Rules for Submitting Offers

This Certification Form must be attached in its entirety to the front of the offer and shall be considered an Integral part of each offer made by a vendor to enter into a contract with the University of Rhode Island. As such, submittal of the entire Bidder Certification Form, signed by a duly authorized representative of the offeror attesting that he/she (1) has read and agrees to comply with the requirements set forth herein and (2) to the accuracy of the information provided and the offer extended, is a mandatory part of any contract award.

To assure that offers are considered on time, each offer must be submitted with the specific Bid/RFP/LOI number, date and time of opening marked in the upper left hand corner of the envelope. Each bid/offer must be submitted in separate sealed envelopes.

A complete signed (In Ink) offer package must be delivered to the University of Rhode Island Purchasing Office by the time and date specified for the opening of responses in a sealed envelope.

For the purposes of this requirement, the official time and date shall be that of the time clock in the reception area of the University of Rhode Island Purchasing Office. Postmarks shall not be considered proof of timely submission.

RIVIP SOLICITATIONS. To assure maximum access opportunities for users, public bid solicitations shall be posted on the RIVIP for a minimum of seven days and no amendments shall be made within the last five days before the date an offer is due. PRICING. Offers are irrevocable for sixty (60) days from the opening date (or such other extended period set forth in the solicitation), and may not be withdrawn, except with the express permission of the University Purchasing Agent. All pricing will be considered to be firm and fixed unless otherwise indicated. The University of Rhode Island is exempt from Federal excise taxes and State Sales and Use Taxes. Such taxes shall not be included in the bid price.

ALL PRICES QUOTED ARE FOB DESTINATION.

DELIVERY and PRODUCT QUALITY. All offers must define delivery dates for all items; if no delivery date is specified, it is assumed that immediate delivery from stock will be made. The successful Bidder must submit certifications of compliance with these laws from each of its subcontractors prior to their commencement of any work. Prevailing wage rates, apprenticeship requirements, and other workforce and safety regulations are accessible at www.dlt.ri.gov.

Procedure For Registering New Standards or Amending Existing Standards

1. The local JATC will obtain a copy of the National Guideline Standards. Using these National Guideline Standards, the local JATC will indicate all appropriate local determinations where a specific entry by the JATC is required. These areas are identified throughout the document by the following graphic symbol:

 Indicates need for local entry or action. Directions are provided as appropriate. These sections will be removed before printing of the local standards by the njatc as indicated in item 4 below.

2. With local determinations made, the JATC will officially adopt the Standards. The date of adoption will be indicated on the seven (7) copies of the signature page provided by the NJATC (or reproduced locally). The JATC Chairman and Secretary will sign and date all seven (7) signature pages. One completed copy of the National Guideline Standards and the seven (7) signature pages will then be sent directly to the NJATC. Seven copies of Appendix D, reproduced on JATC letterhead, should also be included. [The JATC should make a duplicate copy of the submitted package for their records].
3. If the local JATC amends the language contained within the National Guideline Standards in any manner whatsoever, an addendum shall be attached to the National Guideline Standards when they are submitted to the NJATC. The addendum shall contain every page of the Standards where a proposed modification appears. All modifications shall be clearly indicated by highlighting the text where a change has been proposed.
4. The NJATC will review the submitted National Guideline Standards including all proposed additions and/or modifications reflected in the accompanying addendums. When approved by the njatc, the local apprenticeship Standards will be reprinted to reflect local determinations and any approved modifications, deleting all language that does not apply to the local Standards. Seven (7) copies of the approved Local Apprenticeship Standards will then be sent directly to the JATC. A signed and dated signature page will be made a part of each copy of the approved Standards along with a copy of appendix D on JATC letterhead. [The NJATC will print any number of extra copies for the cost of printing plus shipping and handling].
5. The local JATC will then forward all seven (7) copies of the local Standards to the Registration Agency along with copies of the JATC's Selection Procedures and Affirmative Action Plan. [The JATC should make a duplicate copy of the submitted package for their records].
6. The Registration Agency will review the submitted local Standards. When approved, the local Standards will be signed by the Registration Agency Representative. The Registration Agency will retain at least one copy and return the remainder to the local JATC. The local JATC will forward one (1) copy to the NJATC, provide one (1) copy to the NECA Chapter, provide one (1) copy to the IBEW Local Union and retain the remaining copies—filing them in a secure manner.
7. Local Standards and modifications to the Standards shall not be implemented prior to the approval and registration of the Standards—first by the NJATC and then by the Registration Agency. This is in compliance with IBEW Basic Laws & Policies, Category-One Contract Language, Industry Policy and the Certified National Guideline Apprenticeship Standards.

FOREWORD

The terms Journeyman, Journeyman Wireman, and Craftmanship, as used in these Standards, are meant to define a recognized level of competency and include both male and female.

The science of electricity is constantly changing and expanding at an ever increasing rate. From its inception, the electrical industry has kept pace with new technologies and is now one of the largest industries in the United States. This rapid expansion means that the electrical apprentice must be given sound basic training in the knowledge of the trade, supplemented by sufficient instruction in the theories of electrical science.

The electrical trade is unique in that it is mechanical, technical and professional. In order to meet industry demands in an ever evolving technological environment, the electrical industry must select individuals who have the aptitude to learn and develop the knowledge, skills and abilities necessary to proficiently perform the individual job tasks associated with the work processes of the trade. The industry must select and train individuals who will diligently work and study to stay abreast of current and future emerging technologies.

The Electrical Industry, by its very nature, places a high degree of personal responsibility on each individual. While supervision is most often provided on the job, the electrical worker is constantly called upon to make decisions concerning proper performance methodology.

Today's electrical installations are very complex and highly sophisticated. Faulty installations often prove to be extremely expensive and hazardous. Much of the complex wiring involved in the work is hidden from view when the job is completed; any defect in this hidden work can cause serious damage and prove to be extremely costly. The well-trained electrical worker takes pride in the appearance of their work, and in its technical correctness and structural soundness.

The Joint Apprenticeship and Training Committee (JATC), representing the parties to the local Collective Bargaining Agreement (CBA) — The National Electrical Contractors Association (NECA) and The International Brotherhood of Electrical Workers (IBEW) — has dedicated its time to develop an efficient training program so the apprentice can, through a systematic program of schooling and on-the-job training, become a well-qualified electrical worker. The degree of success the JATC has in its operation will depend entirely upon the willingness of all local parties of the electrical industry to cooperate in this joint activity. Quality training remains a high priority with the IBEW and NECA.

All functions of the JATC shall be on the basis of a nonprofit endeavor. The JATC will adopt and promote nationally developed Apprenticeship Standards and Curricula to insure quality apprenticeship and training for the industry in the best interest of the apprentice, management, labor, the customer and the public.

- B. All JATC Standards will be registered with, and approved by, the National Joint Apprenticeship and Training Committee (NJATC) prior to being submitted to the appropriate Registration Agency and locally implemented.
- C. These Standards, after proper registration with the Registration Agency, shall supersede all previous JATC Standards. However, Apprenticeship Agreements in force under preceding Standards shall remain in force unless changed by written consent of the apprentice, the JATC and the Registration Agency.
- D. All entities and/or individuals cooperating in these Standards shall refer all matters involving any apprentice or pertaining to apprenticeship and training to the JATC. The JATC shall take action and dispose of all apprenticeship matters before action is reported to, or acted upon by, the sponsoring organizations (see Section XXI).

In the event the JATC cannot resolve an issue not covered by these Standards, the matter in dispute (excluding BEO complaints) shall be referred to the sponsoring parties for settlement. BEO complaints and non-CBA issues may be taken to the Registration Agency by either the JATC or the apprentice.

The provisions of these Standards shall not be construed as permitting violation of any applicable local, State or Federal law or regulation having the effect of law.

These Standards shall not be interpreted as being inconsistent with existing or subsequent CBA language establishing higher standards—the higher standard shall always prevail.

- B. The jurisdictional area which these Standards cover shall be the wage area as set forth in the local CBA.

SECTION II - Composition of Joint Committee

- A. The JATC shall be composed of six (6) members: three (3) who are qualified and duly appointed in writing (See Appendix A) to represent the NECA Chapter, and three (3) who are qualified and duly appointed in writing to represent the IBBW Local Union. (Each party shall have equal representation). Members of the JATC shall be appointed in writing by the party they represent.
- B. The term of office shall be for three (3) years. The term of one (1) employer representative and one (1) union representative shall expire each year on December 31. A committee member may be reappointed. Any reappointment shall also be in writing for the same specified term.

- C. The Committee shall select from its membership, but not both from the same party, a Chairman and a Secretary who shall retain voting privileges (as set forth in the basic CBA).
- D. Any vacancy created as a result of members leaving the JATC prior to the expiration of their appointment, shall be filled by the appropriate party to complete the unexpired term (the appointment shall be in writing).

