

Cabinet Meeting

9/6/2023

President Ramez Rizk

- President address to the the freshman student body
- Ramez also is working on getting a URI 101 team to present to all the classes
- Ramez also is saying that there are 5,000 RIPTA bus passes that the school has and we are suggesting that we hand those out for Senate advertising
 - o We need to reach out to Ellen Reynolds to get information about this initiative for this
 - Basically next step is A) do they still work and B) who has control over them?
- Ramez worked over the summer piecing together the details about rolling out the syllabus bank
 - o It seems like it will become a thing, its a green light across the board
 - o Ramez wants the E-Board to come to show support for his delivery to the Faculty Senate about making the syllabus bank a reality
 - o What will it look like:
 - It will have its own program and it will be a database
 - Ramez needs the E-Board's help to put this thing together.
- Ramez suggested we make office hours at anytime rather than scheduled

Meilin

- She is wondering if the student senate would be interested in doing a obstacle course for team building

Cam

- Shower security initiative has stalled
- Cam is trying to find a way to get more funding for Aunt Flow
 - o Possibly through title 9
- Sent out a partial committee assignment to the senate
 - o If they don't send it out Cam will just do it

Lauren Peckham

- Academic and Cultural Committee collaboration
- Trying to apply final exam rights to Midterms
- Lauren is interested in putting together a STEM study guide for incoming freshman so they know what the expectation are for their major

Sophia

- Sophia has been trying to get funding for Aunt Flow through title 9
- She has been trying to put together a fundraising event with her vice-chair
- Justin Meyers has been trying to bring down the price of Coke products
- Sophia would like to put together the Composting liaison position
