if you have any special learning needs or accommodations to help you succeed in this course. As part of this process, please be in touch with [The office of Disability, Access, and Inclusion](#) (or call 401-874-2098). Accommodation begins from the date that the instructor receives the documentation from the office of Disability, Access and Inclusion.

**Academic Enhancement Center:** This is a challenging course! Your success requires that you keep pace with the work, understand course concepts, and study effectively. It’s strongly recommended you use the NFS 207 TA system to get specific help with course material. In addition, the [Academic Enhancement Center](#) helps students succeed. They offer three services: Academic Coaching, Tutoring, and The Writing Center.

**URI Online Library Resources** can be accessed [here](#).

**Student Services:** URI offers many services to help you succeed in your academic career, such as [Enrollment Services](#), [Financial Aid](#), and [Center for Career & Experiential Education](#).

**Anti-Bias Statement:** We respect the rights and dignity of each individual and group. We reject prejudice and intolerance, and we work to understand differences. We believe that equity and inclusion are critical components for campus community members to thrive. If you are a target or a witness of a bias incident, you are encouraged to submit a report to the [URI Bias Response Team](#). There, you will also find people and resources to help.