Any JATC officer or member may be removed by the sponsoring organization upon recommendation of a majority vote of the JATC for dereliction of duty, breach of confidentiality or misconduct as a member/trustee. Such a recommendation shall be forwarded in writing to the proper sponsoring organization for action.
- E. A JATC member shall also serve as a JATC trustee. Likewise, a JATC trustee must also be a member of the JATC.
- F. JATC minutes shall reflect all appointments, reappointments, resignations and terminations of JATC members/trustees.
- G. Due to the confidential nature of apprenticeship agreements and apprentice records and issues, all JATC meetings are to be considered as "closed meetings," except where state law provides otherwise.
- H. Consultants and guests may be invited to attend meetings of the JATC (via invitational acceptance or approved request), but shall have no official voice and no vote. There are to be no alternate or ex officio members of the JATC.
- I. The JATC may establish or authorize a joint subcommittee to be similarly constituted and appointed for training purposes to meet a specific need, such as a Residential or Telecommunication subcommittee. Such subcommittees shall be established at the discretion of the JATC and shall remain in place until terminated by a majority vote of the JATC. Subcommittee members shall be appointed by the sponsoring parties in the same manner that JATC members are appointed. Members of a subcommittee may or may not be JATC members. Subcommittee members shall not serve as JATC trustees unless they also serve as JATC members.

SECTION III - Duties of the JATC

- A. The JATC shall, in conformity with the National Joint Apprenticeship and Training Committee's Standards and Policies and the local CBA, adopt and establish approved Standards governing the qualifications, selection, employment, education and training of all apprentices, and register such Standards with the Registration Agency. The JATC shall also be responsible for the training of journeymen and others.
- B. All funds for the operation of the apprenticeship and training program shall be held in a Trust Fund established by the IBEW Local Union and the NECA Chapter. The JATC members/trustees shall initiate and certify all expenditures of the Trust Fund.

- C. Each sponsoring party must have at least one (1) JATC member present to establish a quorum at JATC meetings.

Each sponsoring party shall have a total number of votes at JATC meetings equal to its allowable number of JATC members as stipulated in Section II, paragraph A., regardless of the number of members present. In the event that the parties are divided on an issue, each party may cast its full vote as if all were present. However, a vote to abstain is an official vote. It represents one of the votes the sponsoring party is entitled to and is not counted as either a yea or a nay.

An individual member must be physically present to personally vote on JATC matters. Written (absentee) votes are not acceptable for JATC matters.

- D. The JATC shall meet at least once a month and on call of the Chairman when a specific need arises. The JATC may agree to cancel a regularly scheduled monthly meeting due to specific or unusual circumstances.

- B. The JATC may employ a Training Director. The Training Director shall assume such responsibility and authority for the day-to-day operation of the apprenticeship and training programs as is delegated by the JATC. However, all governing responsibility for the apprenticeship program rests with the JATC—including interviewing, selecting and supervising apprentices and assuring full compliance with these Standards, the Affirmative Action Plan and the Selection Procedures.

- F. The JATC shall determine the number of apprentices needed to keep the area supplied with an adequate number of Journey-level workers in the areas covered by these Standards. The JATC shall consider all factors (employment opportunities, attrition, etc.) having a bearing on the number of apprentices needed when determining the number to indenture. The JATC shall also consider its capability to provide on-the-job training (OJT) and related instructional training.

- G. The JATC shall select apprentices without discrimination because of race, color, religion, national origin, sex or age—except the applicant must meet the minimum age requirement. The JATC does not, and will not, discriminate against a qualified individual with a disability because of the disability of such individual—as per the Affirmative Action Plan and Selection Procedures made a part of these Standards.

- H. The JATC shall see that each apprentice satisfactorily completes the minimum course materials produced by the NJATC.

- I. The JATC shall strive to see that each apprentice receives supervised on-the-job experience in the work processes and job tasks as outlined in these Standards (see Section XVI).

- J. The JATC shall determine the adequacy of each participating employer to provide the apprentice the necessary training needed to gain experience in the various job tasks and work processes of the trade.

- K. In order to provide diversity of training and/or employment opportunities, the JATC shall have full power and authority, as per the CBA, to transfer apprentices from one job or shop* to another, or from one participating employer to another. (*shop designates the complement of workers who report daily to the employer's designated place of business; e.g. the "service-truck" crew).
- L. All OJT transfers and assignments shall be issued by the JATC as set forth in the CBA, using a form similar to that shown in Appendix B of these Standards.
- M. If an unsafe worksite condition is brought to the JATC's attention, it shall be investigated immediately by the JATC and brought to the attention of the employer and the Local Union. Failure to respond to any recommendations made by the JATC shall be just cause for removing any remaining apprentices from a specific jobsite or from the employer.
- N. The JATC cannot, and does not, employ apprentices. Therefore, it is not obligated to actually employ the apprentice but shall use every effort to keep the apprentice employed in a reasonably continuous manner with the participating employers.
- O. Before selected applicants for apprenticeship are given OJT assignments, the JATC shall see that each apprentice is properly indentured with the JATC (through the execution of an apprenticeship agreement) and registered with the State Apprenticeship Council, hereinafter referred to as the "Registration Agency." The apprenticeship agreement may be canceled at the request of the apprentice, or may be suspended, canceled, or terminated by the sponsor, for good cause, with due notice to the apprentice and a reasonable opportunity for corrective action, and with written notice to the apprentice and to the Registration Agency of the final action taken (see Sections XI, XII and XXI). Vacancies created by the cancellation of the apprenticeship agreement shall be filled as stipulated in Section XXI, Paragraph F.
- P. The JATC shall retain all application forms submitted along with all related documents and materials for a period of five (5) years—regardless of the application outcome. Such records shall include all announcements of apprenticeship opportunity. (See Section XXVI)
- Q. The JATC shall maintain complete and accurate records (including employment records) on all apprentices for a minimum of five (5) years following the last committee action—including graduation (see Section XXVI).
- R. The JATC shall consider and act on all matters, issues or problems concerning apprenticeship and training to the best of its ability avoiding, if at all possible, referring such to the sponsoring parties.
- S. The JATC shall establish a written Policy Statement that sets forth the policies, rules, and penalties regarding conduct within the program. The policies, rules and penalties shall be consistently applied in a nondiscriminatory manner. Every indentured apprentice shall be provided a copy of the Policy Statement at time of indenture and a copy of all subsequent modifications. A copy of

the JATC's Policy Statement and subsequent changes to it shall be submitted to the Registration Agency in a timely manner.

- T. The JATC will hear and consider all violations of its policies and rules and of the apprenticeship agreement, and shall make such rulings in a consistent and nondiscriminatory manner.
- U. The JATC shall establish and implement a written complaint procedure in accordance with Section XXI. A copy of the complaint procedure shall be provided to every apprentice.
- V. The JATC shall make an annual report to the sponsoring parties carefully reviewing its work for the preceding year, including a review of the current Affirmative Action Plan, its overall effectiveness, and changes made to the Plan as a result of the review. Such report shall not include any information identifying individual apprentices in any manner.
- W. The JATC shall call upon the NJATC and professional consultants for assistance and guidance when deemed necessary.
- X. The JATC shall work cooperatively with the NJATC in completing Industry surveys and annual reports, and in maintaining the Industry's National Standards.
- Y. It shall be the duty of the JATC to see that all sections of these Standards, the Affirmative Action Plan, the Selection Procedures, Policy Statements, Rules and Regulations are enforced without discrimination.

SECTION IV - Qualifications & Duties of Participating Employers

An employer who is eligible to train apprentices shall be signatory to the local CBA, comply with the qualifying requirements as set forth in the basic labor agreement and be able to provide the necessary work experience for training as determined by the JATC. Participating employers must comply with all provisions of the apprenticeship program including the registered Standards of Apprenticeship, the Affirmative Action Plan and Selection Procedures, and the JATC's policies and rules. The employer shall only secure apprentices through the JATC. Qualifying employers shall contribute to the JATC trust fund the rate established by the joint sponsors of the JATC and/or as stipulated in the local JATC Trust Agreement.

While the apprentice is on the jobsite it shall be the responsibility of the Employer to provide to the apprentice a safe and healthful workplace and conditions of employment and work assignments that the apprentice can safely perform.

The employer will determine the ability of its Journeyman level workers to adequately train and supervise the OJT of the apprentice based upon the work processes being learned, and assign apprentices accordingly.

SECTION V - Term of Apprenticeship

A. The JATC shall see that each apprentice completes a minimum of 8000 hours of reasonably continuous supervised employment (OJT). The JATC shall attempt to provide for participation in all of the work processes as outlined in Section XVI of these Standards.

The apprentice shall participate in a minimum of 180 hours of related classroom training per year, outside the normal work hours. The JATC shall require each apprentice to satisfactorily complete the NJATC Five-Year Inside Wireman Apprenticeship Course Material.

The following table identifies minimum requirements to enter each Period of Apprenticeship

This JATC has established ten periods of apprenticeship as stipulated below.

Period	Percent of Journeyman Rate	Elapsed Time	+	Minimum Accumulative OJT Hours	+	Related Training
1	42	N/A	+	0	+	N/A
2	47	N/A	+	1000	+	Satisfactory Progress

[Example: To be promoted to seventh period, one must have served at least six months as a sixth period apprentice, accumulated a minimum of 5000 hours of OJT and satisfactorily completed the third year of related training.]

