

Interprofessional Geriatrics Grand Rounds Webinar

Caregivers As Partners in Care Teams

Mobilizing Caregivers to Help You Care for Older Patients

Wed., Sep. 17, 2025 | 12-1 PM | via Zoom

Presented by:

Sonia Sehgal, MD

Clinical Professor and Medical Director
SeniorHealth Center, UCI Health

This webinar will **equip health care providers and professionals** with essential communication, coordination, and systems-wide approaches to improve patients' health and wellbeing through engaging caregivers.

Learning Objectives:

1. Describe the benefits of caregiver engagement in primary care.
2. Describe when and how to identify members of a patient's caregiving team.
3. Demonstrate how to include caregivers as an integral part of your health care team.
4. Review strategies that promote caregivers' well-being and their ability to support your patients.
