READING PALS PROGRAM

Unlock the power of words and change a child's future! Join our afterschool literacy program as a volunteer and make a lasting impact on South Kingstown students. Reading PALS was developed to enhance students' literacy comprehension in a fun and interactive way. By dedicating just a few hours a week, you can help students improve their reading and boost their confidence. No teaching experience necessary— a love for reading and experience with elementary age children preferred.

Mondays at Matunuck Elementary from 3:30-4:30PM

-OR-

Wednesdays at West Kingston Elementary from 3:30-4:30PM

September 16 through December 11

Does not meet during SKSD vacations and holidays

***A background check (BCI) is required. South Kingstown residents may receive a BCI from the Jonnycake Center for Hope. Residents from neighboring communities must go to the Attorney General's office in Cranston to receive a BCI. Previous BCIs issued in the past 6 months also accepted. No fingerprinting necessary.*

Email dkern@uri.edu for more information.
