

University of Rhode Island
Retired Faculty Association
Speaker Series Presentation

Newest Research on Medications for Dementia and Supplements for Healthy Brain Aging

Thursday, October 22
4:00 PM – 5:30 PM

Hope Room, Higgins Welcome Center
University of Rhode Island
45 Upper College Road

SPEAKERS

Joseph Schrader, PhD

Assistant Professor of Pharmacy Practice and Clinical Research, College of Pharmacy; Assistant Professor, George & Anne Ryan Institute for Neuroscience, University of Rhode Island

John K. Robinson, PhD

Professor of Psychology and Biomedical and Pharmaceutical Sciences; Co-Executive Director, George & Anne Ryan Institute for Neuroscience, University of Rhode Island

Bring any questions you have about the latest research on medications for dementia and nutraceuticals for maintaining brain health.

This FREE presentation is open to all URI faculty, staff, and students, as well as OLLI members and the Rhode Island community.

**Sponsored by the
Provost's Office and
refreshments from
Belmont Market**

Parking is available in the lot off Briar Lane behind the Welcome Center. Letting us know if you plan on attending at aging@uri.edu is helpful but not required.
