## *How to submit time cards*

### ***Some facts to know...***

1. Time cards are due to be approved by 12 noon on the last Friday of a pay period. Employees who have a job with scheduled weekend hours have until 10am on Monday to submit their timecards and have them approved.\*  
*\* At full rollout, the time card due date will be 10am on the Monday following the pay period for all employees regardless of work schedule.*
2. *You can enter your time and save the time card without submitting it for approval if you prefer to enter your hours daily.*
3. *Error conditions such as discharging more time than you have in a bucket or not entering enough hours for a week are not checked until you hit either the "Validate" or "Submit for Approval" button.*
4. "Timecard" and "Timesheet" are the same item. Both refer to URI Online Time Cards.

### 3. Click “URI State Time Reporting”

Note: your Self Service menu may have different selections than those shown in the picture below.

### 4. The page you will receive is your Online Time Card (Employee Timesheet), pictured on the following page. Each individual timesheet will look slightly different depending upon your position with the University. Some points to look for:

- a. Your name, job title, Department, scheduled hours of work per week and URI ID are listed at the top.
- b. All your accruals are displayed just below in the box. Just as on your paper time cards, your accrual values are as of the last pay period.
  - i. Please note: not all accrual “buckets” will be relevant to you, such as SRP or Pay reductions which are dependent upon an individual’s job and/or start date with the University and union affiliation.
- c. The buttons between the accrual box and the timesheet are as follows:
  - i. Validate – this will edit check the time card to determine if there are validation errors.
  - ii. Refresh – to refresh the view. No edit checks are conducted when this button is clicked.
  - iii. Save – to enter your time and save the updated timecard. You can then access the saved timecard and submit it for approval later. Please note: *No* edit checks are conducted when the Save button is clicked.
  - iv. Submit for Approval – to submit a completed time sheet for approval.
    1. ***Please Note*** – all validation checks are applied when “Submit for Approval” is clicked. This means the Timecard is checked for items such as more hours discharged from a bucket than are available, you have accounted for a minimum of total schedule hours of work, etc. You will receive an error message for each error and be able to fix the timecard before submitting.
    2. If you need to change your timecard after submitting it for approval, you must contact your supervisor (approver).
    3. ***No timecard can be submitted with errors!***

This is the Online Timesheet Correction page. Enter your correction on the day(s) that you need to fix and hit "Submit for Approval" to submit.

**Please note:**

- Corrections will follow the same approval process as all Online Timecards. Also, all edit processing and messages are the same as for timesheets (see above).
