## **University of Rhode Island Integrated Clinical Experiences Checklist**

Student:	 I <sup>st</sup> year	2 <sup>nd</sup> year
Clinical Site:	 Clinical Instructor:	

## **INSTRUCTIONS:**

- Student should check all that apply 'classroom exposure' (update throughout semester)
- On-going during ICE Placement, check' observation and/or participation' as applicable (regardless of whether have had classroom exposure)
- Add items as appropriate
- To be updated by the student on a weekly basis
- Upon completion of ICE, to be signed by CI
- Note: This is a cumulative list over the two didactic years, not to be accomplished in any one ICE experience

KEY: C= Classroom O= Observation P=Participation