At the time of registration of these Standards, the Journeyman rate is \$28.47. The Registration Agency will be notified of any changes in the Journeyman rate in a timely manner.

SECTION VI - Wages

Apprentices shall be employed on a stipulated hourly wage basis, as provided in the local CBA. Increases shall be subject to satisfactory progress on the job and satisfactory progress or completion of related instruction. See Section V for the periods of advancement and rates of pay.

SECTION VII - Equal Employment Opportunity Pledge

The recruitment, selection, employment and training of apprentices during their apprenticeship, shall be without discrimination because of race, color, religion, national origin, sex or age—except the applicant must meet the minimum age requirement. The JATC does not, and will not, discriminate against a qualified individual with a disability because of the disability of such individual. The JATC will take affirmative action to provide equal opportunity in apprenticeship and will operate this apprenticeship program as required under Title 29, Code of Federal Regulations, Part 30, as amended, and other applicable law and lawful regulations.

SECTION VIII - Qualification for Apprenticeship

- A. Individuals may enter the pool of qualified applicants by any of the following means stated below. Every individual selected for apprenticeship shall come from this established pool and shall serve the same probationary period required of all newly indentured apprentices.

Individuals who can show that they meet the conditions in one or more of the means listed below will be afforded an oral interview by the JATC. Once interviewed, an applicant shall remain active in the Apprentice Application Record Book, subject to selection, for a period of two (2) calendar years from the date of interview unless they decline an offer, request to be removed from the list, or fail to qualify on applicable post-selection requirements (such as a drug screen), or they are approved for a re-interview after one year following the date of their most recent interview.

- 1) To qualify for interview and ranking, applicants must:

- a. complete an application form, accurately responding to all questions and items including statements indicating that they are:

This documentation must be comprised of official documents such as tax/payroll records, notarized letters of experience confirmation and sworn statements. Such documentation must remain with the applicant's record. The

JATC will examine all documentation submitted to determine qualification of the applicant. The JATC will schedule an experience evaluation interview with the applicant if it is deemed appropriate. An absolute minimum of four thousand hours of ELECTRICAL CONSTRUCTION WORK EXPERIENCE must be proven to meet this qualification. No other form of electronic or electrical experience/training or construction experience will be given credit under this provision. (Note: meeting this qualification allows the applicant to be interviewed during the normal selection process—this is NOT a form of direct entry. If selected under this provision, the JATC will determine, using standard means of evaluation (see Section X), if OJT and/or related instruction credit will be awarded for previous training and experience.

- 3) An electrical construction employee of a nonsignatory employer not qualifying as a Journeyman when the employer becomes signatory, shall be evaluated by the JATC, using consistent, standard, nondiscriminatory means (see Section X), and indentured at the appropriate period of apprenticeship based on previous work experience and related training. Note: this is a method of direct entry into the apprenticeship program, whereby all minimum qualifications in paragraph 1) above, for interview and selection, are waived with all other post selection requirements remaining in force. For such applicants to be considered, they must:
 - a. complete an application form,
 - b. provide official, undisputable documentation to show that they were an employee performing electrical construction work prior to and at the time the employer becomes signatory,
 - c. supply the JATC with required reliable documentation and adequate verification to substantiate previous employment and experience to warrant their indenture,

- 4) Transfer of Apprenticeship - Direct Entry. In order to transfer an apprenticeship agreement between two local IBBW/NECA JATCs having a registered inside apprenticeship program, the following requirements must be met:
 - a. The apprentice must submit a written request for transfer, describing in detail the needs and reasons upon which the request is based.
 - b. The apprentice's sponsoring JATC must agree to the transfer.
 - c. The receiving JATC must agree to accept the transfer.
 - d. The parent organizations of both JATCs (the two NECA Chapters and the two IBBW Local Unions) must agree to the transfer.
 - e. The receiving JATC shall have complete access to all apprenticeship records pertaining to the transferring apprentice.
 - f. The transferring apprentice must:

- (1) complete an application form.
- (2) provide to the JATC official documentation pertaining to their participation in the apprenticeship program that they are transferring from. An official copy of all records established with the sponsoring JATC (including a copy of the application form and the apprenticeship agreement—properly registered with the Registration Agency) and other information submitted shall be provided to the receiving JATC. The receiving JATC will examine all documentation submitted before granting permission to transfer. All such records shall become part of the receiving JATC's permanent files.
- (3) upon being accepted by the receiving JATC, have their existing apprenticeship agreement terminated.
- (4) have indenture proceedings initiated immediately by the receiving JATC and the appropriate Registration Agency. The Registration Agency will be provided with all documentation necessary and/or required to verify that the transfer is justifiable.

Those accepted for transfer will be given full credit for on-the-job training experience and related instruction successfully completed while indentured in an IBEW/NECA inside apprenticeship program.

- 5) An individual who signs an authorization card during an organizing effort—wherein fifty percent or more of the employees have signed authorization cards, whether or not the employer becomes signatory—and is an employee of the non-signatory electrical contractor and does not qualify as a Journeyman, shall be evaluated by the JATC, using consistent, standard, nondiscriminatory means (see Section X), and indentured at the appropriate period of apprenticeship based on previous work experience and related training. Note: this is a method of direct entry into the apprenticeship program, whereby all minimum qualifications in paragraph 1) above, for interview and selection, are waived with all other post selection requirements remaining in force. All employees of the non-signatory electrical contractor must have been offered the opportunity to sign authorization cards. For such applicants to be considered, they must:
 - a. complete an application form.
 - b. have previous work experience (with non-participating employer(s)) that warrants some OJT credit, based on the provisions of these Standards (see Section X).
 - c. provide reliable documentation and adequate verification (which shall be recorded and securely filed in the applicant's file) to substantiate previous employment and experience, in order to qualify for direct entry under this provision.
 - d. provide official documentation to show length of employment with present electrical employer and all other previous electrical employers.

6) School-To-Registered-Apprenticeship (STRA) - Individuals applying for the School-To-Registered-Apprenticeship program shall be interviewed and selected by the JATC. (Note: this is NOT a method of direct entry into the apprenticeship program). Eligible students must go through the regular selection procedure. Those selected shall be indentured into the apprenticeship program prior to being employed and shall only be employed with participating employers. The School-To-Registered-Apprenticeship program:

a. shall be available to all schools within the jurisdiction of the CBA who agree to participate in the STRA program.

The JATC may determine that participants must complete the First-Year of trade related classroom training (NJATC Curriculum), specific NJATC courses or industry orientation related seminars, or classes. These classes and seminars shall be taught by the JATC. The NJATC course materials may be presented during the evening hours.

e. may permit the scheduling of alternating weeks of academic study and on-the-job training experience, as determined by the JATC and agreed to by the participating school(s).

f. shall mandate that failure to successfully complete academic studies (high school and JATC) shall be just cause for termination from the program.

g. shall mandate that failure to demonstrate progress in safely and proficiently accomplishing work practices shall be just cause for termination.

h. For such applicants to be considered, they must complete an application form, accurately responding to all questions and items including statements indicating that they are:

i. physically and mentally able to safely perform or learn to safely perform essential functions of the job either with or without reasonable accommodations.

ii. able to get to and from work at job sites anywhere within the geographical area that this apprenticeship program covers.

iii. able and willing to attend all related classroom training as required to complete their apprenticeship.

iv. able to climb and work from ladders, scaffolds, poles and towers of various heights.

v. able to crawl and work in confined spaces such as attics, manholes and crawlspaces.

vi. able to read, hear and understand instructions and warnings.

1. Obtain a qualifying score, using the electrical trade's aptitude test developed and validated by the American Institutes for Research, if required in paragraph 1) above.

7) A military veteran who completed military technical training school in a Military Occupational Specialty (MOS) applicable to the electrical construction trade (as determined by the JATC), and can document a minimum of two (2) years of military experience in that MOS, will qualify for an oral interview by the JATC to be considered along with other qualified applicants. Note: meeting this qualification allows the applicant to be interviewed during the normal selection process—this is NOT a form of direct entry. If selected under this provision, the JATC will determine, using standard means of evaluation (see Section X), if OJT and/or related instruction credit will be awarded for previous training and experience. All post selection requirements remain in force. To qualify under this provision, applicants must:

a. complete an application form, accurately responding to all questions and items including statements indicating that they are:

i. physically and mentally able to safely perform or learn to safely perform essential functions of the job either with or without reasonable accommodations.

ii. able to get to and from work at job sites anywhere within the geographical area that this apprenticeship program covers.

iii. able and willing to attend all related classroom training as required to complete their apprenticeship.

iv. able to climb and work from ladders, scaffolds, poles and towers of various heights.

v. able to crawl and work in confined spaces such as attics, manholes and crawlspaces.

vi. able to read, hear and understand instructions and warnings.

b. have previous military work experience in the identified MOS as stipulated above.

c. provide reliable documentation and adequate verification (which shall be recorded and securely filed in the applicant's file) to substantiate previous military training and experience, in order to qualify for interview under this provision.

B. Applicants selected for apprenticeship shall be employed only with participating (signatory) employers upon becoming indentured.

