

PHOTO OF THE WEEK: This Week's photo is submitted by OLLI member Brigitte Brocato. She tells us that for the past 12 years she and her husband spent a few months each winter in the South to escape the harsh cold and snow in Rhode Island. This photo was taken at Kiawah Island in South Carolina. Every day a large alligator came out to enjoy the sunshine. You can also share a photo! [Click here to join our photo album.](#)
