Section 2: The Basics

The Basics

e-Campus is the University's student records system. It's a single portal that allows access to registration, grades, billing, Financial Aid, and residence hall housing. It is accessed at its.uri.edu/ecampus.

Most students create an e-Campus account shortly after acceptance. This username follows students throughout their entire URI career. To create an account, visit its.uri.edu/getting-started-students.

If you forgot your password or username:

- You must contact the IT Service Desk via Zoom or walk-in with a valid picture ID. Note: IT is unable to change passwords over the phone.

Submit Enrollment Deposit

An enrollment deposit confirms your intent to attend URI and apply for on-campus housing. The deposit is \$300 for commuters or \$500 if you plan to live in a residence hall.

After You've Been Accepted

- **Complete your Enrollment Confirmation Form through the URI Applicant Portal-** This will let us know your plans for the upcoming semester. Once you submit your form, you'll be able to pay your enrollment deposit via your applicant status page. If you don't plan to enroll at URI, you can also let us know that through the form.
- **Log into your admitted student portal to pay your deposit-** After you complete the form, you can pay your enrollment deposit by clicking the link in the checklist in your portal. Be sure to share your excitement by using #InAtURI on URI social media!

URI Student Email and Single Sign-On (SSO)

Enrollment Services will send important information - including your e-Bill notifications and financial aid information to your **@uri.edu email**. It is important that you check it frequently throughout the summer and while attending the University.

Your student account is accessible from virtually any browser on most devices, including your phone or tablet. A few days after your deposit, you will receive a notification via your personal email about your URI email account. Follow the set-up instructions to log into your URI email.

The first thing you MUST DO before accessing your new email account is to change your password:

Follow these steps below:

1. Go to: password.uri.edu/self.
2. Enter your account: e-Campus ID (this is the first part of your URI email).
3. Enter your current password.
4. If you do not know your password, contact the Virtual Service Desk at its.uri.edu for assistance.
5. Choose a new password according to the password requirements.
6. This will change your email and SSO password but not your e-Campus password.
7. Instructions for other things you can do can be found at the URI website: its.uri.edu/getting-started-students
8. For assistance, contact the Virtual Service Desk at its.uri.edu or call 401-874-4357.

FERPA: The Student Privacy Law

The Family Educational Rights and Privacy Act (FERPA) governs what information the University can share with others about students, even with parents or guardians. Protected information includes grades, choice of major, course registration, financial aid and billing. This applies even to students under the age of 18.

Section 3: Courses & Grades

Sign Up for Courses (Registration)

After completing their first semester at URI students will use e-Campus to register for classes. Incoming first-year students register for their courses with their academic advisor. Transfer students should check uri.edu/transfer for the latest information on course registration.

Please note that all students must be enrolled in all courses by the end of the designated add/drop period each term. Students have an obligation to review their course schedule for accuracy each term to ensure proper enrollment in all courses. Courses cannot be added to a student's schedule after a term has ended.

Preferred First Name (Optional)

URI believes in the importance of equity and creating an inclusive campus environment where people can be their authentic selves. In that vein, members of the URI campus community now have the option to make updates to how their personal information is displayed in e-Campus. These options include using a chosen name instead of a legal name to identify themselves, as well as the ability to specify pronouns and gender identity.

This functionality, which is optional and voluntary, is available to students and university employees. The chosen name option for students, is available through the e-Campus profile tile, and is available to all campus community members, along with the newly added gender and pronoun selections.

Section 4: Pay for College

Apply for Financial Aid- File a FAFSA

You must apply for financial aid every year by filing a Free Application for Federal Student Aid (FAFSA). This is the only form required to be considered for all federal, state, and university aid. After you submit the FAFSA, a FAFSA Submission Summary Report will be generated and emailed to you. This report contains your calculated Student Aid Index (SAI). You should review the report and verify all of the information is correct. If necessary, corrections should be made through your FAFSA application.

To file and access your FAFSA:

1. Visit studentaid.gov.
2. Click on "Start A New FAFSA"
 - a. Be sure to include the URI School Code "**003414**" and choose the correct aid year (2026-27).

How URI Calculates Your Aid:

Most financial aid at URI is awarded to students on the basis of demonstrated financial need. To determine financial need, URI calculates the difference between the total Cost of Attendance (COA), which includes tuition, fees, books, housing, food, transportation and miscellaneous expenses, minus the Student Aid Index (SAI). At the time your financial aid application is reviewed, you are considered for all types of financial assistance, including grants, loans and Federal Work-Study.

Financial Aid Verification

Some students are selected for verification, which requires documentation of FAFSA data. Verification is initiated by the U.S. Department of Education or the Enrollment Services Financial Aid office in some cases. If your application is selected for verification, you will be contacted and must submit appropriate documentation.

Your financial aid will remain in pending status until this process is finalized. Please be sure to submit the requested documentation promptly to avoid delays.

To see required documents:

1. Log in to e-Campus.
2. Click on the "Tasks" tile.
3. Click on the "To Do List".
4. Click on the "arrow" of each item for detailed information.

Understanding Your Financial Aid

Your financial aid award includes all offers of scholarships, grants, loans and Federal Work-Study eligibility. Not all students are eligible for all awards. Only those for which you are eligible appear on your letter.

As a first-year student you will view your Financial Aid Offer through the URI Applicant Portal. As an upperclass student, you will receive an email to your_name@uri.edu email account starting in June notifying you that your award is available on e-Campus. All students may view financial aid awards, as well as accept or decline all or a portion of their loans, through e-Campus.

See your Financial Aid award in e-Campus:

1. Click on the “Financial Aid” tile.
2. Click on “Summary or Accept/Decline” for details.
3. All first loan borrowers must complete the Federal Entrance Counseling and the Master Promissory Note via studentaid.gov.