C. Qualified applicants interviewed and selected for apprenticeship under these Standards who have previously completed another IBEW/NECA apprenticeship will be awarded a minimum of three thousand, five hundred (3,500) hours OJT credit. Such individuals will be properly evaluated by the JATC and placed in the appropriate year of related training (see Section X).

- D. All selected applicants (including direct entry) must provide the documentation specified to complete their application. Regardless of how one qualifies for apprenticeship, following selection, but prior to indenture, ALL individuals being offered an apprenticeship will qualify on:

A drug-screen test. Cost of the test is to be borne by the JATC.

The JATC's Drug Policy is a part of its official Rules and Policies. Applicants shall be notified that such a Policy exists and given an opportunity to review it.

SECTION IX - Application Process, Affirmative Action Plan and Selection Procedure

The recruitment, selection, employment and training of apprentices shall be in accordance with the written Affirmative Action Plan and Selection Procedure approved by the Registration Agency and made a part of these Standards.

This apprenticeship program's Affirmative Action Plan and Selection Procedure are in compliance with the guidelines established by the NJATC.

SECTION X - Credit for On-the-Job Skill Acquisition and Previous Related Training

- A. Candidates with previous knowledge and skill acquisition in the electrical construction trade can ask for and have such work and job experience evaluated by the JATC prior to signing an Apprenticeship Agreement. Where such experience warrants, the JATC will place the apprentice in the appropriate period with commensurate wages as determined by the JATC. Such advanced credit and standing shall be subject to review prior to advancement beyond the probationary period.

The JATC will use consistent and equal ways and means for measuring and evaluating individuals to determine how much credit to award, for both OJT and related training.

The JATC will award as much credit as possible based on an equitable, nondiscriminatory evaluation of both OJT and related instruction. Hours of OJT credit awarded and related instruction placement level are independent of one another. Those awarded OJT credit and assigned to the appropriate pay period classification may be given additional time to successfully complete related instructional requirements.

The granting of advanced standing or credit for previously acquired experience, training, or skills shall be applied equally to all applicants and measured against the work processes, with commensurate wages for any progression step so granted.

- B. After signing the apprenticeship agreement and being employed the apprentice cannot request an evaluation of past experience.
- C. Advance standing is subject to review throughout the probationary period. During this time, OJT and classroom performance will be evaluated to determine if any readjustment concerning OJT or related training status is warranted, including reevaluation and reassignment of apprenticeship period and level of related instruction, as the JATC determines.

- D. The JATC permits individuals with previous education and training to test out of related courses. It has developed a nondiscriminatory policy adopting uniform written and proficiency-type examinations to be used in determining whether or not to award credit and waive specific course(s), or area(s) of training.

SECTION XI - The Apprenticeship Agreement

- A. Before being employed as an apprentice or enrolled in related instruction classes, the selected applicant will sign an Apprenticeship Agreement with the JATC. The Apprenticeship Agreement will immediately be submitted to the Registration Agency for approval. These Standards of Apprenticeship, including the Affirmative Action Plan and Selection Procedures, shall be considered a part of the Apprenticeship Agreement. (See Appendix C, Apprenticeship Agreement.)
- B. Prior to signing the apprenticeship agreement, each selected applicant shall be given an opportunity to read and review these Standards, the JATC's written Rules and Policies, the apprenticeship agreement and the sections of the CBA that pertain to apprenticeship. Selected applicants shall sign an acknowledgment that they have reviewed the documents and are willing to abide by them (See Appendix D).
- C. The JATC shall have three (3) copies of the apprenticeship agreement properly completed. Each copy shall be signed by the apprentice and the JATC. All copies will be submitted to the Registration Agency. Two (2) copies will be returned to the JATC, one (1) shall be provided to the apprentice, and one (1) shall be retained and filed by the JATC.

SECTION XII - Probationary Period

The first 2,000 hours of OJT and satisfactory performance in related classroom training during such time shall constitute the probationary period. During this period the apprenticeship agreement may be canceled by either party without the formality of a hearing. The Registration Agency shall be notified of such cancellations. Furthermore, the Registration Agency shall be notified of any extension of the probationary period (documenting action taken to address the issue(s) involved) in lieu of terminating the apprenticeship agreement.

During the probationary period, the JATC shall make a thorough review of the apprentice's ability and development. Advanced standing for previous training or experience does not reduce the probationary period.

Applicants awarded advanced standing at the time of indenture shall have their demonstrated skill, knowledge and overall performance evaluated during the probationary period. Adjustments, to the assigned period of apprenticeship and/or level of related classroom training may be made during the probationary period, following appropriate reviews and evaluation by the JATC. Such reviews and determinations shall be properly documented and applied equally to all apprentices.

Prior to the end of the probationary period, action must be taken on each probationary apprentice to end the probation, extend the probation, or cancel the apprenticeship agreement. All interested parties shall be notified of such action.

SECTION XIII - Related Instruction

- A. Each apprentice shall be required to participate in related instructions away from the job as specified below.

- C. The time spent in related classroom instruction shall be in addition to the required minimum hours of on-the-job training. The minimum number of classroom hours per year may change from time to time in order to meet training needs. Such changes must be properly approved by the Registration Agency.
- D. The JATC shall secure competent Instructors whose knowledge, experience and ability to teach shall be carefully examined and monitored. When possible, the Instructors shall take the teacher training courses made available from the NJATC.
- E. The JATC shall secure the instructional aids and equipment it deems necessary to provide quality instructions.
- F. The Instructors shall administer NJATC standardized tests in a timely manner. Such tests shall be evaluated and scored by the Instructor and reviewed with the class. Immediately following class reviews of the tests the Instructor shall return all tests and materials to the JATC for proper filing. No test or test materials will be left in the hands of any apprentice. The JATC and the Instructors will be prudent and diligent in all efforts to protect the integrity of the testing materials.
- G. The JATC shall monitor the apprentice's performance in related training and take appropriate action to encourage improvement where warranted. JATCs will require performance reports to be filed on a regular basis by the Instructor, evaluating the apprentice's related instructional training performance. Such reports shall be maintained by the JATC as part of its official file for each apprentice—providing an accumulative record of performance in related training.
- H. The JATC shall inform each graduating apprentice of the availability of college credit through the NJATC's College Credit Program with the American Council on Education (ACE), and any Continuing Education Units (CEUs) that may be available.

SECTION XIV - Safety and Health Training

- A. The employer shall instruct the apprentice in safe and healthful work practices and shall ensure that the apprentice is trained in facilities and other environments that are in compliance with either the Occupational Safety and Health Act standards promulgated by the Secretary of Labor under Public Law 91-596, dated December 29, 1970 and as amended by Public Law 101-552, dated November 5, 1990, or State, or local standards that have been found to be at least as effective as the Federal standards.
- B. While on the jobsite, it shall be the responsibility of the Employer to provide the apprentice a safe and healthful workplace and conditions of employment, and work assignments that the apprentice can safely perform.

SECTION XV - Hours of Work

- A. The apprentice shall work the hours that are specified in the local CBA. The apprentice's work shall not interfere with attending related instructional classes.

The JATC shall maintain a standard procedure to best ensure reasonable continuous employment for all apprentices. The JATC shall make all OJT assignments, reassignments and transfers as stipulated in the CBA—ensuring adequate training and employment opportunities. Should the current employer be unable to provide the apprentice full employment on a reasonably continuous basis in the work processes outlined in these Standards, the apprentice may be transferred or reassigned to another participating employer as determined by the JATC.

- B. In the event that the JATC is unable to provide an eligible apprentice an on-the-job training assignment, apprentices may seek temporary employment outside of the electrical construction industry. Regardless of employment status, apprentices must continue to report for their regularly scheduled related instructional classes. Additionally, apprentices shall remain at all times subject to immediate call by the JATC for an on-the-job training assignment given by the JATC. Under *NO CIRCUMSTANCES* shall a participating employer be denied the assignment of an apprentice due to an apprentice temporarily working outside the Collective Bargaining Agreement. Failure to immediately comply with instructions to return to the JATC for an on-the-job training assignment may result in termination of the apprentice's apprenticeship agreement.

SECTION XVI - Work Experience

- A. In order to provide for the development of the necessary trade skills in the various work processes, the JATC shall attempt to provide the apprentice with OJT in the following categories, as job training assignments permit.

B. The JATC shall require each apprentice to submit a work report on a monthly basis. Such reports shall be maintained by the JATC as part of its official file for each apprentice. Further, the JATC shall use the reports to provide an accumulative OJT record of experience in the various work processes for each apprentice. OJT reports similar to the sample shown in Appendix B and referenced in Section XIX of these Standards shall be used for reporting purposes.

C. All work (OJT) shall be performed under the supervision of a Journeyman Wireman. Supervision will not be of such nature as to prevent the development of responsibility and initiative. Work may be laid out by the employer's designated supervisor based on the apprentice's skills and ability to perform the job tasks, after which the apprentice shall be permitted to perform job tasks in order to develop job skills and trade competencies.

D. Apprentices with a minimum of 6,500 hours of OJT who have successfully completed the Fourth Year of related instruction, may be permitted to perform electrical construction work without the direct supervision of a Journeyman as follows: while the apprentice's supervising Journeyman Wireman must be present on the jobsite, such apprentice may be assigned to independently perform job tasks at the jobsite consistent with the apprentice's skills, knowledge and ability to perform the work as determined by the employer.

