Violation of Parking and Relocation Guidelines

It is an essential component of the gameday experience that students with vehicles in Lot #25 or Lot #26 relocate by the determined time. Any car remaining in a closed lot after the closure time is subject to citation and towing at owner's expense.

After Game Day:

Registered vehicles may return to their designated lots 2 hours after the game ends. All registered vehicles must be parked in their assigned parking lot by 7 a.m. on Monday following the game to avoid receiving a citation.