Important Notes:

- **Your awards are for the entire academic year.** Generally each award will be split evenly between semesters.
- **Your award could change in future years** if your FAFSA reflects a change in your or your family’s income or, in some cases, if you change majors, your campus housing status, or your legal residency.
- **Federal Direct Student Loans** are borrowed through the U.S. Department of Education and must be repaid when a student graduates, withdraws, or drops below halftime enrollment (6 credits). Funds are credited directly to your student account upon completion of Entrance Counseling, a Master Promissory Note and loan acceptance in e-Campus.
 - For more about loans visit uri.edu/financial-aid/loans/.
- **Private/Alternative Loans** are borrowed through private lenders and issued in the student’s and/or parent’s name. In most cases, private/alternative loans in the student’s name require a credit worthy co-signer. URI does not maintain a preferred lender list. Students may choose to borrow through the lender of their choice. Students may borrow up to the Cost of Attendance minus any other financial aid. Terms and interest rates vary. A separate application is required through each private lender. We suggest that families “shop around” to obtain the best rate and terms. More at: uri.edu/enrollment/alternative-private-loans.

Scholarships, Grants, and Loans

Merit Scholarships (Presidential, Phi Theta Kappa, University Scholarship, Transfer Merit Award, Transfer Achievement Award) are awarded by Undergraduate Admission at the time of application to URI and do not need to be repaid.

- All students who receive these awards are subject to the guidelines in the notification letter and at:
- uri.edu/financial-aid/grants-and-scholarships/scholarship-guidelines.
- URI will accept these on your behalf.

Grants (University, Founders, Federal Pell Grant, Federal Supplemental Opportunity Grant (SEOG)) do not need to be repaid and are based on financial need. Federal grants include the Pell Grant and Federal SEOG. Since these funds are need-based, the type and amount may change if your financial need changes each year with your FAFSA filing or upon verification.

- URI will accept these on your behalf.

Federal Work-Study is a need-based program, which provides students with the opportunity for part-time employment during the academic year. The award represents the maximum amount a student may earn during the academic year. This money is paid to the student in a paycheck (first paycheck is a paper paycheck, second paycheck, and onward will be via direct deposit) based on hours worked and is not applied to the bill. Jobs may be with University departments or certain private non-profits. To find jobs visit uri.edu/career. This website also lists on-campus jobs open to students without Federal Work-Study.

If you are offered Federal Work-Study take the following steps:

1. Accept in e-Campus.
2. Find a job using Handshake application on uri.edu/career.

URI Costs

The net cost of URI depends on whether the student is a Rhode Island resident, the number of credits enrolled, housing and food choices, eligibility for financial aid, etc. For details, visit: uri.edu/tuition-billing/tuition-and-fees

***Note:** Other costs are additional expenses that are not billed by URI. Students should budget accordingly. Keep in mind that this is an estimate and subject to change.

Rhody Ram Fact:
Did you know that the state of Rhode Island is only 48 miles long and 37 miles wide?

URI Monthly Payment Plan

For students and families wishing to pay their educational expenses in monthly installments, URI has partnered with [Flywire](#) to offer the URI Monthly Payment Plan. Our plan allows your semester costs to be divided into 5,4,3, or 2 interest-free monthly installments, depending on the date of plan enrollment.

There is a non-refundable enrollment fee of \$25 for each semester plan.

Our plans are self-budgeted, meaning that you determine the amount you wish to establish for your plan. For example, you may choose to create a plan that will cover your entire out-of-pocket cost per semester, or you may opt to create a plan that will cover part of your out-of-pocket semester costs and use a student loan to cover the rest. The following plans will be available for the 2026-27 academic year starting in early May 2026.

Monthly Payment Plans Fall 2026		
	Enroll By	Installments Due
5-month plan	June 1	June 1, 2026 - October 1, 2026
4-month plan	July 1	July 1, 2026 - October 1, 2026
3-month plan	August 1	August 1, 2026 - October 1, 2026
2-month plan	September 1	September 1, 2026 - October 1, 2026
Monthly Payment Plans Spring 2027		
	Enroll By	Installments Due
5-month plan	November 1	November 1, 2026 - March 1, 2027
4-month plan	December 1	December 1, 2026 - March 1, 2027
3-month plan	January 1	January 1, 2027 - March 1, 2027
2-month plan	February 1	February 1, 2027 - March 1, 2027

Please note that you may need to estimate your Fall and Spring costs when establishing your plans, because Fall 2026 will not be available until mid-July 2026, and Spring 2027 bills will not be available until mid-December 2026. However, when your actual semester bill is available, you can modify your plan if you find that you have overestimated or underestimated your costs.

To enroll for a plan today, log into your Payment and e-Bill Portal, and select the Payment Plan tab. It's that easy!

Student Refunds

Refunds occur if you make a change to your enrollment that reduces tuition and fee charges, or if you choose a less expensive meal plan or housing option after paying your bill. Financial aid refunds occur because students take out extra loan money to cover costs for books or a computer, as well as off-campus housing and living expenses.

URI partners with **BankMobile** for the delivery of student refunds. We offer three options for receiving refunds:

1. Direct deposit to any bank account
2. BankMobile online bank account with debit card
3. Paper check by mail

Once a preference has been chosen, all refunds will be delivered in that manner. Establishing a refund preference prior to the fall semester helps avoid refund delays. It's easy to do - simply log into e-Campus and navigate to URI Student Financials → My Refunds and follow the prompts.

Health Insurance Requirements and Waivers

The University partners with Academic Health Plans (AHP) for the processing of health insurance waivers. To submit your health insurance waiver, please visit: uri.myahpcare.com/.

For information about the insurance waiver requirements and process, please visit: uri.edu/healthservices/insurance/.