E. An apprentice shall not supervise the work of any other apprentice or workers of any other classification.

SECTION XVII - Number of Apprentices: The Ratio

The numeric ratio of apprentices to journeymen, consistent with proper supervision, training, safety and continuity of employment, shall be as specified in Collective Bargaining Agreements applicable to these Standards.

SECTION XVIII - Temporary Training Opportunities

Apprentices may be permitted to receive OJT and related training on a temporary basis with another IBEW/NECA JATC, provided the two JATCs, their respective parent organizations and the apprentice agree on such assignment. Before apprentices are given a temporary OJT assignment, they must supply the host JATC with an official copy of their apprenticeship agreement—clearly indicating that it has been properly registered with the applicable Registration

Agency. Apprentices shall remain subject to reassignment by the JATC with whom they are indentured. Failure to immediately comply with such instruction to return to the JATC with whom they are indentured may result in the termination of the apprentice's apprenticeship agreement; in which case, they would no longer be employable under the CBA in the jurisdiction.

SECTION XIX - Advancement of Apprentices

- A. Every four months during the first year of apprenticeship, and yearly thereafter, the JATC shall examine the progress of the apprentice on the job and in related instruction. A performance evaluation form similar to that provided in Appendix F of these Standards shall be used. The JATC will also receive a monthly OJT training report from the employer showing the experience and training in the various work processes acquired by the apprentice and evaluating the apprentice. See Appendix B for sample form.
- B. The JATC shall evaluate the apprentice's overall performance and accomplishments at the end of each period. Action must be taken on each apprentice to approve advancement, extend present rating for a specified probationary period, or cancel the apprenticeship agreement, with due notice to the apprentice and a reasonable opportunity for corrective action. Proper documentation shall be maintained of all action taken by the JATC.

SECTION XX - Local JATC Rules and Policies

- A. The apprentice is subject to the written Rules and Policies of the JATC as presently in existence, or as may be adopted or modified from time to time. The JATC will provide the Registration Agency with a copy of the written Rules and Policies and any modifications thereto.
- B. The apprentice will be provided with a copy of the written Rules and Policies and will sign an acknowledgment receipt of same (see Appendix D). This procedure will be followed whenever revisions or modifications are made to the Rules and Policies.

SECTION XXI - Adjustment of Differences: Cancellation or Resignation of Apprenticeship Agreement

- A. The JATC shall have full authority and responsibility to review and shall seek to resolve all issues and/or disputes pertaining to all apprenticeship and training matters.
- B. Apprenticeship agreements may be canceled at any time during the term of apprenticeship as follows. The apprenticeship agreement may be canceled at the request of the apprentice or may be suspended for a specified period of time, canceled, or terminated by the JATC, for good cause, with due notice to the apprentice and a reasonable opportunity for corrective action. Written notice shall be provided to the apprentice and to the Registration Agency of any such action taken (probation extension, suspension or cancellation).

Individuals who have been suspended or terminated from apprenticeship shall not be assigned by the JATC in any capacity. Furthermore, they are not eligible to participate in any related training activities and as per the CBA, they are not eligible for any job assignments under the CBA.

- C. Applicants shall have the right to request an appearance before the JATC concerning specific issues or matters dealing with their apprenticeship agreement. Such requests must be in writing.
- D. Complaint Procedure - In lieu of establishing a Complaint Review Body, the JATC will supply all apprentices with a copy of the Notice found in Appendix G. The sponsor will provide all current information called for in the Notice.

The JATC has full authority to supervise the enforcement of these Standards. Its decision will be final and binding on the employer, the local union and the apprentice, unless otherwise noted below.

If applicants or apprentices believe an issue exists that adversely affects their participation in the apprenticeship program or violates the provisions of the Apprenticeship Agreement or Standards, relief may be sought through one or more of the following avenues, based on the nature of the issue:

1. For issues regarding wages, hours, working conditions, and other issues covered by the Collective Bargaining Agreement, apprentices may seek resolution through the applicable Grievance and Arbitration Articles of the collective bargaining agreement *after* first bringing documented evidence to the JATC.
2. The local JATC shall hear and consider all complaints of violations concerning the Apprenticeship Agreement and the registered Standards. The local JATC shall make such rulings as it deems necessary in each individual case. Either party to the Apprenticeship Agreement may consult with the Registration Agency for an interpretation of any provision of the Standards over which differences occur.
3. Any apprentice or applicant for apprenticeship who believes they have been discriminated against on the basis of race, color, religion, national origin, sex or age—except the applicant must meet the minimum age requirement—with regard to apprenticeship, or that the equal opportunity standards with respect to their selection have not been followed in the operation of the apprenticeship program, may contact directly the Federal, State or local Equal Employment Opportunity Commission (EEOC), and/or the U.S. Department of Labor, Bureau of Apprenticeship and Training or their local Registration Agency (see Appendix G).

Complaints to the U.S. Department of Labor, which may be filed by the apprentice or through an authorized representative of the apprentice, must be filed not later than 180 days from the date of the alleged discrimination or specified failure to follow the equal opportunity standards. The complaint shall be in writing and shall be signed by the complainant. It must include the name, address, and telephone number of the person allegedly discriminated against, the Program Sponsor involved, and a brief description of the circumstances of the failure to apply the equal opportunity standard.

The JATC shall provide each applicant and apprentice with this complaint procedure and the names and addresses of the local, State and Federal contacts for receiving complaints (see Appendix G). This procedure is also a part of the Affirmative Action Plan.

- B. The Complaint Procedure shall be equitably applied to all applicants and apprentices.
- F. When an apprentice's Indenture (apprenticeship agreement) is terminated before satisfactory completion of their apprenticeship, the resulting vacancy may be filled by selecting and indenturing the next individual from the current eligibility list; provided all indentured apprentices who are available for on-the-job training assignments are so assigned. In the event that related instructional training classes are not available in the immediate future, the individual(s) indentured shall begin informational/awareness classes just as soon as possible. These courses may include topics such as: Industry Awareness, Communications, Productivity, Marketing, CPR, Tech Math, Safety Awareness and General Orientation.

SECTION XXII - Certification of Completion

- A. Upon satisfactory completion of the NJATC's Five-Year course of study, accumulation of a minimum of 8,000 hours of OJT, and acquisition of the appropriate jurisdictional Journeyman Electrical License; the JATC will certify to the sponsoring parties, to the NJATC and to the Registration Agency that the apprentice has satisfied the requirements of his or her apprenticeship agreement.
- B. The JATC will present each graduating apprentice with a Certificate of Completion issued by the NJATC (see Appendix H for sample). The JATC shall request a Completion Certificate from the NJATC for every individual completing the apprenticeship program. Each Certificate shall be approved and signed by the officers of the JATC. The JATC shall likewise submit a signed request for a Completion Certificate to the Registration Agency.
- C. The JATC will notify the IBEW Local Union of the date of each satisfactory completion, allowing the Local Union to reclassify the individual as per IBEW By-Laws, Rules and Policies. The JATC will likewise notify the graduating apprentice's current employer and the NECA Chapter.

SECTION XXIII - Program Registration

These Standards of Apprenticeship will be approved by the NJATC and properly registered with the appropriate Registration Agency (see Sections I and III).

SECTION XXIV - Modification of these Standards

Rapid changes in the electrical industry may require modification or revision of these Standards from time to time. Such modification, when adopted by the JATC, shall be first submitted to the NJATC for approval and then approved and registered by the Registration Agency before implementation. Modification or changes in these Standards, including amendments, shall not alter conditions of apprenticeship already in force without the consent of all parties involved.

SECTION XXV - Program Deregistration

This program may be deregistered upon the voluntary action of the sponsor by the sponsor's request to the Registration Agency for cancellation of the registration. The program may also be deregistered for reasonable cause by the Registration Agency, in accordance with its formal deregistration proceedings.

Upon deregistration or voluntary cancellation of the program, the sponsor will inform each apprentice, within 15 days, of the deregistration or cancellation and the effect of such action. This notification will conform to the requirements of Title 29, Code of Federal Regulations, Part 29.7 and any applicable State or local regulations.

SECTION XXVI - Maintenance of Records

The JATC shall maintain for a period of five (5) years all records relating to: apprentice applications (regardless of outcome), the employment and training of apprentices and information relevant to the operation of the program. This includes, but is not limited to records on the recruitment, application and selection of apprentices, periodic advancements, disciplinary action, layoffs, terminations, rates of pay, hours of on-the-job training and related instruction, evaluations and other pertinent data. This DOES NOT include JATC Trust Fund records, which shall be maintained indefinitely.

All JATC records shall be made available upon request of the U. S. Department of Labor, Bureau of Apprenticeship and Training and the applicable Registration Agency. This provision DOES NOT include JATC Trust Fund records.

IBEW INSIDE CONSTRUCTION AGREEMENT

Agreement by and between the Rhode Island and Southeast Massachusetts Chapter, National Electrical Contractors Association and Local Union No. 99, IBEW.

It shall apply to all firms who sign a Letter of Assent to be bound by the terms of this Agreement.

