

Research Study Participant Needed

Seeking Healthy Individuals 18 & Older

Are you qualified to take part in our study?

- ◇ Are you a healthy adult over the age of 18?
- ◇ Do you have the ability to read and speak English?
- ◇ Is it safe for you to participate in physical activity?
- ◇ Are you able to sit stand and walk independently?
- ◇ Are you free of any knee or hip replacements?
- ◇ Are you free of illnesses or lower extremity injuries that affect your gait?

To enroll and participate in the study:

- ◇ Call (401) 874 2980 or email marker_als@etal.uri.edu
- ◇ Take part in two in person visits at the University of Rhode Island:
 - The total time commitment for the study is about 3 hours
 - We will ask you to complete questionnaires focused on your health history
 - We will ask you to engage in tests of posture, gait, physical function, muscular strength, and body composition
 - You will be compensated \$50 per visit
