

**UNIVERSITY OF RHODE ISLAND, DEPARTMENT OF KINESIOLOGY**

**Dr. Thomas “Doc” Manfredi Student Research Fund - APPLICATION FORM**

The Dr. Thomas “Doc” Manfredi Student Research Fund is intended to support the work of students in Kinesiology at both the undergraduate and graduate levels. Under the supervision of a faculty mentor, students are encouraged to apply to offset the costs of student-centered research projects. Funds will be distributed on a rolling basis throughout the year, but we will reserve some money to be awarded in the Spring semester to ensure access year-round. Individual requests cannot exceed \$350.

For your application, you need to include the following information:

- 1) Name, email address
  - 2) Title of your research project
  - 3) Short narrative (<250 words) of the intended goals of the research
  - 4) Details on the request being made to the Manfredi fund:
    - a. Specify the need (whether it be equipment, funds for analyses, funds for subjects, conference travel, etc.).
    - b. How is it connected to the completion of the project?
    - c. The specific associated costs in a budget table.
  - 5) All submissions need to include an endorsement by a supervising faculty member
- It is expected that upon receipt of the award and completion of the project, the awardee will write a brief thank-you letter to Dr. Manfredi.

**Please email the completed application (.doc, .pdf, or scanned copy) to: [kinesiology@etal.uri.edu](mailto:kinesiology@etal.uri.edu) and [delmonico@uri.edu](mailto:delmonico@uri.edu)**