As used hereinafter in the Agreement, the term Employer shall mean the Rhode Island and Southeast Massachusetts Chapter, National Electrical Contractors Association and the term "Union" shall mean Local Union No. 99, IBEW.

The Term "Employer" shall mean an individual firm who has been recognized by an assent to this Agreement.

BASIC PRINCIPLES

The Employer and the Union have a common and sympathetic interest in the Electrical Industry. Therefore, a working system and harmonious relations are necessary to improve the relationship between the Employer, the Union, and the public. Progress in industry demands a mutuality of confidence between the Employer and the Union. All will benefit by continuous peace and by adjusting any differences by, rational, common-sense methods. Now, therefore, in consideration of the mutual promises and agreements herein contained, the parties hereto agree as follows:

ARTICLE I

EFFECTIVE DATE – CHANGES – GRIEVANCES – DISPUTES

EFFECTIVE DATE:

Section 1.01. This Agreement shall take effect June 1, 2013, and shall remain in effect until May 31, 2015, unless otherwise specifically provided for herein. It shall continue in effect from year to year thereafter, from June 1 through May 31 of each year, unless changed or terminated in the way later provided herein.

CHANGES:

Section 1.02. (a) Either party or an employer withdrawing representation from the Chapter or not represented by the Chapter, desiring to change or terminate this Agreement must provide written notification at least ninety (90) days prior to the expiration date of the Agreement or any anniversary date occurring thereafter.

Section 1.02. (b) Whenever notice is given for changes, the nature of the changes desired must be specified in the notice, or no later than the first negotiating meeting unless mutually agreed otherwise.

Section 1.02. (c) The existing provisions of the Agreement, including this Article, shall remain in full force and effect until a conclusion is reached in the matter of proposed changes.

Section 1.02 (d) Unresolved issues or disputes arising out of the failure to negotiate a renewal or modification of this Agreement that remain on the 20th of the month preceding the next regular meeting of the Council on Industrial Relations for the Electrical Contracting Industry (CIR) may be submitted jointly or unilaterally to the Council for adjudication. Such unresolved issues or disputes shall be submitted no later than the next regular meeting of the Council following the expiration date of this Agreement or any subsequent anniversary date. The Council's decisions shall be final and binding.

Section 1.02. (e) When a case has been submitted to the Council, it shall be the responsibility of the negotiating committee to continue to meet weekly in an effort to reach a settlement on the local level prior to the meeting of the Council.

Section 1.02. (f) Notice of a desire to terminate this Agreement shall be handled in the same manner as a proposed change.

Section 1.03. This Agreement shall be subject to change or supplement at any time by mutual consent of the parties hereto. Any such change or supplement agreed upon shall be reduced to writing, signed by the parties hereto, and submitted to the International Office of the IBEW for approval, the same as this Agreement.

Section 1.04 There shall be no stoppage of work either by strike or lockout because of any proposed changes in this agreement or dispute over matters relating to this Agreement. All such matters must be handled as stated herein.

GRIEVANCES – DISPUTES:

Section 1.05. There shall be a Labor-Management Committee of three representing the Union and three representing the Employers. It shall meet regularly at such stated times as it may decide. However, it shall also meet within 48 hours when notice is given by either party. It shall select its own Chairman and Secretary. The Local Union shall select the Union representatives and the Chapter shall select the management representatives.

Section 1.06. All grievances or questions in dispute shall be adjusted by the duly authorized representative of each of the parties to this Agreement. In the event that these two are unable to adjust any matter within 48 hours, they shall refer the same to the Labor-Management Committee.

Section 1.07. All matters coming before the Labor-Management Committee shall be decided by a majority vote. Four members of the Committee, two from each of the parties hereto, shall be a quorum for the transaction of business, but each party shall have the right to cast the full vote of its membership and it shall be counted as though all were present and voting.

Section 1.08. Should the Labor-Management Committee fail to agree or to adjust any matter, such shall then be referred to the Council on Industrial Relations for the Electrical Contracting Industry for adjudication. The Council's decisions shall be final and binding.

Section 1.09. When any matter in dispute has been referred to conciliation or arbitration for adjustment, the provisions and conditions prevailing prior to the time such matters arose shall not be changed or abrogated until agreement has been reached or a ruling has been made.

Section 1.10. Any grievance not brought to the attention of responsible opposite parties to this Agreement in writing to the Labor Management Committee within 30 working days of discovery of its occurrence shall be deemed to no longer exist.

ARTICLE II

EMPLOYER RIGHTS - UNION RIGHTS

Section 2.01. Members of the Union except those meeting the requirement of "Employer" as defined herein, shall not contract for any Electrical work.

Section 2.02. The Union understands the Employer is responsible to perform the work required by the owner. The Employer shall therefore have no restrictions, except those specifically provided for in the Collective Bargaining Agreements in planning, directing and controlling the operations of all his work, in deciding the number and kind of employees to properly perform the work, in hiring and laying off employees, in transferring employees from job to job within the Local Union's geographical jurisdiction, in determining the need and number as well as the person who will act as Foreman in requiring all employees to observe the Employer's and/or Owner's rules and regulations not inconsistent with this Agreement, in requiring all employees to observe all safety regulations, and in discharging employees for proper cause.

Section 2.03. The employer shall have the right to call Foreman by name provided:

(a) His/Her employment within the jurisdiction of I.B.E.W. Local Union 99 has not ended within the past thirty (30) days.

(b) The employer shall notify the business manager in writing of the name of the individual who is to be requested for employment as a Foreman. Upon such request, the business manager shall refer said foreman provided the name appears on the highest priority group.

(c) When an employee is called as a foreman he must remain as a foreman for 1,000 hours or must receive a reduction in force. If both conditions are not met he must then return to the "out of work" list and sign as the last applicant.

(d) Beginning June 1, 2010 and for the term of this agreement and for all employees covered by this agreement, a mandatory Foreman Training Program shall be implemented. An applicant who is discharged for cause two times within a 12-month period shall be referred to the neutral member of the Appeals Committee for a determination as to the applicant's continued eligibility for referral. The neutral member of the Appeals Committee shall, within three* business days, review the qualifications of the applicant and the reasons for the discharges. The neutral member of the Appeals Committee may, in his or her sole discretion: (1) require the applicant to obtain further training from the JATC before again being eligible for referral; (2) disqualify the applicant for referral for a period of four weeks, or longer, depending on the seriousness of the conduct and/or repetitive nature of the conduct; (3) refer the applicant to an employee assistance program, if available, for evaluation and recommended action; or (4) restore the applicant to his/her appropriate place on the referral list.

Section 4.15. The only exceptions which shall be allowed in this order of referral are as follows:
(a). When the Employer states bona fide requirements for special skills and abilities in his request for applicants, the Business Manager shall refer the first applicant on the register possessing such skills and abilities.

(b). The age ratio clause in the Agreement calls for the employment of an additional employee or employees on the basis of age. Therefore, the Business Manager shall refer the first applicant on the register satisfying the applicable age requirements provided, however, that all names in higher priority Groups, if any, shall first be exhausted before such overage reference can be made.

Section 4.16. An Appeals Committee is hereby established composed of one member appointed by the Union, one member appointed by the Employer or the Association, as the case may be, and a Public Member appointed by both these members.

Section 4.17. It shall be the function of the Appeals Committee to consider any complaint of any employee or applicant for employment arising out of the administration by the Local Union of Sections 4.04 through 4.15 of the Agreement. The Appeals Committee shall have the power to make a final and binding decision on any such complaint which shall be complied with by the Local Union. The Appeals Committee is authorized to issue procedural rules for the conduct of its business but it is not authorized to add to, subtract from, or modify any of the provisions of this Agreement and its decisions shall be in accord with this Agreement.

Section 4.18. A representative of the Employer or of the Association, as the case may be, designated to the Union in writing, shall be permitted to inspect the Referral Procedure records at any time during normal business hours.

Section 4.19. A copy of the Referral Procedure set forth in this Agreement shall be posted on the Bulletin Board in the offices of the Local Union and in the offices of the Employers who are parties to this Agreement.

Section 4.20. Apprentices shall be hired and transferred in accordance with the Apprenticeship provisions of the Agreement between the parties.

Section 4.21. When making reductions in the number of employees due to lack of work, Employers shall use the following procedure:

Section 4.21. (a) Temporary employees, if any are employed, shall be laid off first. Then employees in Group IV shall be laid off next, if any are employed in this Group. Next to be laid off are employees in Group III, if any are employed in this Group, then those in Group II, and then those in Group I.

Section 4.21. (b) Paragraph (a) will not apply as long as the special skills requirement as provided for in Section 4.15 (a) is required.

Section 4.21. (c) Supervisory employees covered by the terms of this Agreement will be excluded from layoff as long as they remain in a supervisory capacity. When they are reduced to the status of Journeyman, they will be slotted in the appropriate Group in paragraph (a) above.

Section 4.21. (d) During times of extreme unemployment when the out of work list reaches 150 applicants or more the employer agrees to rotate non-supervisory/key employees on a six month basis. Employees will be rotated on a per job basis on all jobs with a duration time of six months or more. Not more than 25% of employees shall be rotated at one time. Expires May 31, 2015.

