EDUCATION

- | | | |
|------|-----|---|
| 1993 | PhD | Rutgers, The State University of New Jersey, New Brunswick, NJ
Program: Clinical Psychology. Clinical Track: Behavioral Medicine |
| 1990 | | Brown University Psychology Internship Consortium, Providence, RI
Clinical Internship Specialty Area: Behavioral Medicine |
| 1988 | MS | Rutgers, The State University of New Jersey, New Brunswick, NJ
Program: Clinical Psychology |
| 1984 | BS | University of Illinois, Champaign-Urbana, IL
Major: Psychology, Magna Cum Laude, Honors and Distinction |

CURRENT APPOINTMENTS

Professor, Department of Psychology, URI, Kingston, RI, 2014-present
Director, Master's in Science in Mental and Behavioral Health Counseling, URI, Kingston 2025-
Department Chair, Psychology, University of Rhode Island, Kingston, RI, 2016-2025

ADDITIONAL PROFESSIONAL EXPERIENCE

Research Faculty, Cancer Prevention Research Center, University of Rhode Island, Kingston, RI, 1998 – 2019.
Director of Training in Clinical Psychology, Department of Psychology, University of Rhode Island, Kingston, RI, 2014-2016
Associate Professor, Department of Psychology, University of Rhode Island, 2009 - 2014
Assistant Professor, Department of Psychology, University of Rhode Island, 2004 - 2009.
Associate Research Professor, Cancer Prevention Research Center, University of Rhode Island, Kingston, RI, 2003 – 2004.
Assistant Research Professor, Cancer Prevention Research Center, University of Rhode Island, Kingston, RI, 1998 – 2003.

Adjunct Assistant Professor, Department of Psychology, University of Rhode Island, Kingston, RI, 1998 – 2003.

Postdoctoral Research Fellow, Cancer Prevention Research Center, University of Rhode Island, Kingston, RI, 1996 - 1998.

Postdoctoral Clinical Fellow, Division of Preventive & Behavioral Medicine, University of Massachusetts Medical Center, Worcester, MA, 1994 – 1996.

Postdoctoral Fellow, Post-Traumatic Stress Disorder Clinic, Brown University - Veterans Administration Medical Center, Providence, RI, 1993 – 1994.

Grant Coordinator, Post-Traumatic Stress Disorder Clinic, Brown University - Veterans Administration Medical Center, Providence, RI, 1991 – 1994.

PROFESSIONAL LICENSE

Licensed for professional practice in psychology in Rhode Island, # PS00531, 1994 - present.

AREAS OF RESEARCH INTEREST AND SPECIALIZATION

Health Promotion and Disease Prevention; Models of Health Behavior Change; Tailoring Health Communication Messages; Computer Tailored Interventions; Organ Donation and Transplantation; Blood Donation, Healthcare Decision-Making; Health Disparities; Advance Care Planning; Medical Regimen Adherence; Interpersonal Determinants of Health Behavior Change.

AREAS OF CLINICAL INTERESTS AND SPECIALIZATION

Health Psychology; Behavioral Medicine; Adjustment and Coping with Chronic Illness; Stress Management; Motivational Interviewing; Public Health Interventions & Expert Systems Technology; Post-traumatic Stress Disorder; Interprofessional Education.

HONORS AND AWARDS

Society of Behavioral Medicine, Citation Abstract Award, 2002.

American Lung Association of RI, Program Volunteer Award, 1995.

Phi Beta Kappa, University of Illinois, 1984.

Janet Tritsch Memorial Award for Excellence in Undergraduate Research in Psychology, 1984.

Honors and Distinction in Psychology, Magna Cum Laude, University of Illinois, 1984.

Golden Key Honor Society, 1983.

PROFESSIONAL MEMBERSHIPS

American Psychological Association, 1994-
Division 38 - Health Psychology

American Psychological Society, 2003-

Association for Behavioral and Cognitive Therapy, 1990-

The Society of Behavioral Medicine, 1989-

Rhode Island Psychological Association, 2014-

INVITED EXPERT PANELS AND COMMITTEES

Steering Committee Member, American Society of Transplantation and Division of Transplantation, Health Resources and Services Administration. Working Group in Organ Donation Intervention and Methodology, 2007-2008

Advisory Committee Member, American Medical Association, Health Resources and Services Administration. National focus group study on physician participation in the organ donation process, 2001 – 2002.

Workshop Panelist, *Roles and Training for the Donation Process: Developing A Resource Guide*. Department of Health and Human Services, Health Resources and Services Administration, Health Care Financing Administration, Baltimore, MD, 1999.

Workshop Panelist, Training Conference on new applications of the Transtheoretical Model, *The Transtheoretical Approach to Research and Grant Development*, West Greenwich, RI, 1999.

Workshop Discussant, *Best practices in approaching families for consent for cadaveric organ donation*. South Eastern Organ Procurement Foundation (SEOPF) Tri-Annual Meeting, San Antonio, TX, 1997.

Committee Member, Agency for Health Care Policy and Research, Expert Meeting on Increasing Organ Donation, Baltimore, MD, 1997.

AD HOC REVIEWER: Funding Agencies

Chair of Grant Review, Department of Defense, Congressionally Directed Medical Research Program, Spring 2017, 2018 (February), 2018 (December), 2019 (December), 2024 (December).

Ad Hoc Reviewer, Health Resources and Services Administration, Behavioral Health Workforce Education and Training (BHWET) program, 2017

Special Grants Review Committee, Health Resources and Services Administration, Division of Transplantation, Washington, DC, 2002, 2005, 2007, 2010, 2012, 2016, 2017, 2018.

Ad Hoc Reviewer, Department of Defense, Congressionally Directed Medical Research Programs, Reconstructive Transplant Research Award, Spring 2016

Review committee, Health Resources and Services Administration, *Graduate Psychology Education (GPE) Program*, Spring 2013

Ad Hoc Reviewer, Societal and Ethical Issues in Research (SEIR) Study Section, National Institutes of Health, Washington, DC, Spring 2012

Review Committee, Centers of Excellence in Health Disparities, American Recovery and Reinvestment Act (ARRA), National Center for Minority Health and Health Disparities, 2010.

Challenge Grants Reviewer, American Recovery and Reinvestment Act (ARRA), National Institutes of Health, 2009.

Special Grants Review Committee, Health Resources and Services Administration, Division of Transplantation, Washington, DC, September 2004. *Media-Based Grassroots Efforts to Increase Minority Solid Organ Donation.*

AD HOC REVIEWER: Professional Societies

American Psychological Association
Division 38 Health Psychology, 1989
Society of Behavioral Medicine, 2004, 2006, 2007

GRANTS SUBMITTED FOR REVIEW OR IN DEVELOPMENT

Co-Investigator, PI on Subcontract, *Development and feasibility of a web-based tailored intervention for adults who stutter.* (submitted June 21, 2021). NIDCD ECR R21. Principal Investigator: Naomi Rodgers, University of Nebraska-Lincoln. Total requested: \$585,807. Subcontract Request: \$67,189.

FUNDED GRANTS AND CONTRACTS

Co-investigator, *Developing Simulations and Training to Enhance Motivational Interviewing Skills in Behavioral and Primary Health Care among Nurses.* (7/1/19-6/30/21). Executive Office of Health and Human Services, RI. PI: Alison Tovar, URI. Total Award: \$200,000.

Co-Investigator, *Enhancing Engagement in Advance Care Planning: A Public Health Approach.* (2016-2020). NINR, R01: NR016007 Principal Investigator: Terri R. Fried, Yale University. Total Awarded: \$2,185,029. Subcontract Award: \$559,504.

Principal Investigator, *Accelerated Bachelors to Master's Degree in Mental and Behavioral Health Counseling* (2018-2019). RI IHE EOHHS (State of RI Workforce Development). Total Award: \$61,538.

Co-Investigator, PI on Subcontract, *Applying the Transtheoretical Model of Behavior Change to Stuttering Management Among Adolescents*. (2014-2016). American Speech-Language-Hearing Foundation. Principal Investigator: Patricia Zebrowski, University of Iowa. Awarded: \$75,000. Subcontract Award: \$35,000.

Mentor – Co-Investigator, *Piloting an Intervention to Provide Tailored Feedback on Health Behaviors to Adolescents in Pediatric Primary Care*. URI Enhancement of Graduate Research Award (EGRA). (2013-2014). Student Investigator: Amy Signore. Awarded: \$1000.

