ATTENDEE PROSPECTS

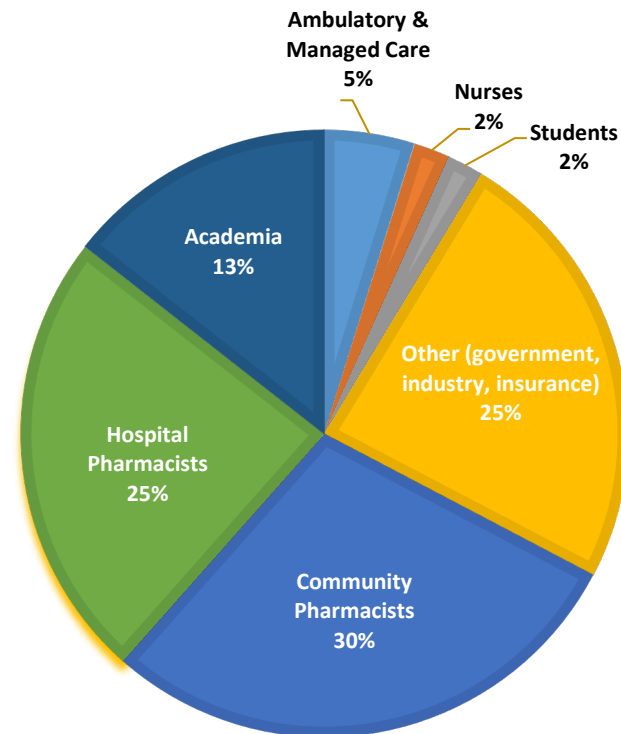

The University of Rhode Island College of Pharmacy invites you to exhibit at the 39th Annual Seminar by the Sea Northeast Regional Conference for Continuing Education, March 14 – 15, 2024, at the beautiful Newport Marriott, located at 25 America's Cup Avenue in Newport, Rhode Island.

Consistent with previous years, we expect to attract more than 200 retail, hospital, academic, long-term, primary and managed care pharmacists, and allied health care professionals from throughout the Northeast for two days of professional networking and continuing education. This program will offer 15 hours of CE credit for pharmacists.

Your support helps provide quality continuing education opportunities to health care providers as well as invaluable networking opportunities. Exhibits have served as an integral part of our program since our first year, and we invite you to join us for our 39th anniversary.
