YOU, ME,

OLLI COURSE: RHODE ISLAND'S FIRSTS, BESTS, & UNIQUES

A lesson of pride about the state's firsts, bests, and uniques with Roberta Mudge Humble

This course shows off the "biggest little state in the union" and offers sufficient ammunition to give Rhodelslanders and those who care about the state, the right to crow.

And you're not getting a history professor – you're getting a presenter who cares very much for the state – and the nation and hopes to prove the state worthy to you that you may carry its torch.

Take for a quick example that Rhode Island is one of the 13 original colonies, the **independent** one, the one that broke away first, the first one to open the door to expanded voting rights, and the last to sign the Declaration of Independence.

Stephen Hopkins, Governor of the Colony of Rhode Island and Providence Plantations, a Chief Justice of the Rhode Island Supreme Court, and a signer of the Declaration of Independence

You will know some, not know some, -- and you will chuckle.

Remember this?

Do you know where this is?

So, come and enjoy the incredible pictures, points, and memories of Little Rhody. We have much more than we know.

This is me with my Rhode Island books and games (7 books, 8 games). The proceeds go to the historic Westerly Armory.

I hope you will join me in learning and laughing. There is so very much to this little state.
