Pesticide Safety Education Program
2018 Fall Training Schedule

TERMS
- A Commercial Applicator Certification is required if you work for hire to apply “restricted use” pesticides to control pests on public and/or private property.
- A Commercial Applicator License is required if you work for hire to apply “general use” pesticides to control pests on public and/or private property.
- A Pesticide Dealer License is required if you sell “restricted use” pesticides.
- A Private Applicator Certification is required to use “restricted use” pesticides on agricultural commodities (e.g. vegetables, fruit, turf).

TRAINING REQUIREMENTS: To obtain a license or certification, you are required to attend a two-day Core Training session, and pass an exam given in the afternoon of the second day. Core Training sessions (I-V) all cover the same material. Individuals seeking Commercial Applicator Certification are required to attend a Commercial Category Training Session in their specialty area and pass an exam given in the afternoon.

RECERTIFICATION: Commercial applicators are required to obtain 8 recertification credits within every 5-year period after your initial license or certification. Private applicators are required to obtain 6 recertification credits every 5-year period after your initial certification. Use the registration form and indicate that you are recertifying. Applicators can attend any sessions listed below for recertification credits.

TRAINING LOCATION: The training is located at URI’s East Farm on Route 108 in Kingston. East Farm is located ~½ mile south of the Route 138 and Route 108 intersection in Kingston Village. Follow signs to Pesticide Training in Building 75 once you turn onto East Farm Road. On Google Maps, look for 75 East Farm Road, Kingston, RI. On MapQuest, look for 2150 Kingstown Road, Kingston, RI.

ACCESSIBILITY: For sign language interpretation / personal FM systems / disability assistance, please call TDD at (401) 874-2285 at least 72 hours in advance of the training you are attending.
