You must include a typewritten letter clearly stating your purpose using the format below.

This form is only to be used to petition General Education requirements. Changes to a student's major require a Curriculum Modification Form.

PART A - PETITION FOR COLLEGE FACULTY TO CONSIDER:

- Specify clearly the exact waiver, exception, substitution, or action you wish to have the Committee consider.

PART B - JUSTIFICATION:

- State the grounds on which your petition is based. Attach any supporting documentation.

PART C - SUPPORT:

- You must obtain the signature of the department chair of the course/requirement that you are petitioning. A signature is not required if the course is now approved for General Education.