Co-Investigator, PI on Subcontract, *A Computer Tailored Education Intervention to Increase Pursuit of Living Kidney Donation by African Americans*. (2011-2017). National Center on Minority Health and Health Disparities & National Institute of Diabetes and Digestive and Kidney diseases, 1R01DK088711-01A1. PI: Amy Waterman, UCLA Medical Center. Total Award: \$2,837,617. Subcontract Award: \$969,639.

Mentor – Co-Investigator, *Evaluating the Feasibility of iHelp Panic, An iPhone Application for Panic Attack Symptom Tracking and Exposure Activities to Enhance Panic Disorder Treatment*. URI Enhancement of Graduate Research Award (EGRA). (2012-2013). Student Investigator: Nicole Amoyal. Awarded: \$1000.

Co-Investigator, URI subcontract to Yale University, *Promoting Behavior Change to Increase Engagement in Advance Care Planning*, (2011-2013). National Institute of Aging, R21 AG037791. PI – Fried, Yale University. Award: \$372,302. Subcontract Award: \$189,237.

Mentor – Co-Investigator, *iHelp Panic: An iPhone Application for Panic Attack Symptom Tracking and Exposure Activities to Enhance Panic Disorder Treatment*. URI Enhancement of Graduate Research Award (EGRA). (2011-2012). Student Investigator: Nicole Amoyal. Awarded: \$1000.

Principal Investigator, *Feasibility of Expert System to Promote African American Blood Donation for SCD (Sickle Cell Disease)* (2009-2011). National Heart Lung and Blood Institute, 5R21HL92390-2. Awarded: \$434,188.

Co-Investigator, *Treatment Goals at the End of Life*. (2006-2009). National Institute of Aging. Awarded: \$1,533,812. Principal Investigator: Terri R. Fried.

Co-Investigator, *Maintenance in Multiple Behaviors with Emphasis on Aging*. (2006-2010). National Institute of Aging, R01 AG024490. Awarded: \$738,000. Principal Investigator: James O. Prochaska.

Principal Investigator, *Community and Tailored Expert System Interventions to Increase Organ Donation Intent Among African Americans*. (2004-2007). Awarded: \$ 1,078,385. Health Resources and Services Administration, Division of Transplantation.

Principal Investigator, *Individual and Campus-Wide Interventions to Increase Donation Intentions Among African American College Students* (2001-2004). Health Resources and Services Administration, Division of Transplantation #1H39OT00077. Awarded: \$1,266,346. Co-PI's: Burton Mattice, Eugene Knott.

Co-Investigator, *Evaluating Multiple Cancer Risk Behavior Interventions Among Parents* (2001-2002). Centers for Disease Control, CDC # 120146: Awarded: \$856,672. Principal Investigator: Colleen A. Redding.

Co-Investigator, *School Computer Programs for Teens for Six Cancer Risks*. (2000-2005). National Cancer Institute, R01 CA85999. Awarded: \$2,776,229. Principal Investigator: James O. Prochaska.

Principal Investigator, *Stage Based Curriculum Training for Procurement Coordinators to Increase Family Consent for Organ and Tissue Donation*, (1999-2002). Health Resources and Services Administration, Division of Transplantation # H39OT00030. Awarded: \$1,212,883. Co-PI: Thomas Peters.

Principal Investigator, URI Subcontract to Louisiana Organ Procurement Agency. *Enhancing Donor Registry Strategies to Increase Donation* (1998-2003). National Institute of Allergy and Infectious Disease, R18 AI33449. Awarded: \$267,790. Total grant award: \$1,209,407. Principal Investigator: Louise Jacobbi.

Principal Investigator, *A Campus-Wide Intervention to Increase Donation Intentions Among College Students* (2001-2002). Health Resources and Services Administration, Division of Transplantation, 1H39OT00131. Awarded: \$223,877.

Principal Investigator, URI Subcontract to American College Health Association. *Increasing Organ and Tissue Donor Awareness on College Campuses* (1998-2000). Health Resources and Services Administration, Division of Transplantation, Contract # HAB-A68555. (PI on subcontract). Awarded: \$97,228. Total contract award: \$180,000. Principal Investigator: E. Victor Leino.

Principal Investigator, *Stage-Based Training Curriculum to Increase Family Consent Organ Donation: Pilot Testing and Evaluation* (1998-2000). Health Resources and Services Administration, Division of Transplantation, Contract # 99-630(P). Awarded: \$75,920.

Principal Investigator, *Stage-Matched Assessment Instrument and Tailored Interventions to Increase Family Consent Rates for Cadaveric Organ Donation* (1996-1998). South-Eastern Organ Procurement Foundation. Awarded: \$181,198.

Research Associate, *Rapid Early Action in Coronary Treatment (REACT): A Multicenter Trial* (1993-1998). National Heart Lung and Blood Institute, Cooperative Agreements U01-HL-53141, U01-HL-53412, U01-HL-53149, U01-HL-53155, U01-HL-53211. Awarded: \$17,400,000. Principal Investigator: Russell Luepker.

Grant Coordinator, Family and Implosion Therapy Treatments for Combat-Related Post-Traumatic Stress Disorder (1991-1994). VAMC Research Council Grants. Awarded: \$548,000. Principal Investigator: James Curran.

RESEARCH CONSULTING

Developing "Stages of Change" measures to assess readiness to manage stuttering among adults who stutter. (2020-2021). UNL Office of Research and Economic Development, Faculty Seed Grant; Award Amount: \$10,000. PI: Naomi Rodgers

Enhancing Living Donor Kidney Transplant Education: A Randomized Trial of Transplant Center-Based Interventions. (2009-2012). Agency: Department of Health and Human Services, Health Resources and Services Administration, Amount: \$895,352. PI: Francis Weng.

Improving Kidney Transplant Education to Increase Living Donation Rates. (2009-2011). Agency: Washington University Institute of Clinical and Translational Sciences, Amount: \$199,000. Principal Investigator: Amy Waterman.

Training Dialysis Providers to Promote Living Donation: A Four-State Explore Transplant Intervention. (2008-2011). Agency: Department of Health and Human Services, Health Resources and Services Administration, Amount: \$902,743. Principal Investigator: Amy Waterman.

Increasing Living Donation in Transplant-Eligible Dialysis Patients. (2005-2008). Agency: Department of Health and Human Services, Health Resources and Services Administration, Amount: \$899,663. Principal Investigator: Amy Waterman.

Development of Psychosocial Interventions to Improve Outcomes of Liver Transplantation. (2005-2007). Health Science Center at Houston Medical School. Principal Investigator: Mary Marden Velasquez.

Transtheoretical Model Measure and Intervention Development. *The Transtheoretical Model and Advance Directives* (2003 – 2005). National Institute for Nursing Research. Awarded: \$300,000. Principal Investigator: Mary Anne Jezewski.

Development of assessments and interventions for healthcare plan decision-making. (2000 – 2001). Health Care Financing Administration. Contract #'s HCF-01-I-0057-007-0014 and 500-97-0040 to Pro-Change Behavior Systems. Awarded: \$359,249. Principal Investigator: Deborah Levesque.

Development and evaluation of expert system intervention for stress management. A Stress Management Expert System for Cancer Prevention (1999 – 2001). National Cancer Institute (SBIR). Pro-Change Behavior Systems. Awarded: \$803,698. Principal Investigator: Kerry Evers.

Development of educational interventions for health professionals. Rapid Early Action for Coronary Treatment (REACT) (1996 – 1997). National Heart Lung and Blood Institute,

Cooperative Agreements U01-HL-53141, U01-HL-53412, U01-HL-53149, U01-HL-53155, U01-HL-53211. Awarded: \$17,400,000. Principal Investigator: Russell Luepker.

Robbins, M.L., Francione, C., Johnson, J., Steever, M., Hall, K., Paiva, A., Knott, J.E. (2002). *Capture Life: An expert computer system for tailored interventions to increase organ and tissue donation*. Kingston, RI: HBCU Project Intervention Workgroup.

MANUALS, CURRICULA, BROCHURES & VIDEOS

Robbins, M.L., Krebs, P., Burditt, C., Oatley, K., & Hall, K., (2006). *Capture Life: Intervention to increase exercise and physical activity (full-color brochures-tailored to African American adults)*. Kingston, RI: Community Organ Donation Intervention Workgroup.

Robbins, M.L., Hall, K., Krebs, P., Oatley, K., Knott, J.E., Harris, L.H., (2005). *Capture life: Changing the Face of Organ and Tissue Donation (full-color brochures-tailored to African American adults)*. Kingston, RI: Community Organ Donation Intervention Workgroup.

