Important information:

- A readmitting student is one previously admitted to a program of study at the University of Rhode Island and who has a break of at least one regular semester during the pursuit of an undergraduate degree. A break in continuous attendance, with or without a formal withdrawal, automatically terminates a student's active status and necessitates a readmission to continue toward a degree. A student with a previous URI undergraduate degree pursuing a second undergraduate degree at URI may also apply for readmission.
- A student may seek readmission into a college and/or major different from which he or she formerly attended.
- Students should submit to the readmitting college all official college transcripts for work done outside of URI since their departure from URI.
- Students should contact the Student Contact Support Center at 401-874-5280, online@uri.edu or contact the college directly for readmission requirements or questions about their program of study.
- Readmission decisions are made in compliance with University Manual 8.25.10-8.25.18
