Hi everyone,

Hope you are doing well! Here are the notes for the Presidents Meeting! Just because I'm posting notes doesn't mean you can skip them. The next presidents meeting will be doing bystander intervention training on Nov 6th this will be in person and required for all E-Board members. I'll send out an email as time gets closer! (try to let your eboard know about it sooner rather than later!)

Juju and the SEA (Student Event Advising Office) are here as resources for you <juliaalamir@uri.edu> <sea@etal.uri.edu>

- Events need to be registered with the SEA office before you promote them
- Use the powerpoint as guidance
- This link allows you to reserve space on campus <https://uri.emscloudservice.com/web/>
- You can use your @rhodysenate email username and password to reserve space
- The SEA office is located right next to the senate office by the coffee house in the Union

Lucas talked about using URInvolved and showed off features it offers for you <lucas_dewitt@uri.edu>

- Use this link to go to URInvolved <https://urinvolved.uri.edu/> (or google it)
- <https://www.youtube.com/playlist?list=PLm5IWRrHh1WAMcSLjc5e5ScadOGn9pown>
- That link has training videos to do all the basics
- A URInvolved account will be required to be senate recognized for next year
- Make sure your members sign up to be part of you URInvolved page

Cheryl and Ethan had finance training was last Tuesday (I'm including it here to avoid sending another email) <dot@rhodysenate.org><ccampbell@uri.edu>

- Thank you to everyone who came!
- Finance training is still required for all clubs (there will be another one not on a Tuesday for the people who missed it)
- Cheryl will be going on vacation soon so any purchases needed in the next month you should try to do ASAP
- As always make sure you check your mailbox in the senate office
- The finance handbook is on the Student Senate Website and included below
- If you have any questions feel free to talk to the accounts office (glass window before the senate office but after the airplane lounge)

--

Best,

Nick Johnson

Chairman

Student Organizations Committee

Student Senate

The University of Rhode Island