Robbins, M.L., Steever, M., Francione, C., Paiva, A., Washington, D., Knott, J.E., Harris, L.H., Hall, K., & RL Williams Co. (2002). *Capture life: Changing the Face of Organ and Tissue Donation (full-color brochures-tailored to African American college students)*. Kingston, RI: HBCU Project Intervention Workgroup.

Redding, C.A., Prochaska, J.O., Greene, G.W., Rossi, S.R., Rossi, J.S., Meier, K., & **Robbins, M.** (2002). *Pathways to Health (Family-Tailored)*. Kingston, RI: Parent Project Intervention Workgroup.

Redding, C.A., Prochaska, J.O., Riebe, D., Blissmer, B., Fava, J., **Robbins, M.**, & Laforge, R. (2002). *Pathways to Health (Exercise, Stress, Alcohol)*. Kingston, RI: Parent Project Intervention Workgroup.

Robbins, M.L., Knott, J.E., Jordan, P., Eaker, M., Redding, C.A. (2000). *Passages to Change (training video)*. Kingston, RI: Passages to Change Project Workgroup.

Robbins, M.L., Killgallen, C.E., Jordan, P.J., Knott, J.E., & Redding, C.A. (1999). *Passages to change: A guide for organ procurement coordinators*. Kingston, RI: Passages to Change Project Workgroup.

Robbins, M.L., Jordan, P., Jacobbi, L., & Keating Magee Associates. (1999). *Legacy Campaign*. Television, radio, and newsprint campaign for Louisiana Organ and Tissue Donor Registry.

Robbins, M.L. (Co-Editor, 1997). *Pathways to change: A self-help manual for all smokers*.

CONFERENCE PRESENTATIONS

* Denotes Student Author, ☉ Denotes Senior Author

1. Lindsey, M., Tamlyn, A., Slowik, S., Monahan, M.A., Opiela (Sacco), A., & **Robbins, M.L.** ☉ (2025). A qualitative exploration of the transtheoretical model of change for effective migraine self-management. Poster presentation at the 46th Annual meeting of the Society of Behavioral Medicine, San Francisco, CA.
2. Reyes, C.* , Yang, M., Strübel, J., & **Robbins, M.L.** ☉ (2025). Development of a Measure of COVID-19 Related Compassion Fatigue in the General Population. Poster presentation at the 2025 annual meeting of the American Psychological Association, Los Angeles, CA.
3. Opiela (Sacco), A.N.* , **Robbins, M.L.**, Paiva, A., Rusnock, A., Tamlyn, A.* , Medeiros, K.* , Monahan, K.* , & Lindsey, H.* (2024). Measurement Invariance of Transtheoretical Model-Based Measures for COVID-19 Vaccination Readiness. Poster presented at the 2024 APS Global Psychological Science Summit, Virtual convention.
4. Reyes, C.* , Monahan, K.* , Lindsey, H.* , Sacco, A.* , George, S.* , Medieros, K.* , **Robbins, M.** ☉ (2024, August 8-10). A Qualitative Study of COVID-19 Compassion Fatigue in the US General Population, 2024 APA Convention, Seattle, WA.
5. Fenn, N., Reyes, C., Monahan, K., & **Robbins, M.** ☉ (April 2023). More civic engagement, more problems? Examining readiness for civic engagement among young adults with no college education. 44th Annual Meeting of the Society of Behavioral Medicine, Phoenix, AZ.
6. Sacco, A., **Robbins, M.**, Paiva, A., & Rusnock, A. (2022, November 6-9). COVID-19 vaccination: Applications of the TTM with consideration for myths and barriers [Abstract oral presentation], Presentation at APHA 2022 Convention, Boston, MA,
7. Reyes, C., Shulz, C., Cao, W., **Robbins, M.**, Yang, M., Stamates, A. (2022, April 6-9). "Willingness and attitudes towards COVID-19 vaccinations among university students", 43rd Annual Meeting & Scientific Sessions of the Society of Behavioral Medicine.
8. Shuster, C.L., Tate, M.C., Schulz, C.T., Reyes, C.T., Drohan, M.M., Astorini, A.G., Stamates, A.L., **Robbins, M.L.**, & Yang, M. (2021, November). *Perceived stress and coping among university students amidst COVID-19 pandemic*. Virtual poster presented at annual Society for the Study of Emerging Adulthood conference.
9. Fenn, N.* , Al Sanea, A.* , McClean, E.* , & **Robbins, M.** ☉ (2021, August). *Investigating Civic Engagement and Well-Being Among Non-Collegiate Young Adults*. [Paper presentation]. Society for the Psychological Study of Social Issues annual conference.
10. Al Sanea*, A., Fenn*, N., & **Robbins, M.** ☉ (2021, August). *The impact of Covid-19 on young adult civic engagement*. [Poster session]. Society for the Psychological Study of Social Issues annual conference.

11. Gori, E.* , Reyes, C.* , & **Robbins, M.** (2021, August). The association between pain attitudes and endorsement of medically or behaviorally based treatments. Presentation at the American Psychological Association annual conference. (virtual convention).
12. Reyes, C., Gori, E., Sacco, S., & **Robbins, M.** (2021, October). A vignette study examining endorsement of pain treatment among undergraduate Pharmacy and Psychology majors. American Public Health Association Annual Meeting and Expo. (virtual convention).
13. Reyes, C.* , Gori, E.* , Sacco, A.* , Fenn, N.* , Mushkat, Z.* , **Robbins, M.** (2021, August). *Attitudes toward chronic pain and its treatment among students in healthcare-related majors.* [Poster presentation]. American Psychological Association annual conference (virtual convention).
14. Reyes, C.* , Fenn, N.* , Mushkat, Z.* , Vandiver, M.* , **Robbins, M.**, Greene, G., Hulme, J., & Dupre, A., (2020, June). *Assessing Team Dynamics and Group Leadership in an Interprofessional Education Program.* Society of Qualitative Inquiry in Psychology 2020 Annual Conference, Cambridge, Massachusetts, United States. (Conference Cancelled)
15. Fenn, N.* , **Robbins, M.L.**, & Pearson-Merkowitz, S. (2020). *Civic engagement and mental health outcomes in young adults.* Annual conference of the Society for the Psychological Study of Social Issues. Denver, CO. (Conference Cancelled)
16. Fenn, N.* , Reyes, C.* , Monahan, K.* , & **Robbins, M.L.** (2020). *Examining readiness for community service among young adults.* Annual conference of the Society for the Psychological Study of Social Issues. Denver, CO. (Conference Cancelled)
17. Fenn, N.* , & **Robbins, M.L.** (2020, August). Civic engagement and well-being: Does typology matter? Annual Convention of the American Psychological Association. Online conference.
18. Waterman, A.D., Cui, Y., Beaumont, J.L., Peipert, J.D., Paiva, A., & **Robbins, M.L.** (2020). *Your Path to Transplant Tailored Education Increases Living Donation Transplant Actions and Wait-Listing Rates: Final Randomized Controlled Trial Findings.* American Transplant Congress, Philadelphia, PA. *=Senior Author
19. Fenn, N.* , **Robbins, M.L.**, Harlow, L., Pearson-Merkowitz, S. (2019, March). *Civic Engagement's Role in Well-being: Examining a Mediation Model Across Two Samples.* Poster accepted for presentation at the 40th Annual Meeting & Scientific Sessions of the Society of Behavioral Medicine, Washington, DC.
20. Mushkat, Z., **Robbins, M.**, Paiva, A., Peipert, J., & Waterman, A. (2019, March). *Utility of the kidney transplant derail index in a transtheoretical model of decision-making to pursue living donor kidney transplant.* Poster accepted for presentation at the Society of Behavioral Medicine 2019 Conference, Washington, DC.
21. Waterman, A.D., Cui, Y., Peipert, J.D., Beaumont, J.L., Anderson, C.A., Paiva, A.L., **Robbins, M.L.** (2019). *Individually Tailored Education Increases Patients' Knowledge, Attitudes, and*

Pursuit of Living Donor Kidney Transplant. Submitted for presentation at the American Transplant Congress (ATC), Boston, MA. ☎=Senior Author

