

Rhode Island Network for Excellence in Science and Technology (RI-NEST)

An Initiative of RI NSF EPSCoR

2026 Fall Meeting*

Friday, October 30, 2026, 8am to 4:45pm

Rhode Island School of Design

Instructions for Poster Presenters and Exhibitors

For Poster Presenters:

1. Posters should be 36"x48", either landscape or portrait.
2. We will provide backing boards and poster pins upon which to hang your posters.
3. Posters should include the NSF logo in the top, left hand corner of the poster if funded by RI-NEST or another EPSCoR-supported program, as well as the appropriate acknowledgment language (including grant number). Please [visit our poster guidance webpage](#) for more info.
4. You may set up your poster at two times during the day, either prior to the start of our formal program from 8-8:45am or during lunch at 12-1pm. We are not assigning specific places to hang up your poster, so when you arrive, pick an available spot. Poster stands will be set up in the back of the lobby in the ProvWash building.
5. You will be expected to take down your poster by the end of the program at 4:45pm.

For Exhibitors:

1. We are not assigning tables, so when you arrive, pick an available spot. Tables will be set up in the front of the lobby in the ProvWash building.
2. **If you require a tablecloth, please let us know as soon as possible [by responding to this email](#).**
3. **If you require an outlet, please let us know as soon as possible [by responding to this email](#).** We will provide surge protectors, but any other technology needed for your display is your responsibility to bring on the day.
4. You will be able to set up your table from 8-8:45am. We expect that you will break down your display immediately after our interactive symposium at 2pm.

You may view further details, including a full agenda, of the RI-NEST Fall Meeting [at our event page](#). If you have any further questions, please don't hesitate to reach out. Thank you greatly for your patience while we prepare for our fall meeting. See you Oct. 30!
