- June 30, 2018 – Limited Value Purchase (LVPO). Departments may continue to process LVPO’s up to 6/30/18 as long as the goods or services are received by URI on or before 6/30/18. Please refer to the URI Controller’s web site at https://web.uri.edu/controller/news/ for Accounts Payable Year End Close Deadlines.
• June 30, 2018 – Delivery of goods/services required in order for FY17-18 to be charged. If delivery of goods/services are received after June 30, 2018, your FY 2018-2019 budget will be charged for those items.

• Internal Vendor Requisition year-end deadlines may be different, please check with the Internal Vendor.

• Whenever possible Blanket Purchase Orders/Price Agreement requests to cover multi-year periods should be considered.

• Requisitions for new Blanket Purchase Orders which cover periods other than the state fiscal year (FYE 6/30), should be submitted to the University Purchasing Office at least sixty (60) days prior to the expiration date of the current Purchase Order/Price Agreement.

In order to allow sufficient time to meet new purchases for the current fiscal year, it is imperative that requisitions be submitted in accordance with the above schedule. Only goods and services received or rendered on or before 6/30/18 will be charged against the current year.

College requisitions received after the May 11, 2018 date with a due date and/or budget date in the current fiscal year will be at risk for the ability to process and receive goods or services this fiscal year. The only exception to this is of course, is if an emergency situation exists. Please refer to the Purchasing manual, located on our website, for emergency procedures: https://web.uri.edu/purchasing/files/2.6-PURCHMAN-EMERGENCY-9-13.pdf