22. Peipert JD, Beaumont JL, **Robbins ML**, Paiva A, Anderson C, Waterman AD. (2018). *Development and Validation of a Socioeconomic Kidney Transplant Derailers Index (KTDI)*. Presentation at the American Transplant Congress (ATC), Seattle, WA.
23. Peipert JD, **Robbins ML**, Paiva A, Anderson C, Beaumont JL, Waterman AD. (2018). *Development and Validation of a Socioeconomic Kidney Transplant Derailers Index (KTDI)*. Presentation at the 27th International Congress of the Transplantation Society (TTS), Madrid, Spain.
24. Beaumont JL, Peipert JD, Anderson CS, Paiva AL, **Robbins ML**, Waterman AD. (2018). *Modifiable Causes of Racial Disparities in Living Donor Kidney Transplant*. Submitted for presentation at the American Transplant Congress (ATC), Seattle, WA.
25. Fenn, N., Vandiver, M., Mushkat, Z., Murray, A.N., **Robbins, M.**, Estus, E., Greene, G., Cloud, M., & Hulme, J. (2018). *Collaboration or Coexistence? Evaluating Team Effectiveness in an Interprofessional Training Program*. Poster presented at the Rhode Island Interprofessional Education & Practice Symposium, Providence, RI.
26. Fenn, N., Mushkat, Z., Nobel Murray, A., **Robbins, M.**, Estus, E., Greene, G., Cloud, M., Hulme, J. (2018). *Reaching Across the Health Discipline Divide: Assessing Student Outcomes from an Interprofessional Training Program*. Paper submitted for presentation at the 39th Annual Meeting & Scientific Sessions of the Society of Behavioral Medicine, New Orleans, LA.
27. Rodgers, N., Zebrowski, P.M., **Robbins, M.L.**, & Paiva, A. (2017). *Development of Measures to assess change readiness among adolescents who stutter*. Paper presentation at the 11th annual Oxford Dysfluency Conference, Oxford, UK.
28. Fenn, N., Mushkat, Z., Ashley, K., Murray, A., Tapscott, B., **Robbins, M.**, & Waterman, A. (2017). *Coaching the coaches: Assessing surveyor competencies to deliver a telephonic intervention*. Poster presentation at the 29th annual meeting of the Association of Psychological Science, Boston, MA.
29. Murray, A.N., **Robbins, M.L.**, Paiva, A. (2017). *Factorial invariance of decisional balance and self-efficacy measures for blood donation intentions among black adults*. Poster presentation at the 38th annual meeting of the Society of Behavioral Medicine, San Diego, CA.
30. Mushkat, Z., Tapscott, B., Murray, A., Ashley, K., Paiva, A., Amerson, C.K., **Robbins, M.**, & Waterman, A. (2017). *Assessing Fidelity for a Computer Tailored Intervention with Telephonic Coaching for Decision-Making in Kidney Transplant*. Poster presentation at the 38th annual meeting of the Society of Behavioral Medicine, San Diego, CA.

31. Hertsberg, N., Zebrowski, P.M., **Robbins, M.L.**, & Paiva, A. (2016). *Situational Self-efficacy and Change Readiness in Adolescents Who Stutter*. Poster presented at the annual meeting of the American Speech-Language-Hearing Association, Philadelphia, PA.
32. Zebrowski, P.M., Hertsberg, N., **Robbins, M.L.**, & Paiva, A. (2016). *Decisional Balance and Change Readiness in Adolescents Who Stutter*. Poster presented at the annual meeting of the American Speech-Language-Hearing Association, Philadelphia, PA.
33. Waterman, A., Peipert, J., Kynard-Amerson, C., McSorley, A.-M., Paiva, A., **Robbins, M.**, & Peace, L. (2015, May 2nd). *Controlling for Socioeconomic Barriers Reduces Racial Disparities in Transplant Pursuit*. Poster presented at the American Transplant Congress, Philadelphia, PA.
34. Waterman, A., Peipert, J., Brann, S., Kynard-Amerson, C., **Robbins, M.**, Paiva, A., & Gaber, A. O. (2015, May 2nd). *Educating the Less Prepared: Transplant Knowledge and Decision-Making Differences by Race at Onset of Evaluation*. Poster presented at the American Transplant Congress, Philadelphia, PA.
35. Waterman, A.D., Peipert, J.D., Goalby, C., Davis, L., Schenk, E., Baldwin, K., **Robbins, M.L.**, Paiva, A., & Kynard-Amerson, C. (2014). *Your Path to Transplant: A Cultural Competency Study of a Tailored Computer Education Program to Reduce Disparities in Living Donor Kidney Transplant*. UCLA Medical Center Research Conference, Los Angeles, CA
36. Brick, L.A.D, Sorensen, D., **Robbins, M.L.**, Paiva, A., McSorley, A., Peipert, J., & Waterman, A. (2014). *Factorial invariance of decisional balance and self-efficacy measures to understand kidney patient decision making for pursuing living donor kidney transplant*. 35th Annual meeting of the Society of Behavioral Medicine, Philadelphia, PA.
37. Gökbayrak, N. S., Lipschitz, J., Yusufov, M., Paiva, A., Redding, C., Evers, K., Velicer, W. F., Rossi, J., **Robbins, M.L.**, Prochaska, J. O. (2013, Nov.). *Transtheoretical constructs for effective stress management: An 18-month comparison of a large sample of successful changers, non-changers, and relapsers*. The 47th Annual Convention of the Association for Behavioral and Cognitive Therapies, Nashville, TN.
38. Signore, A., Keissling, L., Corcoran, C., & **Robbins, M.** (2013). *How common are mental health diagnoses in pediatric primary care? a pilot study using electronic medical records*. Paper presented at the annual meeting of the American Public Health Association, Boston, MA.
39. **Robbins, M.L.**, Paiva, A.L., Davis, L., Hyland, S.S., Brick, L., Peipert, J., Schenk, E.A., Amoyal, N.R., Baldwin, K.A., & Waterman, A.D. (2013). *Measuring Kidney Patients' Motivation to Pursue Living Donor Kidney Transplant: Development of Stage of Change, Decisional Balance and Self-Efficacy Measures*. Presentation at the 13th annual meeting of the American Transplant Congress, Seattle, WA.
40. Brick, L.A., **Robbins, M.L.**, Paiva, A., Amoyal, N., & Kessler, D. (2012). *Modeling the Roles of Mistrust, Myths, and Knowledge with Blood Donation Behavior*. Presentation at the 24th annual convention of the American Psychological Society, Chicago, IL.

41. **Robbins, M.L.**, Paiva, A., Amoyal, N., Kessler, D., Burditt, C., Caltabiano, M., Vine, K. (2012). *A Culturally Tailored Internet-Delivered Expert System Intervention to Promote Blood Donation Behavior in Blacks: Findings from a Pilot Test*. Presentation accepted for the 33rd Annual Meeting of the Society for Behavioral Medicine, New Orleans, LA.
42. Lipschitz, JM, Redding, CA, Paiva, AL, **Robbins, ML**, Rossi, JS, Prochaska, JO. (2012). *Co-occurrence of Stress Management with Other Health Risk Behaviors in a Parent Sample: Is stress management a gateway behavior?* Presentation accepted for the 33rd Annual Meeting of the Society for Behavioral Medicine, New Orleans, LA.
43. **Robbins, M.**, Amoyal, N., Burditt, C., Paiva, A., & Kessler, D. (2011). *Blood Donation Knowledge and Behavior in an African American Sample*. Presentation at the 32nd Annual Meeting of the Society for Behavioral Medicine, Washington, D.C.
44. Amoyal, N., Paiva, A., Burditt, C., **Robbins, M.**, & Kessler, D. (2011). *Validation of the TTM Processes of Change measure for Blood Donation in an African American Sample*. Presentation at the 32nd Annual Meeting of the Society for Behavioral Medicine, Washington, D.C.
45. Amoyal, N., **Robbins, M.L.**, & Paiva, A. (2011). *Altruism and Elevation: Prosocial Emotional Experience and Prosocial Behavior*. Presentation at the 23rd annual convention of the American Psychological Society, Washington, D.C.
46. **Robbins, M.L.**, Amoyal, N., Paiva, A., Fischer, K., Burditt, C., Blaney, C., & Oatley, K. (2011). *Clusters of Altruism Perceptions: How Much Good Do You See?* Presentation at the 23rd annual convention of the American Psychological Society, Washington, D.C.
47. **Robbins, M.L.**, Amoyal, N., Paiva, A., Fischer, K., Burditt, C., Blaney, C., & Oatley, K. (2011). *Measuring the Perception of Altruism in Prosocial Behaviors*. Presentation at the 23rd annual convention of the American Psychological Society, Washington, D.C.
48. Blaney, C., **Robbins, M.**, Paiva, A., Redding, C., Rossi, J.S., Blissmer, B., Burditt, C., & Oatley, K. (2010). *Validation of the TTM Decisional Balance and Self-Efficacy Measures for Exercise in an Adult African American Sample*. Presentation at the 31st Annual Meeting and Scientific Sessions of the Society of Behavioral Medicine, Seattle, WA.
49. Blaney, C., **Robbins, M.**, Paiva, A., Redding, C., Rossi, J.S., Blissmer, B., Burditt, C., & Oatley, K. (2010). *Validation of the TTM Processes of Change Measure for Exercise in an Adult African American Sample*. Presentation at the 31st Annual Meeting and Scientific Sessions of the Society of Behavioral Medicine, Seattle, WA.
50. Waterman, A.D., Deych, E., Hyland, S.S., Paiva, A.L., **Robbins, M.L.** (2009). *Living Donation Willingness Explained: Find a Volunteer, Don't Ask*. Presentation at the 9th Annual Meeting of the American Transplant Congress, Boston, MA.
51. Burditt, C., **Robbins, M.**, Paiva, A., Creeden, C., Koblin, B., & Kessler, D. (2009). *Development of a Blood Donation Myths Scale in an African American Sample*. Presentation

