**THE UNIVERSITY OF RHODE ISLAND**

**DIVISION OF RESEARCH AND ECONOMIC DEVELOPMENT**

Welcome to the URI Division of Research and Economic Development!

We are here to help you excel in your RESEARCH ENDEAVORS.

---

**HOW DO I?**

**FIND FUNDING OPPORTUNITIES & WRITE COMPETITIVE PROPOSALS?**
Office of Research Development
web.uri.edu/research-admin/office-of-research-development/
Karen Markin, Director | kmarkin@uri.edu

**PREPARE AND SUBMIT A PROPOSAL?**
Office of Sponsored Projects Pre-Award
web.uri.edu/research-admin/submit-a-proposal/
Franca Cirelli, Associate Director | franca@uri.edu

**MANAGE AN AWARDED GRANT?**
Office of Sponsored Projects Post-Award
web.uri.edu/research-admin/manager-your-grant-award/
Sara Clabby, Associate Director | sara_clabby@uri.edu

**ENSURE RESEARCH INTEGRITY?**
Office of Research Integrity
web.uri.edu/research-admin/office-of-research-integrity/
IACUC & Biosafety
Gwen Currier, Specialist | gwencurrier@uri.edu
Human Subject Research & Responsible Conduct of Research
Heather Paskalides, Specialist | hpaskalides@uri.edu
Carol Connolly, Export Control carolconnolly@uri.edu
Cort Burke, Facility Security cort_burke@uri.edu
Mary Riedford, Associate Director | mcriedford@uri.edu
Sponsored Projects | Research Integrity | Comparative Biology Resources Center
Ted Myatt, Associate Vice President for Research Administration tedmyatt@uri.edu

**I’VE INVENTED SOMETHING. WHAT DO I DO NOW?**
Office of Intellectual Property and Economic Development
web.uri.edu/research-admin/intellectual-property
Michael Katz, Associate Vice President for Intellectual Property and Economic Development | mekatz@uri.edu

**HOW DO I PROMOTE MY RESEARCH TO THE COMMUNITY?**
Office of University Research External Relations
web.uri.edu/research-admin/externalrelations/
Melissa McCarthy, Director | melissa@uri.edu

**WHERE CAN I FIND STATISTICS ON RESEARCH AT URI?**
Office of Research Information Systems
web.uri.edu/research-admin/office-of-research-information-systems/
Sanjay Mupparapu, Manager | sanjay@uri.edu

**VISION:**
To grow an outstanding climate of support for URI faculty and students, with the aim of broadly enabling stellar research, academic and creative advances.

**MISSION:**
To enable, support and to safeguard The University of Rhode Island’s mission as the state’s land- and sea-grant research institution. To accelerate research that will lead to improved understanding and response to critically important human and environmental health concerns. To catalyze novel research, scholarly and creative pursuits across the university and across all domains of intellectual curiosity, and to support innovative strategic partnerships on a global scale.
URI HAS WORLD-CLASS RESOURCES FOR FACULTY, INCLUDING:

Large scale/shared research facilities:
- Comparative Biology Resources Center
- INBRE Centralized Research Core Facility
- Marine Science Research Facility
- R/V Endeavor
- Research Diving & Safety Program
- Rhode Island Consortium for Nanoscience and Nanotechnology

Research Centers/Consortia/Institutes, including:
- Agricultural Experiment Station
- Center for Nonviolence and Peace Studies
- Center for the Humanities
- Coastal Institute
- Coastal Resources Center
- Cooperative Extension
- Digital Forensics and Cyber Security Center
- Environmental Data Center
- George and Anne Ryan Institute for Neuroscience
- Inner Space Center
- Institute for Immunology and Informatics
- Institute for Integrated Health and Innovation
- Metcalf Institute
- Pharmaceutical Development Institute
- Rhode Island Sea Grant
- Social Science Institute for Research, Engagement, and Policy
- Three Dimensional (3D) Facility for Biomedical Sciences: Animation, Visualization and Printing

Collaborative institutional grants:
- RI NSF EPSCoR (Coastal ecosystems) web.uri.edu/rinsfepscor/
- RI INBRE (Biomedical research) web.uri.edu/riinbre/
- RI Sea Grant seagrant.gso.uri.edu/

URI Research Foundation:
- URI Ventures uri-ventures.org
- Polaris MEP polarismep.org
- 401 Tech Bridge 401techbridge.org
