LinkedIn: [www.linkedin.com/andyanthropology](http://www.linkedin.com/andyanthropology)

## EDUCATION

University of Rhode Island (URI), Kingston, RI  
Bachelor of Arts Anthropology  
Minor: History, Underwater Archaeology  
GPA: 3.12/4.00, Dean's List

May 2019

## RELEVANT COURSEWORK

**Culture Behavior and Environment** – Obtained knowledge of cultural adaptations made by traditional and industrial societies to nature and human environments using examples from prehistory and ethnography.

**Gender and Culture** – Engaged in an analytical study of gender in a cross-cultural context with discussions based on the possible origins of gender and subsistence modes, and an examination of societies with flexible or unusual gender systems.

**Human Variation** – Investigated the nature and causes of human biological diversity with an emphasis on living populations and ancestry and consideration of socio-cultural notions of race, all within a historical context.