at the 30th Annual Meeting and Scientific Sessions of the Society of Behavioral Medicine, Montreal, Canada.

52. Burditt, C., **Robbins, M.**, Paiva, A., Velicer, W., Koblin, B., & Kessler, D. (2009). *Development of a Decisional Balance Scale for Blood Donation Among African Americans*. Presentation at the 30th Annual Meeting and Scientific Sessions of the Society of Behavioral Medicine, Montreal, Canada.
53. Creeden, C., Redding, C., Paiva, A., Burditt, C., Dimond, E., & **Robbins, M.** (2009). *Stages of Change, Pros, Efficacy, Moderate and Vigorous Physical Activity in an African American Community Sample*. Presentation at the 30th Annual Meeting and Scientific Sessions of the Society of Behavioral Medicine, Montreal, Canada.
54. Velicer, W.F., Prochaska, J.O., Redding, C.A., Rossi, J.S., Greene, G.W., Pavia, A., **Robbins, M.L.**, Blissmer, B. (2008). *Prediction of Smoking Outcome from Subtypes within the Precontemplation Stage of Change*. Presentation at the 29th Annual Meeting and Scientific Sessions of the Society of Behavioral Medicine, San Diego, CA
55. Dye, G., Redding, C.A., Fava, J.L., Rossi, J.S., **Robbins, M.L.**, Meier, K.S., Velicer, W.F., & Prochaska, J.O. (2007). *Validation of decisional balance, self-efficacy, Rhode Island Stress & Coping, and family support measures for stress management in parents*. Presentation at the annual meeting of the Society of Behavioral Medicine, Washington, DC.
56. **Robbins, M.L.**, Paiva, A., Knott, G., & Harris, L., (2007). *The Myths of Organ Donation Scale: Development in an African American Sample*. Presentation at the annual meeting of the Society of Behavioral Medicine, Washington, DC.
57. Burditt, C., **Robbins, M.**, Knott, G., & Peters, T., (2007). *Stage of Change as a Predictor of Family Consent for Deceased Organ Donation*. Presentation at the annual meeting of the Society of Behavioral Medicine, Washington, DC.
58. Sieberg, C., Flannery-Schroeder, E., & **Robbins, M.** (2006). *Health effects of childhood trauma*. Presentation at the annual meeting of the Association for Behavioral and Cognitive Therapies, Chicago, IL.
59. Flannery-Schroeder, E., **Robbins, M.**, Lamb, A., & Sieberg, C. (2006). *Risk Recognition in Young Adults with No-, Single-, and Multiple-Incident Trauma Histories: The Role of Attention and Memory Biases*. Presentation at the annual meeting of the Association for Behavioral and Cognitive Therapies, Chicago, IL.
60. Stephan, C., Rossi, J., Redding, C., Fava, J., **Robbins, M.**, Velicer, W., Meier, K., & Prochaska, J. (2006). *Psychometric assessment the Rhode Island stress and coping inventory and physiological symptoms scale*. Presentation at the annual meeting of the Society of Behavioral Medicine, San Francisco, CA.
61. **Robbins, M.L.**, Knott, J.E., Redding, C.A., Johnson, J., Rossi, J. & Peters, T.G. (2005). *Passages to change: Efficacy of a randomized controlled trial to increase family consent for*

- cadaveric organ donation*. Presentation at the annual meeting of the Society of Behavioral Medicine, Boston, MA.
62. **Robbins, M.L.**, Francione, C., Knott, J.E., Redding, C.A., Paiva, A. & Peters, T.G. (2005). *Predictors of family consent for cadaveric organ donation*. Presentation at the annual meeting of the Society of Behavioral Medicine, Boston, MA.
 63. Fava JL, Redding CA, **Robbins ML**, Rossi JS, Meier KS, Ward RM, Mauriello L, & Prochaska JO. (2002, April). *An instrument to measure processes of change for stress management in adolescents*. Paper presentation at the annual meeting of the Society of Behavioral Medicine, Washington, DC.
 64. Knott, J.E., Eaker, M.A., **Robbins, M.L.** (2002, March). *Proven practices for helping students successfully make health behavior changes*. Presentation at the annual meeting of the American College Personnel Association, Long Beach, CA.
 65. **Robbins M.L.**, Knott JE, Redding CA, Peters TG, & Rohr M. (2002, April). *Does knowing your loved one wanted to be an organ donor affect the decision to consent to cadaveric organ donation?* Presentation at the annual meeting of the Society of Behavioral Medicine in Washington, DC. Citation Paper Award.
 66. **Robbins, M.L.**, Ganikos, M., Leino, E.V., Eaker, M.A, Eastwood, A., Webster, L., Bieterman, C. A. (2002, April). *Stage-based intervention to increase intent for organ donation among college students*. Presentation at the annual meeting of the Society of Behavioral Medicine in Washington, DC.
 67. Mauriello LM, Rossi JS, Fava JL, Redding CA, **Robbins ML**, & Johnson JL. (2002, April). *Stress management among adolescents: development and validation of a brief decisional balance measure*. Paper presentation at the annual meeting of the Society of Behavioral Medicine in Washington, DC.
 68. Knott, J.E., **Robbins, M.L.**, Eaker, M.A., Redding, C.A., Kilgallen, C.E., Rossi, J.S., Peters, T.G., and Rohr, M.S. (2001, April). *Two innovative approaches to increasing organ donation*. Paper presented at the Annual Conference of the Association for Death Education and Counseling, Toronto, Ontario.
 69. **Robbins, M.L.**, Jordan, P.J., Redding, C.A., Kilgallen, C.E., Knott, J.E., Eaker, M.A., Peters, T.G., & Rohr, M.S. (2001, March). *Readiness for organ donation consent in family approaches by organ procurement coordinators*. Presentation at the annual meeting of the Society of Behavioral Medicine in Seattle, WA.
 70. Jacobbi, L.M. & **Robbins, M.L.** (2000, June). *Outcome of an innovative approach to donor consent: A pilot study*. Poster presented at the annual meeting of the International Transplant Society, Rome, Italy.
 71. **Robbins, M.L.**, Levesque, D.A., Redding, C.A., Evans, J.L., Rohr, M., & Peters, T. (2000, March). *A processes of change measure for consent to organ donation*. Paper presented at the annual meeting of the Society of Behavioral Medicine, Nashville, TN.

