The overall activity level of this tour is a level 4. This means you're ready to seize the day, whatever it may bring. You lead an active life at home (walking, biking, and half or full day hikes are things you may enjoy) and 10,000 steps a day is normal for you. You can handle longer walking tours (more than 3 hours covering 3+ miles at a steady clip) and activities that involve traversing uneven terrain, steep slopes, standing for periods of time, and varying altitudes and temperatures. You don't mind being on the go with some early starts, late-nights, and full days. You can handle altitudes of 9,000 feet or higher with little to no issue. This level is not appropriate for travelers who use wheelchairs, walkers, and other mobility assistance devices.

You will be travelling by metro throughout Paris for a majority of this tour and should be reasonably fit in order to get on and off this mode of transportation.

If you require any special assistance while on tour, please make us aware at time of reservation so the necessary request form can be sent to your attention.

****Due to high demand for the Eiffel Tower restaurant, your dining time can be as late as 9 p.m. The restaurant will give you access to level 2 of the Eiffel Tower, not to the top.

Days of features are interchangeable.

Outdoor markets may not always be available.

**Paradis Latin may be considered unsuitable for children – consult your Tour Manager.

*On the rare occasion the Louvre Museum is not available, it will be replaced by another high-level Paris museum.

***Monet's Gardens in Giverny are open from April 1 to November 1. If you are travelling at a different time of the year, the optional tour will not be available.

Single accommodations are limited and are available on a first come, first served basis. Single rate subject to change based on availability. Triple rooms are not available.

Paris has intense traffic, so the best way to move around in the city is by metro, but most Parisian underground stations do not feature escalators/elevators (only 9 stations out of 303 have elevators).

To complete your tour, we include roundtrip airport-to-hotel transfers when purchasing our airfare with your tour. If you have arranged for your own air, we are pleased to provide you the option of *purchasing* these transfers. Please note that all transfers will leave at pre-scheduled times.

For air-inclusive reservations, the name provided at time of booking must match your government-issued ID that will be used during travel. Name changes are subject to penalties.

Please be advised many airlines do not provide advance seat assignments until check-in at the airport. Advance seating will be subject to the airline's terms and conditions.

Experience It! Dinner at the Eiffel Tower

It's like a scene from a movie: the lights of Paris glitter beneath you as you dine inside one of the world's most iconic landmarks – the Eiffel Tower. Proudly rising up on the Champ de Mars, the historic Eiffel Tower is actually the tallest structure in Paris (and the most-visited paid monument in the world). Soak in the exclusive atmosphere as you enjoy savory French cuisine. Have an unforgettable meal in a contemporary setting that provides a wonderful contrast to the historical landmark it resides in. Stand inside history, relish fine French food... and take in the most incredible views of the "City of Light." This is a truly unique dining experience, sure to be a highlight of your tour.
