

Sanjiv Dugal, PhD

Associate Professor of Management

2013-2018

Qualifications: 1991, PhD in Technological Strategies, UMass Amherst

Teaching Responsibilities: (2/3), Two or three undergraduate courses per semester.

Classification: Other

Engagement:

Undergraduate COB students have been involved in Research and their authored papers have been presented at peer reviewed international conferences. Presently, 15 students are working on a project whose abstract is due on July 26th for the ICERI2018 conference in November this year.

Evidence of Creative and Critical Thinking of our COB students has been captured in Documentaries and Youtube videos where 18 students are speaking about their creative processes. YouTube: What is Your Creative Process?
