Suspicious Packages

If you find a suspicious package or item:

- If you are handling a suspicious package, gently put it down in a secluded area, and step away.
- Do not touch, move, or alter the object
- Inform others and keep people away from the area
- Leave the immediate area, call Public Safety 874-2121
- Provide your name, location, object location, and suspicious details.
- Write down any information you have about the object. You can give this to Emergency Personnel when they arrive.

If you come in contact with a suspicious package/item:

- Immediately thoroughly wash your hands with warm soap and water
- Ask another person to call Public Safety. Note which sink you used
