

URI Fresh Fruit and Vegetable (FFVP) Nutrition Curriculum Fruit and Vegetable Jeopardy Game Grades K-2 Directions, Questions and Answers

Teachers: You can access the Fruit and Vegetable Jeopardy games for Grades K-2 in English or Spanish on our website at web.uri.edu/snaped under Education and Resources/Curriculums/Fresh Fruit and Vegetable Nutrition Curriculum/FFVP Jeopardy Game Grades K-2 English (or Spanish) or at: www.playfactile.com/uriffvpk2
www.playfactile.com/uriffvpk2spanish

The games can be used after all the Fresh Fruit and Vegetable nutrition curriculum lessons have been taught.

Directions:

1. Divide the class into 1-5 teams. Five teams is the maximum number allowed.
2. Select “Play Now.”
3. Select the number of teams you have.
4. Select “No” for buzzer mode as this is not available.
5. Select one fruit or veggie icon to represent each team. The icons will be highlighted in yellow when selected.
6. Select “Start Game” and the game board will appear.
7. Give each team a turn to select a category and question, and then answer it. (Refer to the following pages for a list of all questions and answers.) If a student answers the question correctly, click on the green check mark and the dollar amount will be added to their team’s total. If a student answers incorrectly, click on the red “X” and the amount will be deducted. Click on “Continue” to return to the game board for the next team’s turn. You can also reveal the answer to a question without adding or deducting money by clicking on the yellow “Skip/See Answer” tab in the upper right hand corner of the screen. Please note that the game will not continue until someone either answers the question correctly or you click “Skip/See Answer.”
8. You can end the Factile game once all the questions have been answered, the winner

being determined by the team that has earned the most money, or you can continue the game with Final Factile (Final Jeopardy). You may also skip to Final Factile (and leave some questions unanswered) by clicking on the “Final Factile” tab on the left side of the screen. Refer to page 4 for more information.

Answer: *strawberry*

Final Factile (Final Jeopardy)

How does Final Factile (Final Jeopardy) work?

Once the

students have answered all of the questions on the Jeopardy board, or you have opted to skip to Final Factile by clicking on the tab on the left side of the screen, the Final Factile screen will appear. You have the option to skip wagers by using the red tab.

If you choose to have teams wager money, you will need to:

1. Enter dollar amounts by clicking on the blue boxes. Teams can wager some or all of their money. If a team answers the question correctly, they will gain the amount that they wagered. If a team answers the question incorrectly, they will lose the amount that they

wagered. Teams must enter a wager amount less than or equal to the amount of money that the team has. Finally, if a team has a negative amount, you must enter “0” for the wager amount or else the game will not continue.

2. Click “Enter Valid Wagers”
3. Click “Play Now.”
4. The Final Factile question will then appear on the screen and all teams will need to answer it.
5. Click “Continue” to reveal the winner.
6. Click “Show Scores” to view all teams’ scores.

Please note: It is up to the teacher to determine which team(s) answers the Final Factile question correctly. Teams will have to write the answer or answer the question privately before the answer is revealed. (The question and answer is listed below.) When you click the green checkmark or red X, the team icons will disappear. After all teams have answered the question, the answer will appear on the screen.

Final Factile Question:

Why is it important to eat fruits and vegetables?

Final Factile Answer:

Fruits and vegetables help you grow and keep you healthy. Eating different colors is important because they help different parts of your body.

For more information: If you have any questions about this game or the Fresh Fruit and Vegetable nutrition curriculum, contact Paula Paolino, RD at (401)277-5391 or paula_paolino@uri.edu. The curriculum is available electronically on our website at web.uri.edu/snaped under Education and Resources/Curriculums.
