The modules offer specific strategies for planning and studying, and inks to helpful web-based resources. *Click here to access the modules page on the AEC's website.*

**TOPICS**
- Remote and Online Learning
- Planning and Time Management
- Study Strategies that Promote Active Learning
- Mindset and Motivation
- Reading with Focus and Purpose

**ACADEMIC SUCCESS DISCUSSION SESSIONS**

The AEC’s will support students' engagement with the modules through online discussions during the week of August 31-September 4. Each session will be a chance for students to develop understanding of module topics and share study strategies. Dates, times, and directions for joining will be posted on the Academic Success Modules web page.
