

# URI FACULTY & STAFF GUIDE TO AI RESOURCES

## University AI Policy & Guidance

### **AI-Related Policies (Provost's Office)**

Official university stance, guidance & repository of resources on AI

<https://web.uri.edu/provost/initiatives/ai-at-uri/>

### **Teaching, Learning & AI (ATL)**

Pedagogical strategies for using AI

<https://web.uri.edu/atl/teaching-with-chatgpt/>

### **University Libraries: AI Literacy**

Learn the basics of AI and how to use it responsibly

<https://uri.libguides.com/ai/>

**Quick Tips** Bookmark these links for easy access.  
Reach out to IACR early for research planning.

## AI Research & Support at URI

### **Institute for AI & Computational Research**

Website: <https://iacr.uri.edu>

Contact: [iacr-group@uri.edu](mailto:iacr-group@uri.edu)

### **Research Help**

#### **AI Research Consultation**

Personalized support for project design, methodology and publishing

#### **Training & Workshops**

Custom AI sessions for faculty and graduate students

#### **Research Collaboration**

Connect with interdisciplinary faculty and AI experts

#### **AI Infrastructure Support**

Access to GPU clusters, cloud computing and support
