

Hi Friends of URI Crew!

Thank you so much for your support throughout the Fall semester! We loved getting to meet and work with you. Although we're currently stuck inside waiting out the cold weather, we're dreaming of early morning practices on the Narrow River. Spring may seem far away, but there are only 29 days left until we leave for our annual Spring Break trip and warmer weather in South Carolina! As we get ready for our busy spring racing season, we want to help you get ready for spring as well!

This year we will be **CONTINUING OUR WORK-A-THON Fundraiser** through the beginning of March!