72. Fava, J.L., **Robbins, M.L.**, Redding, C.A., Norman, G.J., Keller, S., Evers, K.E., & Maddock, J.E. (2000, March). *A comparison of two algorithms for the stages of change for stress management*. Paper presented at the annual meeting of the Society of Behavioral Medicine, Knoxville, TN.
73. **Robbins, M.L.**, Evans, J.L., Kilgallen, C.E., & Jacobbi, L.M. (1999, May). *Distribution of readiness to be an organ donor in a representative sample*. Presentation at the annual meeting of the American Society of Transplantation, Chicago, IL.
74. Jacobbi, L.M. & **Robbins, M.L.** (1999, May). *Evaluation of adult attitudes regarding organ donation: 1991 to 1998*. Paper presented at the annual meeting of the American Society of Transplantation, Chicago, IL.
75. **Robbins, M.L.**, Kilgallen, C.E., Evans, J.L., Redding, C.A., & Knott, E.J. (1999, March). *Stages and decisional balance for becoming an organ donor*. Paper presented at the annual meeting of the Society of Behavioral Medicine, San Diego, CA.
76. **Robbins, M.L.**, Evans, J.L., Kilgallen, C.E., & Jacobbi, L.M. (1999, March). *Stages and decisional balance for organ donation in a representative sample*. Paper presented at the annual meeting of the Society of Behavioral Medicine, San Diego, CA.
77. **Robbins, M.L.**, & Redding, C.A. (1998, April) *Applying the Transtheoretical model of behavior change to increasing organ donation intentions*. Paper presented at Increasing Donation and Transplantation: The challenge of evaluation, Arlington, VA.
78. **Robbins, M.L.**, Levesque, D.A., Prochaska, J.O., & Velicer, W.F. (1998, March). *Stages and decisional balance for consenting to cadaveric organ donation*. Paper presented at the annual meeting of the Society of Behavioral Medicine, New Orleans, LA.
79. **Robbins, M.L.**, Fava, J.L., Norman, G.J., Velicer, W.F., Redding, C.A., & Levesque, D.A. (1998, March). *Stages of change for stress management in three samples*. Paper presented at the annual meeting of the Society of Behavioral Medicine, New Orleans, LA.
80. **Robbins, M.L.**, Levesque, D.A., Prochaska, J.O., & Velicer, W.F. (1998, February). *A decisional balance measure and the stages of change model for family consent to cadaveric organ donation*. Paper presented at the DHHS Conference on Increasing donation and Transplantation: The Challenge of Evaluation. Arlington, VA.
81. **Robbins, M.L.**, Levesque, D.A., Prochaska, J.O., & Velicer, W.F. (1998, February). *Processes of change and the stages of change model for family consent to cadaveric organ donation*. Paper presented at the DHHS Conference on Increasing donation and Transplantation: The Challenge of Evaluation. Arlington, VA.
82. **Robbins, M.L.**, Redding, C.A. (1998, February). *Applying the transtheoretical model of behavior change to increasing organ donation intentions*. Paper presented at the DHHS Conference on Increasing donation and Transplantation: The Challenge of Evaluation. Arlington, VA.

83. **Robbins, M.L.**, Prochaska, J.O., & Redding, C.A. (1998, February). *Stage based intervention to increase consent for cadaveric organ donation: A training curriculum for organ procurement coordinators*. Paper presented at the DHHS Conference on Increasing donation and Transplantation: The Challenge of Evaluation. Arlington, VA.
84. Raczynski, J., Finnegan, J., Meischke, H., Zapka, J., Meshack, A., Bracht, N., Sellers, D., Stone, E., Daya, M., **Robbins, M.**, McAlister, A., & Simons-Morton, D. (1997). REACT intervention design: *A theoretically-based intervention to reduce treatment-seeking delay for acute MI symptoms*. Paper presented at the International Conference on Preventive Cardiology, Montreal, Canada.
85. Zapka, J., Estabrook, B., Gilliland, J., Leviton, L., Melville, S., Meischke, H., Taylor, J., Daya, M., Laing, B., Meshack, A., Reyna, R., **Robbins, M.**, Hand, M., & Finnegan, J. (1997). *Health care providers' views on patient delay for seeking care for heart attack symptoms*. Paper presented at the International Conference on Preventive Cardiology, Montreal, Canada.
86. **Robbins, M. L.**, & Contrada, R. J. (1994). *Hostility, illness cognition, and the process of coping with coronary heart disease*. Paper presented at the annual meeting of the Society of Behavioral Medicine, Boston, MA.
87. Unger, W. S., Donkervoet, J. C., & **Robbins, M. L.** (1992). *An evaluation of troops returning from the Persian Gulf: A one year follow-up*. Paper presented at the annual meeting of the Association for the Advancement of Behavior Therapy, Boston, MA.
88. Contrada, R. J., Lacy, C. R., **Robbins, M. L.**, Tannenbaum, A. K., Moreyra, A. E., Hansen, J., Towner, E. A., & Kostis, J. B. (1990). *Mental stress reduces coronary artery diameter*. Paper presented at the annual meeting of the Society of Behavioral Medicine, Chicago, IL.

TEACHING EXPERIENCE

Undergraduate Courses - Department of Psychology, University of Rhode Island, Kingston, RI

Psy254 Behavior Problems and Personality Disorders – Overview course in psychopathology, diagnosis and classification and treatment for abnormal behavior and mental illness.

Emphasis in this course is on multiculturalism and mental health and critical thinking and writing skills that build student capacity to integrate information from multiple sources and perspectives to understand mental health and illness. Fall 2005 - Present.

Psy254 Honors - Behavior Problems and Personality Disorders – Honors section of overview course in psychopathology, diagnosis and classification and treatment for abnormal behavior and mental illness. Spring 2011-2013.

Psy412 Health Promotion – Theory and practice of health promotion from the individual to the community level. Emphasis on this course is on application of theory to applied individual (e.g., motivational interviewing, TTM), group and community level (e.g., policy, environmental factors) support and maintenance of health behavior change. Spring 2005 – Present.

Psy255, Health Psychology – lecture on treatment seeking & treatment adherence, pain and its management, and cardiovascular disease as a member of a team-taught course. 2004 – 2018.

Psy334 Introduction to Clinical Psychology – Introduction to the training models, activities and professional practice of psychologists with an emphasis on clinical psychology. fall 2006

Graduate Courses - Department of Psychology, University of Rhode Island, Kingston, RI

Psy607, Advanced Psychopathology – graduate course in psychopathology, psychiatric diagnosis and methods required for students in Clinical Ph.D. program, 2001- 2002, 2010 - 2017.

Psy 615, Clinical ProSeminar – Introductory seminar for Clinical Area PhD students to support their integration into the clinical program for both research and clinical training. Topics included review of the clinical program manual, overview of ethics and IRB training, preparation for clinical assessment practicum with interviewing training and introductions to clinical frameworks and assessments, 2014 – 2016.

Psy642 Introduction to Psychotherapy – Skills focused introductory course for first year graduate students in clinical psychology. Primary emphasis on interviewing and listening skills, diagnostic interviewing (structured and unstructured), and motivational interviewing. Center. Fall 2008 - 2010.

Psy672M, Practicum in Clinical Health Psychology –practicum for students in Clinical Psychology program – supervise provision of individual and group clinical interventions for coping with chronic health problems and stress-related conditions. Train students in use of cognitive-behavioral theory and application. 2004 – 2009.

Psy690 Health Psychology – Overview of theory and research in health psychology, behavioral medicine and health promotion. Designed to become a core course in the Health Psychology focus area. Fall 2005.

Psy690L, Clinical Health Psychology Interventions – graduate course on theoretical foundations and applied techniques for clinical health interventions for health promotion and disease prevention, 2003.

University of Massachusetts Medical School, Division of Preventive and Behavioral Medicine, Worcester, MA.

Core Lecture Series - for 3rd year medical students. Contents included behavioral pain management, insomnia, treatment adherence and psychological support for the cancer patients. 1994 - 1996

Rutgers - The State University of New Jersey, New Brunswick, NJ.

Health Psychology, undergraduate course addressing health - behavior relationships; stress, personality, and life-style as disease causes; modifying high-risk behaviors; and coping with serious illness. 1987 – 1989.

Teaching Assistant, Courses included Health Psychology, Abnormal Psychology, Quantitative Methods, Infant and Child Development, and Environmental Psychology. 1984 – 1989.

CURRICULUM DEVELOPMENT

Masters in Mental and Behavioral Health Counseling – as part of a URI university-wide strategic investment initiative, I led a team along with Ellen Flannery Schroeder and Lindsey Anderson in proposing and getting approved a new academic graduate program in Psychology. This program is also a collaboration with the Human Development and Family Sciences department as we will share some classes to leverage existing resources. The new non-thesis Masters in Mental and Behavioral Health Counseling is a career path toward licensure as a mental health service provider (LMHC for Psychology undergraduate and related majors and can address workforce and mental health service delivery needs in RI and the region. This new professional master's program is approved at all university levels and will enroll the first class in Spring 2025 with a summer 2025 start.

