

# JENNIKA K. JENKINS

## Curriculum Vitae

Email: [jennika.jenkins@uri.edu](mailto:jennika.jenkins@uri.edu)

---

### **EDUCATION**

**Ph.D. (2024) Old Dominion University**, Norfolk, VA

Applied Experimental Psychology

Faculty Advisor: James F. Paulson, Ph.D.

Major Area Paper: *Transgenerational Cycle of Sexual Trauma: A Developmental Psychopathology Perspective*

Dissertation: *Developmental Patterns and Social Determinants of Adolescent Polysubstance Use among Connecticut Youth*

**M.S. (2016) Old Dominion University**, Norfolk, VA

Applied Experimental Psychology

Faculty Advisor: James F. Paulson, Ph.D.

Thesis: *The Relationship between Resilience, Attachment, and Emotional Coping Styles*

**B.S. (2011) Georgia College & State University**, Milledgeville, GA

Psychological Science

University Honors

### **PROFESSIONAL EXPERIENCE**

**Lecturer, Department of Psychology, University of Rhode Island**; 08/24 – Current.

Courses: Quantitative Methods in Psychology; Research Methods and Design in Behavioral Sciences; Undergraduate Teaching Experiences in Psychology. Duties: Curriculum development including designing lectures and preparing lesson plans, creating course materials, assessing student performance; Supervising graduate teaching assistants; Administrative duties, including participating in departmental meetings and various subcommittees, and providing student support.

**Statistical and Evaluation Consultant**; 04/21 – Current.

Duties: Work with community coalitions to collect data for both federal grant reporting requirements and local performance measures; act as a program evaluation consultant for local coalition leaders funded various state and federal grants, including the Drug Free Communities grant from the CDC as well as the Prevention in Connecticut Communities grant; design survey methodology for quantitative and qualitative data, ensure proper management, storage, and security of all databases; data entry and verification; data analysis; generate and review technical reports.

**Cannabis Prevention Coordinator**; 07/24 – 09/24. Southeastern Regional Action Council, Regional Behavioral Health Action Organization, Norwich, CT.

Duties: Responsible for ongoing needs assessment, prevention initiative, and evaluation activities for the cannabis prevention grant funded by Connecticut state; Collaborate with DMHAS and utilize the Be in the Know campaign to inform the community of the dangers of underage cannabis use and promote safe adult use across the lifespan; coordinate a Regional Cannabis Workgroup to bring together key stakeholders in the community to implement prevention strategies at the local and regional level; provide region wide trainings to educate the community about key risk and protective factors for underage cannabis use, education about high potency THC products; collaborate with local schools, youth service bureaus, and prevention coalitions to provide education and alternatives to cannabis use; generate action plans and reports for grant reporting.

**Epidemiologist**; 11/22 – 07/24. Southeastern Regional Action Council, Regional Behavioral Health

01/2025

Jennika K. Jenkins, Ph.D. 1

Action Organization, Norwich, CT.

Duties: Responsible for ongoing needs assessment and evaluation activities for several state and federal grants, including completion of the Department of Mental Health and Addiction Services (DMHAS) Region 3 Priority Report; collaborate with SERAC staff and community coalitions to strengthen and enhance the prevention infrastructure by disseminating data, legislative advocacy, providing training and capacity building partnerships; collect data for both federal grant reporting requirements and local performance measures; generate action plans and reports for grant reporting; design survey methodology for quantitative and qualitative data, ensure proper management, storage, and security of all databases; data entry and verification; data analysis; generate and review technical reports.

**Graduate Research Assistant;** 08/13 – 08/19. Behavioral Psychology Research and Analysis Team (BPRATs), Old Dominion University, Norfolk, VA. Supervisor: Bryan E. Porter, Ph.D.

Duties: Assisted with the management of Virginia Department of Motor Vehicles Seat Belt & CORE Surveys grant; conducting and overseeing research regarding public health psychology and more specifically traffic psychology; creating data collection site guides and randomizing schedule of collection; scheduling and performing quality control for data collection trips around the state of Virginia, adhering to Old Dominion University Research Foundation's regulations for requesting appropriate monetary advances for traveling data collectors; calculating reimbursement amounts for data collectors; completing necessary components to facilitate collection trips such as booking hotels and rental cars; analyzing data; reviewing reports.

**Research Assistant/Lab Coordinator;** 05/14 – 08/18. Early Family Lab, Old Dominion University, Norfolk, VA. Supervisor: James F. Paulson, Ph.D.

Duties: Managed lab and conducted collaborative research investigating perinatal depression and anxiety, specifically psychosocial and endogenous biological correlates, parenting behavior, and overall impact on early family system; supervised undergraduate students; presented research at invited conferences; attended weekly laboratory meetings; data management.

**Volunteer Research Assistant;** 01/17 – 05/18. Child Abuse Program, Children's Hospital of the King's Daughters, Norfolk, VA. Supervisor: Darci Fritz, M.S.

Duties: Data management including scoring pertinent measurement scales and reporting findings, case history follow-up for legal outcomes of child sexual abuse cases, tracking therapy engagement; entering and analyzing data; collaborating on research projects related to INVEST for Children Project, including heterogeneity of trauma symptomology by child age, factors influencing legal proceedings, and differences in child outcomes by therapy type.

