Identifying and Assessing for Dementia

Fall 2023 Series
Wednesdays, 12:00 - 1:00 pm ET

October 18  Clinical Differentiation of Normal Aging, MCI, and Dementia
October 25  Evaluating Signs and Symptoms of Cognitive Impairment
November 1  Dementia Assessment and the Role of Specialists
November 8  Communication of Diagnosis and Follow-up Support

Project ECHO is a free, practical, case-based education series for primary care clinicians and teams who want to enhance their knowledge and skills to improve care for older adults with Alzheimer's disease and related dementias. Using Zoom to connect, each ECHO session includes a brief presentation from dementia care experts, followed by a case study submitted in advance by an ECHO participant site. Content experts mentor and teach, and participants share their own experiences, fostering an “all teach, all learn” philosophy. Contact Faith Helm at rigec@etal.uri.edu to learn more.

Joint Providership Statement:

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Rush University Medical Center and Alzheimer's Association. Rush University Medical Center is accredited by the ACCME to provide continuing medical education for physicians.

For Medicine: Rush University Medical Center designates this live activity for a maximum of 1.00 AMA PRA Category 1 Credit(s)™. Physicians should claim only credit commensurate with the extent of their participation in the activity. Successful completion of this CME activity, which includes participation in the evaluation component, enables the learner to earn credit toward the CME of the American Board of Surgery’s Continuous Certification program. It is the CME activity provider's responsibility to submit learner completion information to ACCME for the purpose of granting ABS credit.

For Nursing: Rush University Medical Center designates this live activity for a maximum of 1.00 nursing contact hour(s).

For Social Work: As a Jointly Accredited Organization, Rush University Medical Center is approved to offer social work continuing education by the Association of Social Work Boards (ASWB) Approved continuing education (ACE) program. Organizations, not individual courses, are approved under this program. Regulatory boards are the final authority on courses accepted for continuing education credit. Social workers completing this course receive 1.00 general continuing education credits.
