Agenda:

1. Welcome (Tom Cooley): Welcomed committee members to the first quarterly meeting of the 2024-2025 school year—introductions of all attendees.
2. Minutes (Tom Cooley): Summarize and approve minutes from the last meeting.
3. Transportation and Parking (Joe Paradise): FY 26 will change some fee structure. RIPTA has a point of pick up and destination transportation for a \$2.00 fee. TAP is creating how-to videos on the Public Safety social media site. The subcommittee's idea is to solicit feedback from the Student Senate.
4. Campus Safety (Chief Jagoda): We welcome feedback from community members. We are working on physical security infrastructure such as, blue light phones, cameras and lighting to ensure campus safety. ON Demand is our safe ride program for students. This has been expanded to include the Kingston Train Station.
5. Move-in (Chief Jagoda & Tom Cooley): The move-in for students was successful. Thank you to all the staff who helped. Leadership and HRL worked together to mobilize throughout campus to make it a huge success.
6. New Business Topics for PD (Deputy Chief Ricci): Planning is taking place with the Police Department and Emergency Management for upcoming events and training. The Police Department is working on accreditation.
7. New Business Topics for Emergency Management (Sam Adams): "Get a kit, Make a plan, Stay informed." We will supply students with drawstring bags to make emergency kits to last 24 hours in case of a storm.
8. New Business Topics for Administration (Abby): Abby Benson discussed the proposed Regulations Regarding the Use of University Property would be coming out community response shortly, noting that it has been reviewed by the President's Executive Council. President's Stewardship Council, and others.
