Robert E. Will Theatre, URI Fine Arts Center

Hailed as the perfect musical comedy, this award-winning classic gambles with luck and love under the bright lights of Broadway. "Count me squarely in the *Guys and Dolls* camp. If there's a flaw to be found in the 1950 'musical fable of Broadway,' based on characters created by journalist/short story writer Damon Runyon, it's not in Jo Swerling and Abe Burrows' drum-tight book. And it's certainly not in Frank Loesser's honey of a score." – New York Stage Review.
