

CEU Webinar for Health Professionals

Disclosing a Dementia Diagnosis

Tuesday, September 16 | 8-9 AM

Speaker:

John Stoukides, MD, RPh

Rhode Island Mood and Memory
Research Institute

Roger Williams Medical Center

<https://rb.gy/l31ryn>

During this webinar Dr. Stoukides will discuss the needs of patients and care partners supporting a person living with dementia during all stages of the dementia journey. This will include best practices, including the importance and challenges when communicating a dementia diagnosis to a person with dementia and their care partner(s).
