The screenshot shows the 'URI' page on the Enterprise website. The header includes the Enterprise and National logos, and a language selector for 'USA (English)'. The main content is organized into three categories: Business Use, Athletics, and Leisure Use. Each category features a list of rental options, including Enterprise Rent-A-Car and National Car Rental, with a note that National is a preferred vendor for airport travel. A 'Resources' sidebar on the right contains links for 'View / Modify / Cancel Reservation' and 'Find a Receipt'.

The screenshot shows the 'Reserve a Vehicle' form on the Enterprise website. The header includes links for 'Careers', 'Help', 'USD (\$)', and a language selector for 'USA (English)'. The main heading is 'Reserve a Vehicle' with a link to 'View / Modify / Cancel Reservation'. The form includes a 'Pick-up & Return Location (ZIP, City or Airport)*' field with a placeholder 'Provide a Location' and a 'Return to a different location' checkbox. The 'Pick-up*' and 'Return*' sections show date and time selectors for '30 Jan 2024' at '12:00 PM' and '31 Jan 2024' at '12:00 PM'. The 'Renter Age*' is set to '25+'. The 'Corporate Account Number' field contains 'URI - BUSINESS USE'. The 'Vehicle Class' is set to 'All Vehicles'. A 'Browse Vehicles' button is located at the bottom right. A checkbox for 'I'm booking on behalf of someone else' is also present.
