

**Spring 2024 Dementia ECHO Series-
Supporting People Living with Dementia and their Care Partners- Identifying Community Clinical
Linkages to Deliver Dementia and Age-Friendly Care
Recorded Sessions**

The AAFP has reviewed Geriatric ECHO Series: “Supporting People Living with Dementia and their Care Partners - Identifying Community Clinical Linkages to Deliver Dementia and Age-Friendly Care” and deemed it acceptable for AAFP credit. Term of approval is from 4/15/24 to 4/15/25. Participants should claim only the credit commensurate with the extent of their participation in the activity. NPs and RNs can also receive credit through AAFP’s partnership with the American Nurses Credentialing Center (ANCC) and the American Academy of Nurse Practitioners Certification Board (AANPCB).

** Enduring CEUs for social work are not available.

INSTRUCTIONS TO VIEW RECORDED DEMENTIA ECHO LEARNING SESSIONS:

1. In the table below, please click the title of the LEARNING session of interest. When you click the title, you will be redirected to a link to register to access the recording.
2. Immediately upon filling in the registration form, you will have access to the recording. Click the link at the bottom of the registration form to view the didactic portion of the recording.
3. To obtain CME credit, please view the recorded session and complete the corresponding program evaluation link under the corresponding section.
4. CMEs will be sent out via email within 30 days.

Please contact Nijah Mangual at nmangual@ctc-ri.org with any questions related to CMEs.
