1 Easy – This requires minimal physical activity, such as some stairs, boarding the motorcoach and walking to hotel and dining areas.

2 Moderate – This requires some physical activity, such as some walking during tours, the possibility of climbing stairs, and walking some distances.

3 Active – This requires participants to be in reasonably good health to fully enjoy all experiences. For example, walking tours, walking on uneven surfaces, periods of standing and days may be longer. We do not recommend this type of tour for individuals who use either a walker or wheelchair.

Requests: Room/seat requests, food allergies and all other particular accommodations should be noted on the form in the request area. Requests are not guaranteed; however, Conway Tours will make every effort to honor them.
