OLLI COURSE SPOTLIGHT

Nuclear Proliferation, North Korea, and Donald Trump

Instructor: Jim Buxton

Dates: Tuesdays, December 1, 8, 15 9:30-11:00am

We will first examine nuclear proliferation: why the nine nations that are "Nuclear Haves" developed nuclear weapons in the first place. Then we will look at global attempts to "control the bomb." Finally, we will focus on North Korea and the efforts to de-nuclearize North Korea.

Rhody Outpost Needs Your Help

You might remember that earlier this year we had a shopping cart in the OLLI lobby where we collected food to donate to Rhody Outpost. Many students will remain in and around Kingston through the holidays and could be in critical need of support from the Rhody Outpost Food Pantry. If you live locally, consider donating food and personal items, especially cereal, canned meals, pasta/sauce, and shampoo/conditioner. Not local? Gift cards are always welcome. Visit <https://web.uri.edu/rhody-outpost/> for more information. To make a donation, please visit: <https://web.uri.edu/rhody-outpost/donate/>

Need help with your computer, phone, ipad or Webex? SIGN UP FOR CYBER SENIORS

Get the help you need from the comfort of your own home and for free! You choose the date and time and how you want to meet with a URI Student via phone, Facetime or Webex. Appointments are required. Register by clicking the link below!

CYBER SENIORS

ARE YOU A CAREGIVER FOR SOMEONE WITH DEMENTIA OR ALZHEIMER'S DISEASE (AD)?

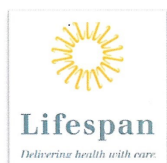

You may be eligible to participate in a research study involving the use of a computer tablet with information for caregivers of people with dementia or AD.

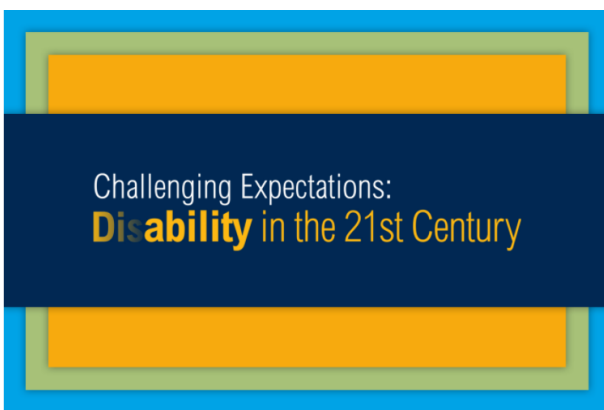

* We are looking for English-speaking caregivers of people with **diagnosed** mild-moderate AD or related dementia who currently live at home. *

- The study involves: 1 study visit
- 3 months of computer tablet use
- A one-hour visit to complete a set of questionnaires before using the tablet
- Completion of a set of follow-up questionnaires at home
- You will be compensated for your time and participation. The one study visit will take place at Rhode Island Hospital's Neuropsychology Program in Providence, RI

If interested, contact the study coordinator:
Taylor Maynard (401)-444-6629

Army veteran and spinal cord injury survivor Rory Cooper brings his expertise in rehabilitation science and technology to this year's virtual Honors Colloquium, Nov. 17. And, if you missed any of the

speakers from 2020, you can view the videos here: <https://web.uri.edu/hc/2020-challenging-expectations-disability-in-the-21st-century/>

Live via Zoom
Friday, November 20, 7:00pm EST

<https://us02web.zoom.us/j/87398701248?pwd=RINERnpvL1NmOHhPRDJVVnBqeDcwZz09>

Meeting ID: 873 9870 1248
Passcode: 099483

This virtual concert presents Heather Pierson, a pianist, multi-instrumentalist, singer/songwriter, and performer, whose inspiring live performances and growing catalog of

releases delve into Americana, Blues, New Orleans Jazz, vocal chants, instrumental piano, and poignant folk. Best known for her virtuosity at the piano and her bell-tone vocals, Heather's songs and musicianship embody joy, honesty, and a desire to share from the heart. In twenty years on her own record label, Vessel Recordings, she has released twelve CDs of original music.