CLINICAL SUPERVISORY EXPERIENCE

Health Coaching for Decision-Making in Deceased and Living Donor Kidney Transplant -

Provide training, supervision and evaluate fidelity to treatment protocol of telephone coaches providing coaching to support high quality decision-making for kidney transplant based on the Transtheoretical Model and Motivational Interviewing, 2012- 2017

Psy642 Introduction to Psychotherapy – Provide supervision and review of intake interviews/assessments conducted in the Psychological Counseling conducted by students in the Clinical Psychology PhD program, 2008-10

Psy672M, Practicum in Cognitive Behavior Therapy and Clinical Health Psychology –practicum for students in Clinical Psychology program – supervise provision of individual and group clinical interventions for adolescent and adult clients with depressive and anxiety based symptoms and health promotion, managing stress-related conditions and coping with chronic

health problems. Department of Psychology, University of Rhode Island, Kingston, RI, 2004 - 2010

Psychological Counseling Center (PCC) Clinical case supervision for Clinical Psychology graduate students providing individual therapy to adult clients. Department of Psychology University of Rhode Island, Kingston, RI 1999-2012.

Seminar in Relaxation Therapy. Developed and delivered training seminar in relaxation theory and techniques for graduate students in Department of Psychology, University of Rhode Island, Kingston, RI, 2001

Telephone Counseling - Hiring, training and supervision of counselors for large-scale smoking cessation project with an HMO population. Cancer Prevention Research Center, University of Rhode Island, Kingston, RI, 1997 – 2000.

Behavioral Medicine Consultation-Liaison Service – supervised medical students on 3-month rotation in with Behavioral Medicine Service. Division of Preventive and Behavioral Medicine, University of Massachusetts Medical School, Worcester, MA, 1994 – 1996.

Post-Traumatic Stress Disorder Clinic – trained and supervised URI practicum and Brown psychology interns in cognitive-behavioral and exposure therapy for PTSD and psychophysiological assessment/biofeedback treatment of clinic patients. PTSD Clinic, Brown University - Veterans Administration Medical Center, Providence, RI, 1992 – 1994.

UNDERGRADUATE STUDENT RESEARCH AND THESES

Brown, Samantha. (2016). *Social Stigma Surrounding Mental Illness among College Students*. Research project conducted in partial fulfillment of requirements for the Senior Honors Program.

Atash, Sara. (2016). *Evaluating the feasibility of a counselor in residence program at the University of Rhode Island*. Research project conducted in partial fulfillment of requirements for the Senior Honors Program.

Williford, Desiree. (2014). *Elevation, mirth and guilt: What is the impact of brief affective states on attitudes and intentions toward prosocial behaviors?* Research project conducted in partial fulfillment of requirements for the Senior Honors Program

Paulo, Briana. (2013). *A college study on grief, depression, and anxiety*. Research project conducted in partial fulfillment of requirements for the Senior Honors Program

GRADUATE STUDENT THESES AND DISSERTATIONS

Tamlyn, Autumn. (ongoing). Measuring the processes of Change for nicotine vaping cessation. *Master's Thesis*.

Sacco, Allegra. (ongoing). Measurement Invariance of Transtheoretical Model-Based Measures for COVID-19 Vaccination Readiness. *Dissertation*.

- Monahan, Kathleen. (2024). Measurement Invariance of Novel Transtheoretical Model Exercise Scales in Black and Latino Adults. *Dissertation*.
- Reyes, Cheyenne. (2024). A Mixed Methods Study of Compassion Fatigue in the US General Population. *Dissertation*.
- Lindsey, Hayley. (2024). Measuring Motivation for Effective Headache Self-Management: An Application of the Transtheoretical Model of Behavior Change. *Master's Thesis*.
- Sacco, Allegra. (2022). Covid-19 Vaccination: Applications of The Transtheoretical Model with Consideration for Myths and Barriers. *Master's Thesis*.
- Fenn, Natalie. (2022). Do Good to Feel Good? Investigating Civic Engagement Among Non-Collegiate Young Adults. *Dissertation*.
- Mushkat, Zoe. (2021). Longitudinal Decision-Making in a Transtheoretical Model for Pursuing Living Donor Kidney Transplant. *Dissertation*.
- Monahan, Kathleen. (2021). Transtheoretical Model for Exercise: Measure Re-development and Assessing the Role of Barriers in a Diverse Population. *Master's Thesis*.
- Cheyenne Reyes. (2020). Pain Beliefs and Attitudes Toward Pain Treatment Among Undergraduate Students in the Health Professions. *Research Competency*
- Sorensen, Donya. (2020). Psychometric Properties and Generational Differences in Self-reporting on the Clinically Useful Substance Abuse Problems Outcomes Scale. *Dissertation*.
- Fenn, Natalie. (2019). Civic Engagement's as a Health Determinant: Get Engaged to get Healthy? *Master's Thesis*.
- Murray (Nobel), Alexandra. (2019). Development of Measures for Self-Efficacy for Advance Care Planning in Older Adults and Surrogate Decision-Makers. *Dissertation*.
- Tapscott, Brian. (2019). Team Clinical Decision Making in Rehabilitative Care: A National Survey of Physiatrists. *Dissertation*.
- Mushkat, Zoe. (2018). Socioeconomic Predictors of Readiness to Pursue Living Donor Kidney Transplant in Adults with ERSD. *Master's Thesis*.
- Signore, Amy. (2016). Piloting an Intervention to Provide Tailored Feedback on Health Behaviors to Adolescents in Pediatric Primary Care. *Dissertation*.
- Sorensen, Donya. (2014). Predictors of Surrogate Involvement in Advance Care Planning Behaviors. *Master's Thesis*
- Amoyal, Nicole. (2013). Moral Elevation and its Relation to the Altruistic Health Behavior of Becoming an Organ and Tissue Donor. *Dissertation*
- Burditt, Caitlin. (2011). Application of the Transtheoretical Model to parent facilitation of healthy anxiety management in their children. *Dissertation*

Creeden (Blaney), Cerissa. (2009). Validation of the measures of the Transtheoretical model for exercise in and adult African American sample. *Master's Thesis*

Doucet, Jennifer. (2009). Qualitative examination of satisfaction with three expert system interventions to reduce cancer. *Dissertation*

Burditt, Caitlin. (2008). Motivation for blood donation among African Americans: developing measures for decisional and efficacy constructs. *Master's Thesis*

GRADUATE STUDENT ADVISING AND COMMITTEE WORK

Major Professor

Autumn Tamlyn 2023-
Hayley Lindsey, 2021-
Allegra Sacco, 2020-
Katie Monahan, 2019-
Cheyenne Reyes, 2018-2024
Natalie Fenn, 2016-2022
Zoe Mushkat, 2015-2021
Brian Tapscott, 2013-2019
Alexandra Noble Murray, 2013-2019
Anna-Michelle McSorley, 2012-2013
Amy Signore, 2011-2016
Donya Sorenson, 2011-2020
Nicole Amoyal, 2009-2014
Cerissa Creeden (Blaney), 2007 - 2009
Jennifer Doucet, 2006 – 2009
Caitlin Burditt, 2005-2011

Clinical Area Advisor, Psychology Department Graduate Students

Autumn Tamlyn, fall 2023
Hayley Lindsey, fall 2021
Allegra Sacco, fall 2020
Katie Monahan, fall 2019
Cheyenne Reyes, fall 2018
Natalie Fenn, fall 2016-2022
Isabel Rodriguez, fall 2016-2018
Zoe Mushkat, fall 2015 - 2021
Brian Tapscott, fall 2013 - 2019
Alexandra Noble, fall 2013 - 2019
Anna-Michelle McSorley, fall 2012-2013
Donya Sorenson, fall 2011- 2020
Amy Signore, fall 2011-2016
Nicole Amoyal, fall 2009-spring 2013
Matthew Pierce, fall 2008-2014

Cerissa Creeden (Blaney), fall 2007- 2009
Caitlin Burditt, fall 2005-2011
Andrea Resendes (Lavigne), fall 2005-2012
Jennifer Doucet, spring 2005- 2009
Dustin Wielt, fall 2004- 2006

Masters Committee Member

Carolyn Matsumoto, Nutrition Department graduate student, 2017
Julianna Shelby, Behavioral Neuroscience graduate student, 2015
Matthew Alkusky, Pharmacy Department graduate student, 2013
Michael Bernstein, Behavior Science Department graduate student, 2013
Leslie Brick, Behavior Science Department graduate student, 2012
Scott Martin, Behavior Science Department graduate student, 2012
Michael Ricci, Clinical Psychology Department graduate student, fall 2010
Janel Koehler, Behavior Science Department graduate student, spring 2008.
Christina Kilgallen, School Psychology Department graduate student, fall 2004.