Section 4.22 An employer shall have the right to recall for employment any former employee that the employer has laid off, provided that:

The former employee is in the highest level group on the referral list containing applicants available for work, regardless of the individual's position on the list. The recall is made within 45 days from the time of the layoff. The former employee has not quit his most recent employer under this agreement within the 30 days prior to the recall request and the former employee is not an apprentice.

Each employee may be recalled only once in a calendar year.

ARTICLE V

APPRENTICESHIP AND TRAINING

Section 5.01. There shall be a local Joint Apprenticeship and Training Committee (JATC) consisting of a total of either 6 or 8 members who shall also serve as Trustees to the local apprenticeship and training trust. An equal number of members (either 3 or 4) shall be appointed, in writing, by the local chapter of the National Electrical Contractors Association (NECA) and the local union of the International Brotherhood of Electrical Workers (IBEW).

The local apprenticeship standards shall be in conformance with national guideline standards and industry policies to ensure that each apprentice has satisfactorily completed the NJATC required hours and course of study. All apprenticeship standards shall be registered with the NJATC before being submitted to the appropriate registration agency.

The JATC shall be responsible for the training of apprentices, journeymen, installers, technicians, and all others (unindentured, intermediate journeymen, etc.)

Section 5.02. All JATC member appointments, re-appointments and acceptance of appointments shall be in writing. Each member shall be appointed for a 3 year term, unless being appointed for a lesser period of time to complete an unexpired term. The terms shall be staggered, with one (1) term from each side expiring each year. JATC members shall complete their appointed term unless removed for cause by the party they represent or they voluntarily resign. All vacancies shall be filled immediately.

The JATC shall select from its membership, but not both from the same party, a Chairman and a Secretary who shall retain voting privileges. The JATC will maintain one (1) set of minutes for JATC committee meetings and a separate set of minutes for Trust meetings.

The JATC should meet on a monthly basis, and also upon the call of the Chairman.

Section 5.03. Any issue concerning an apprentice or an apprenticeship matter shall be referred to the JATC for its review, evaluation, and resolve; as per standards and policies. If the JATC deadlocks on any issue, the matter shall be referred to the Labor-Management Committee for resolution as outlined in Article I of this agreement; except for trust fund matters, which shall be resolved as stipulated in the local trust instrument.

Section 5.04. There shall be only one (1) JATC and one (1) local apprenticeship and training trust. The JATC may, however, establish joint subcommittees to meet specific needs, such as residential or telecommunication apprenticeship. The JATC may also establish a subcommittee to oversee an apprenticeship program within a specified area of the jurisdiction covered by this agreement.

All subcommittee members shall be appointed, in writing, by the party they represent. A subcommittee member may or may not be a member of the JATC.

Section 5.05. The JATC may select and employ a part-time or a full-time Training Director and other support staff, as it deems necessary. In considering the qualification, duties, and responsibilities of the Training Director, the JATC should review the Training Director's Job Description provided by the NJATC. All employees of the JATC shall serve at the pleasure and discretion of the JATC.

Section 5.06. To help ensure diversity of training, provide reasonable continuous employment opportunities, and comply with apprenticeship rules and regulations, the JATC, as the program sponsor, shall have full authority for issuing all job training assignments and for transferring apprentices from one employer to another. The employer shall cooperate in providing apprentices with needed work experiences. The local union referral office shall be notified, in writing, of all job training assignments. If the employer is unable to provide reasonable continuous employment for apprentices, the JATC is to be so notified.

Section 5.07. All apprentices shall enter the program through the JATC as provided for in the registered apprenticeship standards and selection procedures.

An apprentice may have their indenture canceled by the JATC at any time prior to completion as stipulated in the registered standards. Time worked and accumulated in apprenticeship shall not be considered for local union referral purposes until the apprentice has satisfied all conditions of apprenticeship. Individuals terminated from apprenticeship shall not be assigned to any job in any classification, or participate in any related training, unless they are reinstated in apprenticeship as per the standards, or they qualify through means other than apprenticeship, at some time in the future, but no sooner than two years after their class has completed apprenticeship, and they have gained related knowledge and job skills to warrant such classification.

Section 5.08. The JATC shall select and indenture a sufficient number of apprentices to meet local manpower needs. The JATC is authorized to indenture the number of apprentices necessary to meet the job site ratio as per Section 5.12.

Section 5.09. Though the JATC cannot guarantee any number of apprentices, if a qualified employer requests an apprentice, the JATC shall make every effort to honor the request. If the JATC is unable to fill the request within ten (10) working days, the JATC shall select and indenture the next available person from the active list of qualified applicants. An active list of qualified applicants shall be maintained by the JATC as per the selection procedures.

Section 5.10. To accommodate short-term needs when apprentices are unavailable, the JATC shall assign unindentured workers who meet the basic qualification for apprenticeship. Unindentured workers shall not remain employed if apprentices become available for OJT assignment. Unindentured workers shall be used to meet job site ratios except on wage and hour (prevailing wage) job sites.

Before being employed, the unindentured person must sign a letter of understanding with the JATC and the employer - agreeing that they are not to accumulate more than two thousand (2,000) hours as an unindentured, that they are subject to replacement by indentured apprentices and that are not to work on wage and hour (prevailing wage) job sites.

Should an unindentured worker be selected for apprenticeship, the JATC will determine, as provided for in the apprenticeship standards, if some credit for hours worked as an unindentured will be applied toward the minimum OJT hours of apprenticeship.

The JATC may elect to offer voluntary related training to unindentured; such as Math Review, English, Safety, Orientation/Awareness, Introduction to OSHA, First-Aid and CPR. Participation shall be voluntary.

Section 5.11. The employer shall contribute to the local health and welfare plans and to the National Electrical Benefit Fund (NEBF) on behalf of all apprentices and unindentured. Contributions to other benefit plans may be addressed in other sections of this agreement.

Section 5.12 Each job site shall be allowed a ratio of two (2) apprentices for every three (3) Journeyman Wiremen or fraction thereof as illustrated below.

Number of Journeyman	Maximum Number of Apprentices/Unindentured
1 to 3	2
4 to 6	4
etc.	etc.

The first person assigned to any job site shall be a Journeyman Wireman.

A job site is considered to be the physical location where employees report for their work assignments. The employer's shop (service center) is considered to be a separate, single job site. All other physical locations where workers report for work are each considered to be a single, separate job site.

Section 5.13. An apprentice is to be under the supervision of a Journeyman Wireman at all times. This does not imply that the apprentice must always be in-sight-of a Journeyman Wireman. Journeymen are not required to constantly watch the apprentice. Supervision will not be of a nature that prevents the development of responsibility and initiative. Work may be laid out by the employer's designated supervisor or Journeyman based on their evaluation of the apprentice's skills and ability to perform the job tasks.

Apprentices shall be permitted to perform job tasks in order to develop job skills and trade competencies. Journeymen are permitted to leave the immediate work area without being accompanied by the apprentice. Apprentices who have satisfactorily completed the first four years of related classroom training using the NJATC curriculum and accumulated a minimum of 6,500 hours of OJT with satisfactory performance, shall be permitted to work alone on any job site and receive work assignments in the same manner as a Journeyman Wireman.

An apprentice shall not be the first person assigned to a job site and apprentices shall not supervise the work of others.

Section 5.14. Upon satisfactory completion of apprenticeship, the JATC shall issue all graduating apprentices an appropriate diploma from the NJATC. The JATC shall encourage each graduating apprentice to apply for college credit through the NJATC. The JATC may also require each apprentice to acquire any electrical license required for journeymen to work in the jurisdiction covered by this Agreement.

Section 5.15. The parties to this Agreement shall be bound by the Local Joint Apprenticeship Training Trust Fund Agreement which shall conform to Section 302 of the Labor-Management Relations Act of 1947 as amended, ERISA, and other applicable regulations.

The Trustees authorized under this Trust Agreement are hereby empowered to determine the reasonable value of any facilities, materials, or services furnished by either party. All funds shall be handled and disbursed in accordance with the Trust Agreement.

Section 5.16. All Employers subject to the terms of this Agreement shall contribute the amount of funds specified by the parties' signatory to the local apprenticeship and training trust agreement. The current rate of contribution outlined in Article III, Sections 3.05(a) and 3.05(b) of the gross monthly labor payroll. This sum shall be due the Trust Fund by the same date as is their payment to the NEBF under the terms of the Restated Employees Benefit Agreement and Trust.

ARTICLE VI

FRINGE BENEFITS

Section 6.01. It is agreed that in accord with the Employees Benefit Agreement of the National Electrical Benefit Fund ("NEBF"), as entered into between the National Electrical Contractors Association and the International Brotherhood of Electrical Workers on September 3, 1946, as amended, and now delineated as the Restated Employees Benefit Agreement and Trust, that unless authorized otherwise by the NEBF, the individual employer will forward monthly to the NEBF's designated local collection agent an amount equal to 3% of the gross monthly labor payroll paid to, or accrued by, the employees in this bargaining unit, and a completed payroll report prescribed by the NEBF. The payment shall be made by check or draft and shall constitute a debt due and owing to the NEBF on the last day of each calendar month, which may be recovered by suit initiated by the NEBF or its assignee. The payment and the payroll report shall be mailed to reach the office of the appropriate local collection agent not later than fifteen (15) calendar days following the end of each calendar month.