**Graduate Research Assistant;** 03/16 – 01/17. Family Health Lab, Old Dominion University, Norfolk, VA. Supervisor: Michelle L. Kelley, Ph.D.

Duties: Assisted with NIDA R01 data analysis and interpretation; collaborative research regarding variations in child externalizing and internalizing symptoms by parental substance use disorder diagnosis, parentification levels of children of parents with substance use disorder, and the quality and impact of parenting behaviors on child outcomes; preparing manuscripts.

**Undergraduate Research Assistant;** 06/11 – 10/11. Behavioral Pharmacology Lab, Georgia College & State University, Milledgeville, GA. Supervisor: Kristina Dandy, Ph.D.

Duties: Data collection and analysis regarding choice behavior and decision-making utilizing animal models, specifically factors influencing impulsive choice via delay-discounting procedures; maintaining and operating rat operant chambers; conference submissions; poster presentations.

**Student Research Coordinator;** 08/11 – 10/11. Georgia College & State University, Milledgeville, GA. Supervisor: Karen Bendersky, Ph.D.

Duties: Utilize Sona-Systems Human Subject Pool software to organize research; correspond with students and professors via e-mail; troubleshoot problems; grant research credit; generate research reports.

**Intern;** 01/11 – 05/11. Phoenix Center: Behavioral Health Services, Warner Robins, GA. Supervisor: Patricia Winter, LCSW, Clinical Director.

Duties: Observed initial intake procedure for inpatient and outpatient treatment programs for substance abuse and mental health issues; observed group skill building sessions (i.e., substance abuse, wellness, anger management); worked with facility's database software in order to make client forms available online; contributed to organizational flow of non-profit social service facility by completing administrative chart-work including filing, scanning, creating and closing medical charts; HIPPA training.

*Statistical and Other Software Skills:* SPSS Statistical Analysis Software, SAS, HLM, Mplus, G\*Power, Qualtrics, Microsoft Office Suite.

### **PROFESSIONAL DEVELOPMENTAL ACTIVITIES**

- Ad hoc Journal Review
  - *Journal of Family Psychology* (May 2016)
  - *Journal of Social and Personal Relationships* (April 2016)
  - *Journal of Clinical Psychology in Medical Settings* (November 2015)
- Workshops Attended
  - Multilevel Structural Equation Modeling (May 2017)
  - Data Cleaning Workshop: How to Prepare your Data Prior to Analysis (April 2016)
  - Mplus Tutorial Workshop (November 2014)

### **PROFESSIONAL MEMBERSHIPS**

- National Prevention Network
- Connecticut Statewide Epidemiological Outcomes Workgroup (SEOW)
- Connecticut Suicide Advisory Board (CTSAB)
  - Data to Action Committee
- American Psychological Association (APA)
  - Division 7 Developmental Psychology
- Association for Psychological Science (APS)
- Old Dominion University
  - Applied Experimental Psychology Student Association (AEPISA) (2014-2019)

### **PUBLICATIONS IN SCIENTIFIC JOURNALS**

- Long, M. M., Cramer, R.J., **Jenkins, J. K.**, Bennington, L., Paulson, J. F. (2019). A systematic review of interventions for healthcare professionals to improve screening and referral for perinatal mood and anxiety disorders. *Archives of Women's Mental Health*, 22, 25-36. <https://doi.org/10.1007/s00737-018-0876-4>
- Kelley, M. L., Bravo, A. J., Hamrick, H. C., Braitman, A. L., White, T. D., & **Jenkins, J. K.** (2017). ## **TEACHING EXPERIENCE**

- *University of Rhode Island*
  - PSY200, Quantitative Methods in Psychology
    - Instructor of Record (2 sections), Fall 2024, Spring 2025
  - PSY301, Research Methods and Design in Behavioral Science
    - Instructor of Record, Fall 2024, Spring 2025
  - PSY488, Undergraduate Teaching Experiences in Psychology
    - Instructor of Record, Fall 2024
- *Old Dominion University*
  - Graduate-level Regression and Correlational Design
    - Teaching Assistant, Spring 2018
  - Quantitative Methods
    - Instructor of Record, Fall 2017
    - Instructor of Record, Spring 2017
    - Instructor of Record, Fall 2016
    - Teaching Assistant, Fall 2018
    - Teaching Assistant, Fall 2013
  - Research Methods in Psychology
    - Teaching Assistant, Spring 2016
    - Teaching Assistant, Fall 2015
    - Teaching Assistant, Spring 2015
    - Teaching Assistant, Fall 2014

- Cognitive Psychology
  - Teaching Assistant, Fall 2013

### **HONORS & AWARDS**

- Psi Chi, National Honor Society in Psychology
- Gamma Beta Phi: A National Honor Society
- Hope Scholarship (2007 – 2011)

### **RELEVANT COURSEWORK**

- Introduction to Data Handling
- Analysis of Variance (ANOVA)
- Regression and Correlational Design
- Psychometric Theory
- Hierarchical Linear Modeling (HLM)
- Structural Equation Modeling (SEM)
- Research Fundamentals
- Quasi-experimental Design
- Small-N Experimental Design
- Program Evaluation
- Grant and Manuscript Writing
- Developmental Psychology
- Health Psychology
- Developmental Psychopathology
- Cognitive Psychology
- Teaching Psychology
