

# **The Public Safety Advisory Committee (PSAC)**

*Alumni Center Beagle Boardroom*

## **04/28/2025 Agenda**

- Welcome (Tom C.)
- PSAC Subcommittees Report
  - TAPAS (Joe P.)
    - Bidirectional shuttle coming soon.
    - Survey Result Shared
      - A survey went out with incentives for participation. Good responses. On-demand service is popular with our students. Will have an evening shuttle next semester.
- Body Camera Discussion (Mike J.)
  - Body-worn cameras were secured by a grant in 2023. Police follow Attorney General policy as well as a more restricted internal policy. Licensing is software-based. Privacy or HIPAA-related footage can be redacted as needed. AXON tasers, BWC, and holsters activate once a firearm is pulled and notify all surrounding officers. URI PD is in year 3 of the grant.
- Regulations and Rules (Abby B.)
  - Amplified sound, bicycles, and skateboards, and building access were discussed.
- New Business (Mike J.)
  - More Community Policing events to come in the final weeks of the semester