The individual employer hereby accepts, and agrees to be bound by, the Restated Employees Benefit Agreement and Trust.

An individual employer who fails to remit as provided above shall be additionally subject to having his agreement terminated upon seventy two (72) hours notice in writing being served by the Union, provided the individual employer fails to show satisfactory proof that the required payments have been paid to the appropriate local collection agent.

The failure of an individual employer to comply with the applicable provisions of the Restated Employees Benefit Agreement and Trust shall also constitute a breach of his labor agreement.

To establish an Administrative Maintenance Fund (AMF) each employer signatory to this Agreement will contribute ten (10) cents per hour for all hours worked by all employees covered by this Agreement.

The Fund shall be administered solely by the Association and shall be utilized to pay for the Association's cost of the labor contract administration including negotiations, labor relations, and dispute and grievance representation performed on behalf of all signatory employers. In addition, all other administrative functions required of management or as required by law.

The AMF contribution shall be submitted with all other benefits as delineated in the Labor Agreement by the fifteenth (15th) of the following month in which they are due to the Administrator receiving funds. In the event any employer is delinquent in submitting the required Administrative Maintenance Fund to the designated Administrator, the Administrator shall have the authority to recover any funds, along with attorney fees, court costs, interest at 1% (one percent) per month and liquidated damages receiving such funds. The enforcement for the delinquent payments to the Fund shall be the sole responsibility of the Fund and not the local union. These monies shall not be used to the detriment of the IBEW or the Local Union.

All completed monthly reporting forms prescribed by the NEBF must be received by the respective collection agent by the fifteenth (15th) day of each month for all labor performed the previous month.

Section 6.02. During the terms of this Agreement, the Employer shall pay into the Health and Welfare Fund of Local Union 99, International Brotherhood of Electrical Workers, the sum outlined in Article III, Sections 3.05(a) and 3.05(b) of the gross monthly labor payroll. These payments shall be forwarded by the fifteenth day of the following month to the Local Union Office to the Trustees designated to collect these contributions, provided that this fund is properly trusted and administered in accordance with Section 302 of the Labor Management Relations Act of 1947, as amended.

Section 6.03. During the terms of this Agreement, the Employer shall pay into IBEW Local Union No. 99's Pension Trust Fund the sum outlined in Article III, Sections 3.05(a) and 3.05(b) of the gross monthly labor payroll. Each Employer agrees to remit these moneys to Local Union No. 99's Pension Trust Fund, or its Agent, not later than the fifteenth (15th) day of the following month, pursuant to a certain Declaration of Trust that shall conform to Section 302 of the Labor Management Relations Act of 1947, as amended.

Section 6.04. During the terms of this Agreement, the Employer shall pay into IBEW Local Union No. 99's Annuity Trust Fund the sum outlined in Article III, Sections 3.05(a) and 3.05(b) of the gross monthly labor payroll. Each Employer agrees to remit these moneys to Local Union No. 99's Annuity Trust Fund, or their Agent, not later than the fifteenth of the following month, pursuant to a certain Declaration of Trust that shall conform to Section 302 of the Labor Management Relations Act of 1947, as amended.

Section 6.05. Notwithstanding the language set forth above in Sections 2,3 and 4 of the Agreement concerning mandatory Employer contributions to the Local Union No. 99 Health & Welfare Fund, Pension Fund and Annuity Fund; and notwithstanding the language set forth in Article V of this Agreement concerning mandatory Employer contributions to the Local Union No. 99 Joint Apprenticeship and Training Committee (JATC) Fund, and to the extent permitted by applicable law, an Owner/Employee of a Contractor/Employer which is a signatory to or executes a Letter of Assent to this Agreement may opt to not participate in any one (1) or all of said Local Union No. 99 Health & Welfare, Pension Annuity and JATC Funds if said Owner/Employee so desires. In the event the Owner/Employee opts out of such participation, his/her Contractor/Employer shall not be obligated to pay any sum of money into said Local Union No. 99 Fund on said Owner/Employee's behalf.

For the purpose of this Section 6.05., an Owner/Employee of a Contractor/Employer shall only mean a member in good standing of the Union who is a principal of an incorporated trade or business, but shall not include a partner or proprietor of an unincorporated trade or business. No other covered Employee of said Contractor/Employer may opt out of participation in the Local Union No. 99 Health & Welfare, Pension, Annuity and JATC Funds pursuant to this Section.

In the event an Owner/Employee opts out of participation in any one (1) or all of said Local Union No. 99 Benefit Fund, his/her Contractor/Employer shall immediately notify the Business Manager of the Union and the Trustees of the Fund(s), in writing, of said Owner/Employee's decision. Thereafter, if said Owner/Employee opt to recommence participation in the Fund his/her Contractor/Employer shall immediately notify the Business Manager of the Union and the Trustees of the Fund, in writing, of said Owner/Employee's decision; and said Contractor/Employer shall again be required to comply in all respects with the contribution provisions of this Agreement for said Owner/Employee.

Section 6.06. Individual Employers who fail to remit as provided in Sections 6.02, 6.03 and 6.04 shall be additionally subject to having this Agreement terminated upon seventy-two (72) hours' notice, in writing, being served by the Union provided the individual Employer fails to show satisfactory proof that the required payments have been made.

Section 6.07 (a) The failure of an individual Employer to comply with provisions of Sections 6.02, 6.03 and 6.04 shall also constitute a breach of this Labor Agreement. As a remedy for such a violation, the Labor-Management Committee and/or the Council on Industrial Relations for the Electrical Contracting Industry, as the case may be, are empowered, at the request of the Union, to require an Employer to pay into the affected Joint Trust Funds established under this Agreement any delinquent contribution to such funds which have resulted from the violation.

Section 6.07 (b) If, as a result of violations of this Section, it is necessary for the Union and/or the Trustees of the Joint Trust Funds to institute court action to enforce an award rendered in accordance with Section 6.05 above, or to defend an action which seeks to vacate such award, the Employer shall pay any accountants' and attorneys' fees incurred by the Union and/or Fund Trustees, plus cost of the litigation which have resulted from the bringing of such court action.

Section 6.07 (c) Effective September 1, 2000, it is agreed that in the event that an employer is delinquent in payments to the Local Union No. 99 IBEW Health and Welfare Plan, the Local Union 99's Pension Trust Fund, the Local Union 99's IBEW Annuity Trust Fund, the Local Union 99's IBEW JATC Trust Fund, the National Electrical benefit Fund, the IBEW Local 99's designated Assessment Due described in Article XI of the IBEW Local 99 By-Laws for a period of fifteen (15) days, said employer shall be required to submit payments and appropriate forms on a weekly basis to the designated depository.

ADDITIONS AND DELETIONS:

The author of this document has added information needed for its completion. The author may also have revised the text of the original AIA standard form. An *Additions and Deletions Report* that notes added information as well as revisions to the standard form text is available from the author and should be reviewed. A vertical line in the left margin of this document indicates where the author has added necessary information and where the author has added to or deleted from the original AIA text.

This document has important legal consequences. Consultation with an attorney is encouraged with respect to its completion or modification.

Any singular reference to Contractor, Surety, Owner or other party shall be considered plural where applicable.

The Contractor and Surety are bound to the Owner in the amount set forth above, for the payment of which the Contractor and Surety bind themselves, their heirs, executors, administrators, successors and assigns, jointly and severally, as provided herein. The conditions of this Bond are such that if the Owner accepts the bid of the Contractor within the time specified in the bid documents, or within such time period as may be agreed to by the Owner and Contractor, and the Contractor either (1) enters into a contract with the Owner in accordance with the terms of such bid, and gives such bond or bonds as may be specified in the bidding or Contract Documents, with a surety admitted in the jurisdiction of the Project and otherwise acceptable to the Owner, for the faithful performance of such Contract and for the prompt payment of labor and material furnished in the prosecution thereof; or (2) pays to the Owner the difference, not to exceed the amount of this Bond, between the amount specified in said bid and such larger amount for which the Owner may in good faith contract with another party to perform the work covered by said bid, then this obligation shall be null and void, otherwise to remain in full force and effect. The Surety hereby waives any notice of an agreement between the Owner and Contractor to extend the time in which the Owner may accept the bid. Waiver of notice by the Surety shall not apply to any extension exceeding sixty (60) days in the aggregate beyond the time for acceptance of bids specified in the bid documents, and the Owner and Contractor shall obtain the Surety's consent for an extension beyond sixty (60) days.

If this Bond is issued in connection with a subcontractor's bid to a Contractor, the term Contractor in this Bond shall be deemed to be Subcontractor and the term Owner shall be deemed to be Contractor.

When this Bond has been furnished to comply with a statutory or other legal requirement in the location of the Project, any provision in this Bond conflicting with said statutory or legal requirement shall be deemed deleted herefrom and provisions conforming to such statutory or other legal requirement shall be deemed incorporated herein. When so furnished, the intent is that this Bond shall be construed as a statutory bond and not as a common law bond.