Masters Committee Chair

Nicole Potvin, Nutrition Department graduate student, Spring 2021
Jaclyn Fontaine, Kinesiology Department graduate student, Spring 2010.

Comprehensive Exam Committee Member

Nathan Bauman, Clinical Psychology graduate student, Fall 2019
Isabel Rodriguez, Clinical Psychology graduate student, Fall 2016
Zachary Kunicki, Behavior Science graduate student, Spring 2016
Lucy Gu, Clinical Psychology graduate student, Fall 2015
Matthew Peirce, Clinical Psychology graduate student, Spring 2013
Monica Nanda, Clinical Psychology graduate student, Spring 2013
Elizabeth Reichert, Clinical Psychology graduate student, Spring 2011
Jayson Spas, Clinical Psychology graduate student, fall 2009
Andrea Lavigne, Clinical Psychology graduate student, spring 2009
Trudy Ann Gayle, Clinical Psychology graduate student, spring 2009
Beth Schlicting, Clinical Psychology graduate student, spring 2008
Christine Sieberg, Clinical Psychology graduate student, spring 2007.
Cathy Stephan, Behavior Science Psychology graduate student, spring 2006.
Christina Kilgallen, School Psychology graduate student, spring 2005.
Yating Yeh, Behavior Science Psychology graduate student, fall 2004.
Paul Krebs, Clinical Psychology graduate student, spring 2004.
Kara Hall, Behavior Science Psychology graduate student, spring 2004.
Asako Matsuura, Clinical Psychology graduate student, fall 2003.
Milena Anatchkova, Behavior Science Psychology graduate student, fall 2002.

Dissertation Committee Member

Nathan Bauman, Clinical Psychology graduate student, Spring 2022

Iman Almohamadi, Behavior Science Psychology graduate student, Fall 2018
Zachary Kunicki, Behavior Science Psychology graduate student, Spring 2017
Gregory Paquin, Behavior Science Psychology graduate student, Spring 2015
Scott Martin, Behavior Science Psychology graduate student, summer 2014
Allison Smith, Clinical Psychology graduate student, Spring 2013
Elizabeth Reichert, Clinical Psychology graduate student, Spring 2013
Andrea Lavigne, Clinical Psychology graduate student, Spring 2013
Mark Regine, Pharmacy graduate student, Fall 2012
Jayson Spas, Clinical Psychology graduate student, Spring 2012
Cathy Stephan, Behavior Science Psychology graduate student, spring 2008.
Christine Sieberg, Clinical Psychology graduate student, spring 2008
Christina Kilgallen, School Psychology graduate student. summer 2008
Paul Krebs, Clinical Psychology graduate student, spring 2007
Yating Yeh, Behavior Science Psychology graduate student, fall 2005.
Kara Hall, Behavior Science Psychology graduate student, spring 2004.
Milena Anatchkova, Behavior Science Psychology graduate student, spring 2004.

Other Student Committee Work

Thesis Committee Member, Connecticut College Masters student Kim Chula, 2001-2002.

Student Awards

Stanley Berger Award: award given to a Clinical Area PhD student who has made exemplary research/clinical and research accomplishments in multicultural psychology or with underserved populations

Natalie Fenn – spring 2021.

Jennifer Doucet – spring 2008.

URI Graduate Research Award (EGRA)

Amy Signore 2013-2014. Supervised funded research to support her dissertation research: Piloting an Intervention to Provide Tailored Feedback on Health Behaviors to Adolescents in Pediatric Primary Care.

Nicole Amoyal 2011-2012 & 2012 -2013. Supervised two consecutive funded research proposals to develop and pilot test an iPhone app to assist patients with panic disorder (in the context of therapy) to monitor their symptoms and assist with exposures.

Graduate School Tuition Scholarship

Kathleen Monahan 2021-2022

Natalie Fenn 2019-2020

University (Dean's) Fellowship – This competitive award recognizes cumulative progress across all the relevant skill domains for graduate students.

Nicole Amoyal 2012-2013.

Caitlin Burditt 2010-2011

Citation Abstract and Meritorious Student Abstract and Outstanding Student Diversity Abstract: Blaney (Creeden), C., Robbins, M.L., Paiva, A., Redding, C. A., Rossi, J., Blissmer, B., Burditt, C., Oatley, K. (2010). Validation of Decisional Balance and Self-Efficacy for Exercise in an Adult African American Sample. Presentation at the 31st Annual Meeting of the Society of Behavioral Medicine, Seattle, WA.

Outstanding Student Diversity Abstract: Burditt, C., Robbins, M., Paiva, A., Velicer; W., Koblin, B., & Kessler, D. (2009). *Development of a Decisional Balance Scale for Blood Donation Among African Americans*. Presentation at the 30th Annual Meeting and Scientific Sessions of the Society of Behavioral Medicine, Montreal, Canada. Awarded on behalf of the Ethnic Minority and Multicultural Health Special Interest Group.

Meritorious Student Poster: Caitlin Burditt – Annual Meeting of Society of Behavioral Medicine: Burditt, C., Robbins, M., Knott, G., & Peters, T., (2007). Stage of Change as a Predictor of Family Consent for Deceased Organ Donation. Annals of Behavioral Medicine, 33, S159 (Abstract).

Connecticut College Thesis Award: Kim Chula. *The Role of Family Communication in the Organ Donation Consent Decision: An Addition to the Transtheoretical Model of Behavior Change*. 2001-2002, Master's program in Psychology.

PSYCHOLOGY DEPARTMENT AND CPRC COMMITTEES (University of Rhode Island)

Search Committee Chair

Teaching Professors (2 positions) with focus on methods/statistics and general psychology. Department of Psychology 2023

Lecturer in Psychology with focus on undergraduate teaching. Department of Psychology 2021

James and Janice Prochaska Endowed professor in Clinical Psychology. Department of Psychology 2019-2020

Tenure track faculty member in Clinical Psychology. Department of Psychology 2014-2015
Organ Donation Project and Multiple Health Behavior Change Project Coordinator (Research Associate III). Cancer Prevention Research Center, 2002.

Search Committee Member

James and Janice Prochaska Endowed professor in Clinical Psychology. Department of Psychology 2024-2025

Human Development and Family Sciences. Lecturer in HDF and Psychology with focus on undergraduate teaching, 2021.

Psychology Department Chairperson, 2005, 2008, 2012, 2014.

Community Organ Donation Project Coordinator (Research Associate III). Cancer Prevention Research Center, 2006.

Tenure track Clinical Psychology faculty search with specialty focus in multicultural health, 2005-2006

School Project Field Assistant (Research Assistant II/III/IV). CPRC, 2001.

School Project Field Coordinator (Research Assistant II/III/IV). CPRC, 2001.

School Project Coordinator (Research Associate III). CPRC, 2001.

Organ Donation Project Coordinator (Research Associate III). CPRC, URI, 2000.

Graduate Student Evaluation Committee Member

Applicants for Clinical Psychology Ph.D. program, 2003 - Present.

Applicants for Clinical & Experimental Psychology Ph.D. programs, 2001.

Other Committee Work

Member, Health Collaborative Planning Committee on Accreditation, 2015-2017

Chair, Psychology Area Directors and Chairs Committee (DAC), 2016 – present

Member, Psychology Area Directors and Chairs Committee (DAC), 2014-2016

Co-Chair, Psychology Department Task Force for Multiculturalism and Diversity, 2012-2014

Member, Psychology Department Task Force for Multiculturalism and Diversity, 2009-12

Ad Hoc Committee Member, task force for development of Psych Dept website – 2007-08.

Ad Hoc Committee Member, task force on graduate curriculum initiatives – 2007- present.

Ad Hoc Committee Member, strategic planning and initiatives for the Psychology Department, 2005 – Present.

Ad Hoc Committee Member, Quality of Clinical Training Committee – 2005- present.

Ad Hoc Committee Member, evaluation and recommendations for changes to the graduate Clinical Psychology assessment curriculum. Director: Patricia Morokoff, 2004-2005.

Task Force Member, increasing undergraduate participation in research in psychology.

Director: Su Boatright-Horowitz, Psychology Department, 2002.

Undergraduate Advising

Advisor in Psychology Department for undergraduate majors, 2006 – Present.

UNIVERSITY OF RHODE ISLAND COMMITTEES

Arts & Sciences Curriculum Affairs Committee, fall 2013-2014

Committee to develop Health Studies undergraduate major, fall 2009-2011

Faculty Senate Curricular Affairs Committee, fall 2006 – 2009.
