

RI-NEST

Rhode Island Network for Excellence in Science and Technology

SUMMER HIGH SCHOOL OPPORTUNITIES FOR RESEARCH EXPERIENCE

- ✓ Program Dates: June 26-July 31, 2026
- ✓ Eligible for high school students age 16+
- ✓ To reduce financial barriers, Fellows will receive a stipend upon program completion.
- ✓ Applications Open from March 18-April 18, 2026

Discover your STEM Path this summer!

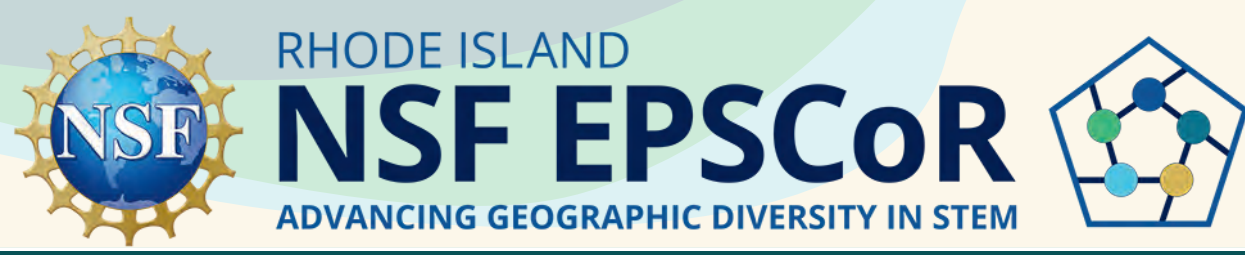

As a SHORE Fellow you will be paired with a researcher at Rhode Island College to contribute to innovative scientific research projects.

For 5 weeks, you'll spend 20 hours/week working alongside your mentor to gain hands-on research experience, build skills, network, and explore STEM opportunities across RI.

Get a head-start on your science journey, and apply ASAP!
