Comparing Education Loan Options

Be a smart consumer and compare your student loan options before borrowing. Remember to ask lenders these questions before signing your Promissory Note.

Rates.
Is the rate fixed or variable? What will my interest rate be?
If rates go up on variable rate loans, so does your monthly payment.

Fees. What are the fees?
Fees will add to your total cost of borrowing.

Repayment. When does my repayment begin? How long is my repayment term? What will my monthly payment be?

Annual Percentage Rate (APR).
What’s the APR?
APR is your total cost of borrowing - including accruing interest, capitalized interest and any fees - expressed as an annual interest rate. Use it to compare other loan options. Note: Federal loans are exempt from APR disclosure.
