

WINTER PARKING GUIDELINES

EFFECTIVE DECEMBER THROUGH MARCH

The Winter Parking Guidelines are in effect from December to March. Declaration of a snow emergency resulting in a Full or Partial Parking Ban will be made by the Department of Public Safety. URI Communications and Marketing will make notifications through voicemail and email. To ensure efficient snow removal operations and the safety of the campus community, Public Safety and Facilities Operations ask for your cooperation during a Parking Ban.

- All roadways and roadside parking throughout the campus (This includes the on-street parking next to the Carlotti Bldg and the Multicultural Center)
- Commuter Lots (6pm – 7am)

Continued snow clearing will require that vehicles be moved to other lots when the owners are notified.
