### Experience It! Dubrovnik

A group of refugees from Epidaurus (today's Cavtat) founded Dubrovnik in the first half of the 7th century. After being under the protection of the Byzantine Empire and falling under the sovereignty of Venice, Dubrovnik ruled itself as a free state known as the Republic of Dubrovnik, and flourished in the 15th and 16th centuries to become Venice's chief shipping rival. The beginning of the end for the Republic arrived care of a devastating earthquake in 1667 that claimed more than 5,000 citizens. The Republic met its official demise in 1808 when it was abolished and integrated into the Illyrian provinces after Napoleon's armies conquered the city. Since 1808, Dubrovnik has fallen under attack and been occupied and annexed several times, most recently as part of the second Yugoslavia (1945-1991). Dubrovnik, however, has survived and continues to reign as one of the most beautiful and fascinating cities on the entire Adriatic, with its medieval walls that surround its old city, protecting the ancient buildings contained within. This is Dubrovnik, a UNESCO World Heritage site unlike any other.

### Important Tour Information:

**Book Now rates valid until Apr 11, 2026, valid on air inclusive packages only.**

**The overall activity level of this tour is a level 3.** This means you're an on-the-go traveler. You don't want to miss a thing, so walking and standing for longer periods of time (2-3 hours) isn't a big deal. A moderately paced two-and-a-half-hour walking tour, covering several miles, hills, and uneven surfaces, is no problem for you. Walking four miles over the course of a day is very doable, as is climbing into and out of various modes of transportation (tuk-tuk, cable car, zodiac, etc.). You can climb three flights of stairs easily and handle altitudes between 6,000 and 9,000 feet. Expect some longer days with early mornings or late nights balanced with free time to recharge or set out on your own adventure. This level is not a fit for travelers who require mobility assistance devices.

The Plitvice Lakes visit requires you to climb more than 100 steps. The route you will be taking involves a minimum of two hours of walking with the length about 1.8 miles without the assistance of handrails.

The Old Town Dubrovnik is closed for all kinds of motor traffic. The walking tour is mainly flat, however walking Dubrovnik city walls involves climbing sets of stairs, and the elevation of the walls change.

If you require any special assistance while on tour, please make us aware at time of reservation so the necessary request form can be sent to your attention.

The historical center of Ljubljana is closed for motor traffic. The exceptions include the Urban Tourist Train and electric vehicles Kavalir (Gallant Helper).

The exact hotel to be used while in Opatija will be available 15 days prior to the tour departure date.

Single accommodations are limited and are available on a first-come, first-served basis. Single rate subject to change based on availability.

To complete your tour, we include roundtrip airport-to-hotel transfers when purchasing our airfare with your tour. If you have arranged for your own air, we are pleased to provide you the option of *purchasing* these transfers. Please note that all transfers will leave at pre-scheduled times.

For air-inclusive reservations, the name provided at time of booking must match your government-issued ID that will be used during travel. Name changes are subject to penalties.

Based on return flight options, an early morning departure from the hotel may be required on the last day.

Air travelers will arrive into Ljubljana airport and depart from Dubrovnik airport.

Please be advised many airlines do not provide advance seat assignments until check-in at the airport. Advance seating will be subject to the airline's terms and conditions.

Due to tour scheduling, arrival flights should arrive prior to 4:00 p.m.

Economy air rate and schedule are applicable for groups of 10 or more traveling on the same flights and dates.
