Why?

About MSSC
To create and sustain a welcoming, inclusive and supportive campus culture and climate where diverse learners have the opportunity to interact with each other, and to share ideas and experiences both similar and different from their own.

off students felt that MSSC fosters a campus climate and culture aligned with URI’s diversity, equity, inclusion and social justice goals (MSSC, strategic Goal 2).

- MSSC Strategic Goal 1

Brianna Vega, Nursing, Class of 2019

MSSC paved the way for me as I searched for spaces to cultivate my identity. I have found my second family here at URI in the Latin American Student Association and D.I.V.E.

Jasmine Lead, Class of 2019

MSSC provided me with a safe haven. It was a place to get away from the hustle of academic life and relax. MSSC taught me to appreciate my culture/heritage and embrace who I am. Thanks MSSC!

Emily Baez, Nursing, Class of 2019

MSSC allowed me to become the person I always wanted to be and supported me along my journey in college. This was and will always be home.

Blessing Gbemisola, Biology, Class of 2019

Because of MSSC I knew I could do it all. The Staff always treated me with respect and gave me the opportunity to be creative and independent!

Daniel Herra, Psychology, Class of 2019

Because of MSSC I was able to network with a diverse group of students and develop my own leadership style.
